Expectations of Financial Supporters

This Financial Support Agreement is understood to be an agreement between the WSC international student listed above, Westminster Seminary California, and the individual or group sponsor completing this form. WSC takes this agreement very seriously because it directly affects the student for whom you are pledging support. Both the student and Westminster Seminary California are relying on your good faith agreement, as outlined above, to financially assist and therefore enable the student to pursue their graduate theological studies. Should you fail to honor this agreement, your actions will have serious consequences on the student's ability to complete their program, to the extent that it may result in the student being required to withdraw from WSC and leave the country due to lack of resources to support their cost of living and/or tuition expenses. Should unforeseen circumstances prevent you at any time from continuing your financial support, please notify the student as well as Westminster Seminary California at your earliest possible convenience. By completing this form and signing the below, you are acknowledging that you have read and understand the significance of this commitment and agree to honor your pledge to this student barring an unforeseen lack of funds.
