1. PROLEGOMENA

Located 40 miles north of San Diego in the foothills of the mountain range that separates the Pacific coast from the inland desert, Westminster Seminary California (Seminary or WSC) provides graduate-level theological training to its students. The campus sits on the eastern edge of the City of Escondido, and in 2018 student housing became available adjacent to the campus in Westminster Village.¹ The Seminary participates in Title IV funding under the *Higher Education Act of 1965* (HEA).

The *Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act* (Clery Act) became part of the HEA following the rape and murder of college freshman Jeanne Clery in her dorm room in 1986. The Clery Act was enacted under the belief that awareness of crime could prevent campus victimization. According to the Clery Act, if an institution participates in the Title IV financial aid program, it needs to disclose crime statistics and security information and provide timely warnings of crimes that threaten the safety of the campus community.

Statistics are compiled for the following crimes: murder, rape, robbery, aggravated assault, burglary, motor vehicle theft. Information is also gathered for any crimes the manifest evidence of a hate crime. Hate crimes are those crimes that manifest evidence that the victim was intentionally selected because of the victim's race, gender, religion, sexual orientation, ethnicity/national origin or disability. On March 7th, 2013, President Obama signed the *Violence Against Women Reauthorization Act of 2013* (VAWA), which amended the Clery Act and requires institutions to compile statistics for incidents of dating violence, domestic violence, sexual assault, and stalking and to include certain policies, procedures, and programs pertaining to these incidents in their annual security reports.²

In addition, the Campus Fire Safety Right-to-Know Act of 2007 amends the HEA to require institutions that maintain on-campus student housing facilities to publish an annual fire safety report that contains information about campus fire safety policies, practices, and statistics.

As required by law, each year the Seminary provides statistical data to the U.S. Department of Education on those crimes that transpire on, or in the immediate vicinity of the campus and any properties under the Seminary's control. These crime statistics are then combined with fire statistics for student residential facilities and published along with the Seminary's Campus Safety Policy. The Seminary distributes the resulting Annual Campus Security & Fire Safety Report to the school community both online and through email. In compliance with the Clery Act, VAWA, and Campus Fire Safety Right-to-Know Act, this 2020 Annual Security & Fire Safety Report includes data from the three most recent calendar years (2017, 2018, and 2019).³

A. Clery Geography

According the Clery Act, **on-campus** geography includes not only the chapel, office, library, student lounge, and classroom buildings, but Westminster Village, as it is "within the same reasonably contiguous geographic area and used by the institution in direct support of, or in a manner related to, the institution's educational purposes."⁴ The

¹ Eight two-story apartment buildings contain 64 apartments ranging in size from 1-3 bedrooms.

² The full text of the Clery Act and VAWA can be found in [79 FR 62751-62790](#) (34 CFR 668, Doc. No. 2014-24284).

³ 2018 was the first year Westminster Seminary California had on-campus residential facilities.

⁴ The U.S. Department of Education, Office of Postsecondary Education, *The Handbook for Campus Crime Reporting, 2016 Edition* (Washington, D.C.: 2016), 2-2. Cf. 34 CFR 668.46(a).

report discloses separately the total crimes that occurred on campus, including crimes that occurred in student housing facilities, as well as the number of crimes that occurred in student housing as a subset of the total.

Non-campus buildings or property include:

Any building or property owned or controlled by a student organization that is officially recognized by the institution; or any building or property owned or controlled by an institution that is used in direct support of, or in relation to, the institution's educational purposes, is frequently used by students, and is not within the same reasonably contiguous geographic area of the institution.⁵

There is no **public property** within the campus. Portions of the Bear Valley Parkway and Boyle Avenue thoroughfares lie adjacent to campus and have been included in the reported crime data. Despite the presence of a permanent barrier separating the Seminary campus from the public sidewalks and streets, "students frequently ignore, overcome, or even use it to gain access to public property."⁶

3. CAMPUS SAFETY & SECURITY PROCEDURES

A. Overview

The campus is secured with a coded/remote access gate. A full and segmented electronic security system allows the library and the student lounge to remain open for use in the evenings and on Saturdays while the rest of the campus is secured. The front parking lot, inner campus, and Village are well lit. The campus community is encouraged to use common sense safety measures, such as locking transportation vehicles and offices, not leaving valuables unattended, being aware of the locations of the fire extinguishers and well-marked emergency exits, and reporting suspicious activity.

B. Campus Security Authorities

The Seminary's Primary Emergency Officers (PEOs) are responsible for responding to reports of crime and other emergencies that threaten campus safety and security, assisting victims, and investigating alleged sexual offenses between two members of the WSC community. The Seminary's PEOs are:

- **Dr. Ryan Glomsrud**, *Interim Academic Dean*
rglomsrud@wscal.edu | 617-360-1896
- **Rev. Chuck Tedrick**, *Dean of Students*
ctedrick@wscal.edu | 970-405-1269

Both can also be reached during business hours by calling the Front Office at (760) 480-8474.

General campus maintenance and safety hazard prevention is the responsibility of the Vice President for Administration, Dr. Marcus McArthur (mmcarthur@wscal.edu). Burned out or broken security lights or other campus hazards should be reported to the Front Office Assistant. **Suspicious activity and criminal infractions should be reported in a timely manner to any of the PEOs.** The Seminary provides confidentiality and does not require reporting crimes to the local police. In other words, you may report a crime to the PEO's on a voluntary, confidential basis. These crimes will appear in the annual disclosure of crime statistics.

C. Emergency Response and Evacuation

The Seminary's Primary Emergency Officers (PEOs, see section 3.B above) are responsible for responding to reports of crime and other emergencies that threaten campus safety and security, assisting victims, and investigating alleged sexual offenses between two members of the Seminary community.

PEOs are registered with the local police and receive direct communication of local emergencies, crimes, etc. Suspicious activity and criminal infractions should be reported in a timely manner to any of the PEOs. The Seminary provides confidentiality and does not require reporting crimes to the local police.

When campus safety is threatened, the following policies and procedures will determine our response.

1. General Emergency Response

For all life/property threatening emergencies dial 911 and provide our location:

1725 Bear Valley Parkway
Escondido, 92027

If the emergency occurs at or near student housing provide the address of the apartment building. When calling emergency personnel, stay on the line until all requested information is provided. People at the scene of an emergency must determine the basic incident facts (who, what, when, where, and how).

The Front Office Assistant should then be called at x100 – the FOA will immediately contact the Primary Emergency Officers (PEO). A PEO will then coordinate an appropriate response with local authorities (police, fire department, medical personnel, etc.).

2. Imminent Threat to Campus Security

WSC will issue “timely warnings” to students, faculty, and staff via email should the administration determine that a threat to personnel exists.

A. When campus is open:

1. In the event of an emergency situation during normal operating hours, whether class is in session or not, the front office assistant under the direction of one of the administrative officers shall utilize the “All Page” function of the phone system (dial 192) to notify all personnel on campus of the threat and recommended response.
2. An email shall be sent to the listserv stating the nature of the emergency and advising further action.
3. After the close of the administrative offices during the academic year, this responsibility will shift to the circulation desk of the library.

B. When campus is closed:

1. IT personnel shall alter the message on the main phone stating the emergency and advising further action.
2. An email shall be sent to the listserv stating the nature of the emergency and advising further action.

3. Evacuation of Buildings

In the event of a fire in one of the buildings, evacuate to either the back parking lot farthest from the buildings, or down to the orchard/sidewalk outside of the front gates. Unless otherwise directed, do not attempt to drive off campus as this may prevent the timely response of the emergency response vehicles.

4. Non-Emergency Response

Report the security event to a PEO in a timely manner (if the event is reported to someone other than a PEO, that person is responsible for notifying the PEO). The PEO will then assist in contacting the police or medical authorities. A written report within 72 hours must be filled out for the Seminary, with assistance of the PEO.

5. Sexual Offense or Other Crime between Two Seminary Community Members

Criminal allegations of any kind will be investigated by the PEO with input from the Academic Dean. If the Dean is accused of the offense, the Seminary President will provide the input. A disciplinary proceeding will follow, both the accuser and the accused having the right to be present, and both the accuser and the accused will be notified of the outcome. An outcome of guilty will subject the offender to appropriate disciplinary and/or corrective measures commensurate with the seriousness of the offense and relevant circumstances, up to, and including, termination of employment and/or academic expulsion.

6. Testing of Procedure

Each year WSC shall review emergency response policies and procedures along with all notification systems.

D. Campus Policies

- **Firearms.** Only licensed law enforcement officials are permitted to possess firearms on campus.
- **Tobacco.** Smoking is prohibited inside buildings owned or leased by the Seminary.
- **Alcohol.** Alcoholic beverages and their consumption are prohibited on campus.
- **Drugs.** Please refer to the Student Handbook or the Faculty Handbook for WSC's Substance Abuse Policy. The Seminary will cooperate fully with local police in prosecuting offenders who possess, use, or sell illicit drugs on campus.
- **Sexuality.** Westminster Seminary California believes that sexual union must be reserved for marriage, which is the covenant union between one man and one woman, and that sexual abstinence is required for the unmarried. The Seminary believes premarital, extramarital, and homosexual forms of explicit sexual conduct to be inconsistent with the teaching of Scripture. Consequently, the Seminary expects all members of its community—students, faculty, administrators/managers, staff, and trustees—to abstain from what it holds to be unbiblical sexual practices.

Appropriate disciplinary action will also be taken by the Seminary for any violations of policy.

E. Voluntary, Confidential Reporting Procedures

Pastoral and professional counselors are encouraged, if and when they deem it appropriate, to inform the persons they are counseling of any procedures to report crimes on a voluntary, confidential basis for inclusion in the annual disclosure of crime statistics. Readers are directed to sections 4.J, 4.K, and 4.O for more information regarding pastoral and professional counselors and other resources.

4. POLICY AGAINST SEXUAL MISCONDUCT

A. Campus Policy

At Westminster Seminary California we believe that men and women of God are suited for Christian service by moral character as well as by academic achievement and spiritual gifts. Among their qualifications should be compassion for individual persons, sensitivity to the needs of the communities of which they are a part, a commitment to justice, a burden that the whole of God's will be obeyed on earth, personal integrity, a desire for moral growth, and mutual accountability. Students and employees at Westminster Seminary California are expected to exhibit these moral characteristics.

The behavioral standards of Westminster Seminary California are guided by an understanding of Scripture and a commitment to its authority regarding all matters of Christian faith and living. These moral standards encompass every area of life, but prevailing confusion about specific areas leads the community to speak clearly about them. Students receiving training in a discipline for which there are professional ethical standards are subject to those as well. Enrollment in or employment by Westminster Seminary California includes a commitment by each individual to adhere to all of the Seminary's published policies and ethical and behavioral standards. These Community Standards may be found at:

- http://wscal.edu/media/docs/CurrentStudents_Student_Handbook.pdf

B. Applicable Federal Law

As an educational institution, Westminster Seminary California also recognizes its legal obligations in regard to Title IX, the Campus Sexual Violence Elimination Act, and the Clery Act. This policy of Westminster Seminary California ("Seminary") addresses the requirements of Title IX of the Education Amendments of 1972 ("Title IX"), a federal law prohibiting discrimination based on gender in federally-funded education programs and activities. Title IX states as follows:

No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance.

Programs and activities that may be included are admissions, recruitment, financial aid, academic programs, athletics, housing, and employment. Title IX also protects men and women from unlawful sexual harassment in school programs and activities. Under Title IX, discrimination on the basis of sex can include sex discrimination, sexual harassment, sexual assault, sexual violence, and sexual exploitation (as those terms are defined below). Title IX prohibits sex discrimination in both the educational and employment settings.

This policy also addresses the requirements of the Campus Sexual Violence Elimination Act, or Campus SaVE Act (SaVE), a 2013 amendment to the federal Jeanne Clery Act. The SaVE Act addresses sexual violence in the form of sexual assault, domestic violence, dating violence, and stalking. For the purpose of this policy and the Seminary's handling of such matters, "Title IX" includes the concerns of the Campus SaVE Act.

C. Policy

Westminster Seminary California is committed to providing and modeling a learning, working, living, and community environment free of discrimination on the basis of sex, which includes all forms of sexual misconduct. Sexual misconduct includes sex discrimination, sexual harassment, sexual assault, and all forms of sexual violence. Sexual misconduct can be committed by men or women and it can occur between people of the same or different sex. The Seminary considers sexual misconduct in any form to be a serious violation of the Christ-like conduct expected from all members of its community.

This policy applies to any on-campus conduct and any off-campus conduct that affects the learning experience of students or working experience of employees or the campus climate. This policy applies to all Seminary students, faculty, administrators, and staff, to other members of the Seminary community, and to contractors, consultants, and vendors doing business or providing services to the Seminary. Violation of the policy against sexual misconduct will result in disciplinary actions, which could include, but is not limited to, probationary status, academic suspension or expulsion, or employment suspension or termination. Seminary discipline is in addition to penalties that may be imposed by state or federal law, which could include imprisonment or financial fines.

D. Sexual Misconduct Definitions

1. Sex Discrimination is:

- a. Making a distinction in favor of, or against, a person on the basis of sex rather than on individual merit;
- b. In an educational setting, making a distinction on the basis of sex that deprives a person of the ability to participate in or benefit from the Seminary's education program or activities.

2. Sexual Harassment is:

Unwelcome sexual advances, requests for sexual favors, and other verbal, visual, or physical conduct based on sex or of a sexual nature, up to and including sexual assault, constitute sexual harassment when one or more of the following apply:

- a. submission to such conduct is made either explicitly or implicitly a term or condition of instruction, employment, or participation in other Seminary activity;
- b. submission to or rejection of such conduct by an individual is used as a basis for evaluation in making any academic or employment decision affecting that individual;
- c. such conduct has the purpose or effect of unreasonably interfering with an individual's performance or participation in instructional, employment-related, or other Seminary activity; or
- d. such conduct has the purpose or effect of creating an intimidating, hostile, or offensive academic or work environment from the standpoint of a reasonable person of the same sex as the individual affected.

Examples of sexual harassment include, but are not limited to, unwelcome sexual advances, repeated propositions or requests for a sexual relationship to an individual who has previously indicated that such conduct is unwelcome, or sexual gestures, noises, remarks, jokes, questions, or comments about a person's gender, sexuality or sexual experience. Sexual harassment may consist of repeated actions or may even arise

from a single incident if sufficiently extreme. The complainant and the respondent (the person alleged to have committed the misconduct) may be of either gender and need not be of different genders.

3. Sexual Assault/Sexual Violence is:

A particular type of sexual harassment that includes non-consensual sexual contact, non-consensual sexual intercourse, rape, or other physical sexual acts perpetrated against a person's will or where a person is incapable of giving consent. Sexual assault/sexual violence includes, but is not limited to, physical assaults of a sexual nature, such as rape, sexual assault, sexual battery, domestic violence, dating violence, stalking, or attempts to commit these acts.⁹

4. Non-Consensual Sexual Intercourse is:

- a. any sexual penetration or intercourse (anal, oral or vaginal),
- b. however slight,
- c. with any object,
- d. by a person upon another person,
- e. that is without consent and/or by force.

Note: "Sexual intercourse" includes vaginal or anal penetration by a penis, object, tongue, or finger, and oral copulation (mouth to genital contact or genital to mouth contact), no matter how slight the penetration or contact.

5. Non-Consensual Sexual Contact is:

- a. any intentional sexual touching,
- b. however slight,
- c. with any object,
- d. by a person upon another person
- e. that is without consent and/or by force.

Note: "Sexual contact" includes intentional contact with the breasts, buttock, groin, or genitals, or touching another with any of these body parts, or making another touch you or themselves with or on any of these body parts; or any other intentional bodily contact of a sexual manner, including the nonconsensual touching of a person's intimate parts, or the clothes covering the immediate area of those parts, or forcing a person to touch another's intimate parts.

6. Sexual Exploitation

Refers to a situation in which a person takes non-consensual or abusive sexual advantage of another, and situations in which the conduct does not fall within the definitions of Sexual Harassment, Non-Consensual Sexual Intercourse or Non-Consensual Sexual Contact.

⁹ The harassing conduct based on sex or gender must also be sufficiently severe, pervasive or persistent, or objectively offensive to be considered sexual harassment.

Examples of sexual exploitation include, but are not limited to:

- a. Invasion of sexual privacy,
- b. Prostituting another student,
- c. Non-consensual recording, broadcasting sexual activity, including redistribution of pictures, video, or audio,
- d. Going beyond the boundaries of consent (such as letting your friends hide in the closet to watch you having consensual sex),
- e. Engaging in voyeurism,
- f. Knowingly exposing another to an STD or HIV,
- g. Exposing one's genitals in non-consensual circumstances or inducing another to expose their genitals,
- h. Sexually based stalking and/or bullying, including cyber-stalking and/or cyber-bullying, may also be forms of sexual exploitation.

E. Statement on Consent¹⁰

- 1) Consent is knowing, voluntary, and clear permission by word or action, to engage in mutually agreed upon sexual activity. Since individuals may experience the same interaction in different ways, it is the responsibility of each party to make certain that the other has consented before engaging in the activity. For consent to be valid there must be a clear expression in words or actions that the other individual agreed to that specific sexual conduct.
- 2) A person cannot consent if he or she is unable to understand what is happening or is disoriented, helpless, asleep, or unconscious for any reason, including due to alcohol or other drugs, including so-called "date rape" drugs. An individual who engages in sexual activity when the individual knows, or should know, that the other person is physically or mentally incapacitated has violated this policy.
- 3) Incapacitation is defined as a state where someone cannot make rational, reasonable decisions because they lack the capacity to give knowing consent (e.g., to understand the "who, what, when, where, why or how" of their sexual interaction). This policy also covers a person whose incapacity results from a mental or developmental disability, involuntary physical restraint, and/or from the taking of incapacitating drugs.
- 4) Consent to some sexual contact (such as kissing or fondling) cannot be presumed to be consent for other sexual activity (such as intercourse). A current or previous dating relationship is not sufficient to constitute consent. Silence or the absence of resistance alone is not consent.
- 5) A person can withdraw consent at any time during sexual activity by expressing in words or actions that he or she no longer wants the act to continue, and, if that happens, the other person must stop immediately.
- 6) A minor below the age of consent according to state law cannot consent to sexual activity. This means that sexual contact by an adult with a person below the age of consent is a crime as well as a violation of this policy, even if the minor appeared to have wanted to engage in the act.

¹⁰ [California Penal Code 261.6](#) defines consent "to mean positive cooperation in act or attitude pursuant to an exercise of free will. The person must act freely and voluntarily and have knowledge of the nature of the act or transaction involved.... A current or previous dating or marital relationship shall not be sufficient to constitute consent where consent is at issue in a prosecution."

F. Statement on Force

- 1) Force is the use of physical violence and/or imposing on someone physically to gain sexual access. Force also includes threats, intimidation (implied threats) and coercion that overcome resistance or produce consent (“Have sex with me or I’ll hit you. Okay, don’t hit me; I’ll do what you want.”)
- 2) Coercion is unreasonable pressure for sexual activity. Coercive behavior differs from seductive behavior based on the type of pressure someone uses to get consent from another. When someone makes clear to you that they do not want to go past a certain point of sexual interaction, continued pressure beyond that point can be coercive.

In some situations such as date rape, the victim may fear being blamed or disciplined if he or she has violated any community standards, for example, if he or she had been drinking on campus. However, the Office of the Title IX Administrator is committed to sensitive and fair handling of such situations with healing, safety of others, and justice as primary concerns. There will be accountability for sexual assault or misconduct, not the violation of community standards, in particular alcohol, on the part of the victim. The seriousness of sexual misconduct is the greater concern and the Seminary does not want the circumstances (i.e., drug or alcohol use) to inhibit the reporting of sexual misconduct.

G. Guidance on Reporting

Westminster Seminary California encourages those who have experienced any form of sex discrimination/sexual misconduct to report the incident promptly, to seek all available assistance, and to pursue Seminary conduct violation charges and criminal prosecution of the offender. WSC takes complaints very seriously and will work with victims to ensure their safety as much as possible and to remedy the situation. The Seminary will fully cooperate with the police in any related investigation and reserves the right to commence its internal complaint resolution procedures prior to the completion of any police investigation.

Complaints may be filed with a Title IX Coordinator or any Seminary employee identified as a mandatory reporter. All sexual misconduct complaints made to mandatory reporters will be reported to a Title IX Coordinator.

H. Complaint Resolution Procedure

All incidents of sex discrimination, including sexual misconduct or retaliation, should be reported. The Title IX Coordinator will provide for the adequate, reliable, and impartial investigation of all complaints.

I. Title IX Coordinators

Mark MacVey, *Vice President for Enrollment Management*
mmacvey@wscal.edu | (760) 480-8474 x106

Ryan Thomas, *Registrar & Director of Institutional Research*
rthomas@wscal.edu | (760) 480-8474 x108

The Title IX Coordinators are the individuals designated with responsibility for providing education and training about discrimination, harassment, and sexual misconduct to the Seminary community and for receiving and

investigating reports and complaints of discrimination, harassment, and sexual misconduct in accordance with this policy. The Title IX Coordinator is authorized to designate other appropriately trained individuals to receive and investigate reports and complaints of discrimination, harassment, and sexual misconduct as deemed appropriate at his/her sole discretion. Questions about Title IX can be directed to the Title IX Coordinator or to the Office of Civil Rights of the U.S. Department of Education (<http://www2.ed.gov/about/offices/list/ocr/index.html>).

J. Mandatory Reporters

All staff and faculty are mandatory reporters, including community coordinators. A mandatory reporter must report all allegations of sexual misconduct to a Title IX Coordinator.

K. Non-Mandatory Reporters

Students, faculty, and staff may wish to seek confidential assistance in dealing with a Title IX violation. The Seminary has identified the following employees who will maintain confidentiality under the professional license or professional ethics necessary for performing their employed role at the Seminary:

Rev. Chuck Tedrick, *Dean of Students*
ctedrick@wscal.edu | 970-405-1269

L. Interim Protective Measures

The Seminary reserves the right to suspend or place on immediate administrative leave any member of the campus community accused of violating this policy, or to take any other interim measures the Seminary deems appropriate, pending the outcome of an investigation and/or disciplinary proceedings. Such interim measures can include, but are not limited to, placing an employee on paid or unpaid administrative leave, removing a student from campus housing and/or current classes, modifying course schedules, and issuing a “no contact” order, among many other remedies.

M. Retaliation Prohibited

Fear of retaliation should not hinder the reporting of an alleged violation(s) of sexual misconduct. The Seminary strictly prohibits retaliation against a member of the Westminster community who opposes the practices prohibited by this policy against sexual misconduct, who brings forth a complaint, against whom a complaint is brought, or who otherwise is a participant in a complaint resolution process. Such prohibited retaliatory conduct includes, but is not limited to, reducing a student's grade, decreasing an employee's pay, or downgrading a person's performance evaluation. Retaliatory conduct will be considered a violation of Seminary policy, and anyone who violates this policy against retaliation will be independently disciplined by the Seminary, up to and including possible termination of student status (expulsion) and/or termination from employment.

This policy against retaliation applies to all members of the Seminary community, including students, authorized student organizations, faculty, administrators/managers, staff-level employees, and trustees. This policy may also be applicable to complaints deemed to have been submitted without merit and for a retaliatory purpose.

N. Investigation/Procedures

The Grievance Policy & Procedure will be followed with the following additional provisions:

1. The investigation of a sexual misconduct allegation may proceed whether or not a related criminal matter is pending.
2. In accordance with federal regulations, Westminster will complete investigations within a 60-day time period.
3. Both parties will be provided periodic updates during the complaint resolution process.
4. Both parties will be advised in writing of the outcome of a complaint, at the same time, once a decision has been reached.
5. Allegations of sexual assault will not be resolved by mediation.
6. The standard used to determine whether this policy has been violated is whether it is more likely than not that the respondent violated this policy. This is often referred to as a “Preponderance of Evidence” standard.
7. Both parties may have an advisor of their choice present during the investigation process.

As time passes, evidence of a sexual violence incident may dissipate or become lost or unavailable, thereby making investigation, possible prosecution, disciplinary proceedings, prosecution or obtaining a protective order related to the incident more difficult. Adult victims who wish to have physical evidence collected pursuant to a sexual assault incident, but do not wish to have law enforcement investigate the incident, may have this evidence collected at one of the adult Sexual Assault Response Team (SART) facilities in San Diego County. There is no cost to the victim for this service. Adult victims may present by a variety of methods including: a phone call to a sexual assault / domestic violence hotline; a phone call to 911; or by a report to a medical professional or facility. To ensure consistent quality of care and proper collection of evidence in all cases, these individuals will be referred to the San Diego County DV Hotline (888-385-4657).

Individuals will be counseled on their options for reporting of the incident and directed to a SART facility for an exam and collection of physical evidence. Patients who chose the non-investigative reporting option will be responsible for their own transportation to the SART facility if they do not want law enforcement involvement. The evidence will be kept by the appropriate law enforcement agency for a period of 18 months from the date of the exam. Should the patient later decide to proceed with a criminal justice system investigation, the SART facility will notify the law enforcement agency with jurisdiction of the incident and the appropriate advocacy agency. The victim will be notified that they will be contacted by law enforcement and examination of physical evidence may proceed at this time. Should the patient/victim not initiate an investigative report during this time period the evidence will be destroyed per agency guidelines.

Regardless of whether a victim elects to pursue a criminal complaint or whether the offense is alleged to have occurred on or off campus, a representative from the University will help guide the victim through the available options and support and provide a written explanation of their rights. The California Victim’s Bill of Rights (Marsy’s Law) provides certain enumerated rights to justice and due process to crime victims. “Victim” as used in the California Constitution is defined as “a person who suffers direct or threatened physical, psychological, or financial harm as a result of the commission or attempted commission of a crime or delinquent act. The term ‘victim’ also includes the person’s spouse, parents, children, siblings, or guardian, and includes a lawful representative of a crime victim who is deceased, a minor, or physically or psychologically incapacitated. The California Victims’ Bill of Rights can be viewed at: http://oag.ca.gov/victimservices/content/bill_of_rights.

P. Awareness and Educational Programs

To promote awareness of the incidence of sex offenses and to guide responses if a sex offense does occur, the Seminary provides materials and administrative responses through the departments of Student Life, Human Resources, and the Office of the Title IX Administrator.

During orientation programs, incoming students, faculty, and staff are provided with the locations of information, including the Student Handbook, Staff & Faculty Handbook, which describe Seminary policies and procedures for dealing with reports of sexual misconduct, including sexual assault, sexual violence, and sexual harassment. These procedures are presented in the Seminary's Behavioral Standards. Additional training and awareness programs and campaigns will also be provided.

The Seminary believes that our community should not only seek to prevent injustices but to pursue purity and love for our neighbors. True change comes by the work of the Holy Spirit through the Gospel of Jesus Christ. For this reason, all members of the community are encouraged to participate in the weekly chapel programs and prayer groups.

D. Procedures for Evacuations in Westminster Village

Each apartment is outfitted with fire sprinklers in the ceiling that will activate in the case of a fire. Please also note the location of fire extinguishers in each building. If you have any questions related to proper use of a fire extinguisher, contact the Housing Manager. If a fire alarm goes off due to smoke not related to a fire, open windows in order to dissipate the smoke. Useful resources for fire preparedness are available online at www.nfpa.org, www.redcross.org, and www.usfa.dhs.gov.

- 1) In the event of a fire, exit the building immediately. Do not attempt to save possessions. If smoke, heat, or flames block your exit route, close yourself in a room with an exterior window, place a towel under the door, and open the window. If exiting through the window is not possible, call 911 immediately and tell the dispatcher where you are located. If necessary, crawl under smoke to a safe exit from the building while covering your mouth.
- 2) Once outside, assemble to an open area, such as a parking lot in Westminster Village or main campus if possible. Keep streets, fire lanes, hydrants, and walkways clear for emergency vehicles.

- 3) Do not touch the fire sprinklers under any circumstances. Besides being essential for your safety, the sprinklers, if improperly used, can cause extensive damage for which you may be liable.
