Do you believe the gospel of Jesus Christ? Do you want to understand the Bible more deeply and faithfully? Do you desire to serve Christ and his church? If your answer is “yes,” then Westminster Seminary California (WSC) is an excellent place for you. Here you will discover a community of faith and study, of fellowship and prayer. At WSC, you will find an encouraging place to reflect on and prepare for your calling from Christ.

We hope that this catalogue will help you get to know us better. As you look through it, you may want to notice, in particular, our commitments, our faculty, our programs, and our facilities.

We are committed to the gospel of Christ as taught by the inerrant Scriptures and as summarized in our Reformed confessions of faith.

Our faculty is outstanding. Each member is an experienced pastor and an excellent teacher. They are active in their churches and committed to helping students in and out of the classroom. Their academic credentials are impressive, and they are active in research and writing in their fields.

WSC offers two primary programs of study. First is the three-year Master of Divinity program. This program is carefully designed to prepare men for the ordained pastoral ministry. Second is the two-year Master of Arts program. With concentrations in biblical, theological and historical theological studies, it encourages women and men to pursue their own interests in preparation for various kinds of service in Christ’s kingdom.

The photographs in this catalogue will give you a glimpse of the beauty and fine facilities of our campus. However, the catalogue cannot convey the warmth and abilities of our students nor the sense of community that we enjoy. We hope that you will visit us and experience for yourself the strengths of WSC.

Our prayer is that the Lord will use this catalogue to help you know his call for your life and future service. May the Lord bless you richly.

W. Robert Godfrey
President
Introduction

Westminster Seminary California exists to prepare experts in the Bible who glorify Christ, promote His Gospel and serve His Church. Through graduate theological study in the Reformed tradition, we provide students with the tools for a lifetime of studying and sharing God’s Word. Our rich educational heritage shapes the instruction and community which happens face-to-face on our campus in Southern California.

MISSION
Westminster Seminary California (WSC) is a Christian institution seeking to glorify God through graduate theological study. Its primary responsibility is to educate future pastors for Christian churches, especially for Presbyterian and Reformed denominations. It also provides theological education for others who will serve the Christian community and the larger society.

Westminster Seminary California offers instruction in biblical, theological, and ministerial disciplines to both men and women in order to help them develop intellectually and spiritually as leaders. While the primary focus at WSC is to educate and prepare men for ordained pastoral ministry, the Seminary also trains women and men who are preparing to serve Christ and his church in non-ordained vocations, so that the whole body of Christ may be enriched.

Because “zeal without knowledge” or “knowledge without zeal” can only injure the church, WSC seeks to develop in each student a balance of scholarship and Christ-like piety. Westminster Seminary California strives to maintain a community of Christian research and scholarship where the proper cultivation of the mind increases the devotion of the heart.

HISTORY
WSC traces its commitment to Reformed theological education back to the Reformation and especially to John Calvin's educational approach in his Genevan Academy. In America, that educational heritage was maintained at Princeton Theological Seminary in the 19th and early 20th centuries. Old Princeton was devoted to the inerrancy of Scripture, outstanding scholarship, fine academic education and service to the church in its preaching and missionary work. In 1929, when Princeton reorganized in order to tolerate theological liberalism, several members of the faculty (led by the distinguished scholar J. Gresham Machen) left Princeton to establish Westminster Theological Seminary in Philadelphia, Pennsylvania, with the purpose of preserving the educational heritage of Old Princeton and the scholarship and theology of the Reformation.

Westminster Seminary California began as a branch campus of Westminster in Philadelphia, and became fully independent in 1981. WSC established a campus with an extensive library, a comprehensive curriculum, and a full faculty of teachers who were both experienced pastors and experts in their academic fields. The first Reformed seminary in the western United States, WSC welcomed its first students in the fall of 1980 and now, thirty years later, remains committed to the inerrancy of Scripture, the gospel of Christ, and the importance of the church and her ministry. WSC thrives as a community of faith where the best of scholarship and piety are combined to serve Christ and the church. We are committed to the “whole counsel of God” (Acts 20:27) and we pursue a union of knowledge and zeal for the sake of Christ’s church.

Dr. Robert B. Strimple and Mr. Robert G. den Dulk shared in founding the Seminary in 1979. Dr. Strimple became the first president in 1982, overseeing the movement of the Seminary from its temporary home in San Marcos to its permanent campus.
in Escondido. In 1988, Dr. Strimple returned to full-time teaching and leadership and Mr. den Dutl became president, increasing the size and financial strength of the school. In 1995, Dr. W. Robert Godfrey, who joined the faculty in 1983 as Professor of Church History, became the third president of the Seminary.

**DOCTRINAL COMMITMENT**

The Scriptures of the Old and New Testaments, breathed out by the Spirit of God through human authors, are the very Word of God written—the only infallible and inerrant authority for faith and life.

The doctrines of the Christian faith, held by orthodox churches throughout the ages, express the central truths concerning the triune God and his works of creation and redemption, particularly as they confess the saving work of Jesus Christ as revealed in Scripture. The Reformed confessions (Westminster Confession and Catechisms, Heidelberg Catechism, Belgic Confession, and the Canons of Dort) are the fullest and most accurate summary of the system of doctrine revealed in Holy Scripture. The church is to be governed according to the principles of Presbyterian church polity, as agreeable to Scripture.

**STUDENT BODY**

Westminster Seminary California serves an evangelical and Reformed student body from over 35 denominations. WSC students come from 40 states and countries around the world. Graduates from WSC are serving Christ and his church in Singapore, the United Kingdom, Korea, Costa Rica, Spain, Philippines, Nigeria, Malawi, South Africa, Uganda, and other countries.

The Seminary’s location in southern California, near Mexico and accessible to the Asian nations of the Pacific Rim, allows the student body to reflect the ethnic diversity of the church throughout the world.

**ACADEMIC FREEDOM**

Because leaders confronted with complex issues in the church need to advance in scholarship, critical discernment, and spiritual maturity, WSC maintains a culture that encourages students in the exercise of academic freedom. Believing that intense study and rigorous thought should be an act of spiritual devotion, Westminster Seminary California seeks to become a community of scholar-servants who love God with all their minds and hearts, and who love others for his sake.

**ACCREDITATION**

Westminster Seminary California is an accredited school of theology at the graduate level, authorized by the state of California to grant graduate theological degrees upon recommendation of the faculty and by the authority of the Board of Trustees.

Westminster Seminary California is accredited by the Accrediting Commission for Senior Colleges and Universities of the Western Association of Schools and Colleges, 985 Atlantic Ave., Suite 100, Alameda, California 94501, phone: 510.774.9001.

WSC is also accredited by the Commission on Accrediting of the Association of Theological Schools in the United States and Canada, 10 Summit Park Drive, Pittsburgh, Pennsylvania 15275, phone: 412.788.6500, fax: 412.788.6510, website: www.atanet.edu, which has approved the Master of Divinity degree and Master of Arts (MDiv, MA) degree programs.

ATS and WASC are recognized by the U.S. Department of Education. WSC is approved for the Veterans Administration’s educational benefits, and Title IV Federal Student Loans. The Seminary is also authorized under Federal law to enroll nonimmigrant alien students under approved F-1 status.

**NON-DISCRIMINATION POLICY**

Westminster Seminary California does not discriminate on the basis of race, age, color, national or ethnic origin, disability, or gender in the administration of its educational policies, admissions policies, services, or scholarship and loan programs.

WSC believes that men and women are equally created in the image of God and have distinct and complementary roles in the order of the family and the church. The Board and faculty understand the biblical criteria for ordained gospel ministry as limited to qualified men. Because the purpose of the Master of Divinity program is to prepare candidates for ordained pastoral ministry, only men are admitted to this program.

Since God bestows gifts and callings to non-ordained ministry to both women and men, both are encouraged to cultivate their gifts and enroll into any of the Master of Arts programs. Master of Arts students are eligible to receive financial aid and other services that WSC provides to its student body.

**LOCATE**

Located in beautiful, culturally-rich Escondido, and situated in north San Diego County, Westminster Seminary California is just minutes from the Pacific Ocean. The sunny beaches, Mediterranean climate, and countless attractions make this region a popular vacation destination.

The celebrated San Diego Zoo and San Diego Safari Park are in close proximity. The California Center for the Arts offers live performances ranging from classical symphonies to modern theater productions by internationally acclaimed artists. Downtown Escondido features quaint shops, antique car shows, and a weekly farmers’ market of fresh produce. North San Diego County also offers some of the top hospitals and medical facilities in the nation, including the Scripps Hospitals, Rady Children’s Hospital San Diego, and Palomar Medical Center.

As one of the nation’s fastest growing regions for biomedical and telecommunications industries, San Diego is on the cutting edge of science and technology. It is home to several first-class academic and research institutions, including the University of California at San Diego, Salk Institute, Scripps Institution of Oceanography, and Scripps Clinic. Since San Diego is one of the largest cities in the nation, the developing economy is also advantageous in affording exceptional employment opportunities for students.

**CHRISTIAN COUNSELING & EDUCATIONAL FOUNDATION (CCEF) PARTNERSHIP**

Since 1968, the Christian Counseling & Educational Foundation (CCEF) in Philadelphia, PA has trained God’s people in biblical counseling by exploring the rich wisdom of Scripture and applying it to the complexities of human life. In July 2011, Westminster Seminary California began a partnership with CCEF through which students admitted to a WSC Degree Program or as a Visiting Student may take select CCEF courses via distance education for elective credit toward their WSC degree program requirements.

The teaching faculty for these courses have been appointed to WSC adjunct faculty (See Adjunct Faculty and Course Descriptions for more information).

**INSTITUTE OF REFORMED BAPTIST STUDIES**

In 1997, the Association of Reformed Baptist Churches of America established the Institute of Reformed Baptist Studies (IRBS) to provide formal training for ministerial students. IRBS offers a challenging curriculum of theological, historical, and pastoral courses that complement the WSC Master of Divinity program to provide a comprehensive preparation for pastoral ministry in Reformed Baptist and other churches.

The faculty of IRBS subscribes to the system of doctrine contained in the Scriptures as summarized in the London Baptist Confession of Faith of 1689. Subordinate to the Word of God, this confessional standard is at the heart of the IRBS curriculum. Because the IRBS program is focused on pastoral preparation and is designed to complement the Seminary’s Master of Divinity curriculum, students must be accepted into the M.Div. program before they can be admitted to IRBS.

Master of Divinity Program

Evaluating candidates for official, ordained ministries of instruction and leadership in the church as pastors, evangelists, and teachers is the main purpose of the Master of Divinity degree program. It is designed to prepare ordained leaders who believe and love the Word of God, and who, therefore, strive to explore, communicate, and defend the depth and breadth of the instruction of the Scriptures for faith and life. Graduates should be able to interpret individual portions of Scripture accurately, to systematize data into a coherent and comprehensive theology, understanding the church’s historic reflection on the Word, and to apply this theology to the church and to individuals through preaching, witness, leadership, and spiritual nurture.

The curriculum is designed to prepare graduates to meet the requirements for ordination as ministers of the Word, particularly in Reformed and other evangelical denominations. Because the Seminary Board and Faculty understand the criteria set down in Scripture as limiting candidacy for official teaching and leadership ministry in the church to qualified males, only men are admitted to the Master of Divinity program. Women are encouraged to enroll in any of the Master of Arts programs.

The Master of Divinity Program is designed to prepare ordained leadership in the church as pastors, evangelists, and teachers of the Word, especially in Presbyterian and Reformed denominations. The Student Learning Outcomes for the Master of Divinity degree are as follows:

3. Demonstrates an understanding of Reformed theology and the systematic interconnections of biblical doctrines.

4. Demonstrates understanding of systematic theology and the systematic interconnections of biblical doctrines.

5. Exhibits and / or reports growing integrity, teachability, humility, perseverance, self-discipline.

Prospective students who schedule a visit to Westminster Seminary California (including but not limited to “Seminary for a Day”) and later enroll as full-time WSC as a student generally require the following: due to the financial burden that travel costs may place on prospective students, in some cases, WSC may provide a portion of the travel assistance grant to students during their visit. Students who are strongly considering attending WSC and desire to visit but lack the financial means to do so should contact the Vice President of Enrollment for more information.

GENERAL ADMISSIONS REQUIREMENTS AND PROCEDURES
Applications for admission to Westminster Seminary California’s academic programs are evaluated on the basis of the applicant’s academic preparation and potential for successful completion of program requirements. Admission to WSC as a student generally requires the following:

- The successful completion of a Bachelor’s degree (B.A./B.S.) at an accredited institution of higher learning. (See the information regarding the “Special Student Program” or “Graduates of Unaccredited Institutions” below for exceptions to this requirement.)
- A minimum cumulative undergraduate GPA of 2.7
- Satisfactory completion of all application requirements, including a signed application with Application Fee and personal essay, submission of all academic transcripts, and acceptable academic and ecclesiastical reference forms
- (International Students Only) Sufficient evidence of English language proficiency evidenced by a minimum score on the Test of English as a Foreign Language (TOEFL) as outlined below Application Procedure

The following steps are required to complete the Application for Admission for Westminster Seminary California’s degree programs (M.A. or M.Div.) under normal circumstances. In addition to the information in this section, please review the additional requirements outlined in the following sections, if they apply to you:

1. WSC Application for Admission and Essay
   Complete the WSC Application for Admission and Essay. The application form may be obtained and submitted in the following ways:
   - Apply via our online application at www.wscal.edu/admissions/apply.
   - Download and print the application to complete and mail to the Office of Admissions.
   - Call the Office of Admissions toll free at 888.480.8474 or e-mail us at admissions@wscal.edu to request an application package to complete and submit by mail.

   The application form and essay provide helpful information for the Admissions Committee to evaluate each applicant fairly. The Application for Admission should be filled out in a complete and accurate manner and must include the applicant’s signature on the last page to avoid delays in processing. Each application must include a nonrefundable Application Fee of $50. Online applicants will be asked to pay via Visa or MasterCard after they have submitted the application. Applications will not be processed without the Application Fee.

2. Academic and Ecclesiastical References
   The Academic and Ecclesiastical Reference Forms are available to download on our website at www.wscal.edu/admissions or via mail by contacting the Office of Admissions at 888.480.8474 or email to admissions@wscal.edu

   The purpose of the Academic Reference is to evaluate an applicant’s academic ability and the likelihood that the applicant can successfully meet Westminster Seminary California’s academic requirements. This form should be completed by a professor at the undergraduate or graduate level under whom the applicant completed coursework. In extraordinary cases, with prior approval from the Office of Admissions, an academic essay may be submitted in lieu of the Academic Reference if a suitable person cannot be found to complete the form. The essay must be typed, 500–1,000 words in length (excluding footnotes), on a topic of the applicant’s choosing. The essay must be well written with a clear thesis, and must interact with at least three published sources (not including Internet sources). Applicants are advised to follow the academic format style found in Kate L. Turabian, A Manual for Writers of Term Papers, Theses, and Dissertations (7th Edition) (Chicago University Press, 2007).

   The purpose of the Ecclesiastical Reference is to evaluate an applicant’s spiritual fitness for seminary studies and information regarding ministerial calling. This form should be completed by a pastor/elder from the church of which the applicant is a member in good standing. If a suitable person is not available at the applicant’s church or an applicant feels that it is preferable to have the reference completed by a

Pastor/elder from a church of which the applicant is not a member, an explanation must be submitted to the Office of Admissions with the completed reference form.

3. Official Transcripts

Official transcripts (sealed) of all academic work beyond degree program. An official transcript showing the attainment of a degree program. This includes a transcript from each college or undergraduate school at which academic credit was earned, whether the credit was transferred to another institution or not. An official college transcript is one that is received by WSC directly from the issuing college or university or is transferred to WSC by the applicant in a sealed envelope. Each transcript must bear the college seal, current date, and an appropriate signature. Transcripts received that do not meet these requirements will not be considered official.

The Application for Admission will not be processed until all academic transcripts are received. Admission may be granted on a conditional basis if an applicant is in the process of completing the final year of an undergraduate degree program. An official transcript showing the attainment of a B.A./B.S. degree or its academic equivalent must be submitted before the student is allowed to begin courses at WSC.

Applicants to the Master’s programs at WSC are ordinarily required to hold a Bachelor’s degree (B.A./B.S.) or the educational equivalent from an accredited college or university. (For exceptions to this policy, see the information below regarding “Grades of Unaccredited Institutions” and the “Special Student Program.”)

On a case-by-case basis the Admissions Committee may determine that an applicant holds the educational equivalent of a Bachelor’s degree from an accredited institution if he/she fulfills all of the following criteria:

- Has completed at least 30 semester hours (45 quarter hours) of post-secondary course work in accredited educational institutions, including courses providing a degree of mastery in such disciplines as English composition and literature, history, philosophy, natural sciences, social sciences, ancient and modern foreign languages, and Bible.
- Has earned a Master’s or higher degree from an accredited institution; and
- Has completed at least 36 semester hours of upper division and/or graduate course work in a particular discipline or set of related disciplines, providing depth and breadth of exposure to a specific subject area comparable to a baccalaureate "major.”

While it is not possible to prescribe one pattern as normative for pre-seminary education, a degree of mastery in the following areas is recommended: English composition and literature, history, philosophy, natural sciences, social sciences, languages (ancient, classical and/or modern), and English Bible.

Additional Evidences

Typically the Admissions Committee will grant or deny admission on the basis of the information identified above. In particular circumstances, however, the committee may request one or more of the following items as evidence that an applicant is prepared for graduate theological study:

- Meeting with the Vice President of Enrollment or Academic Dean for a personal interview.
- Submission of scores for the Graduate Record Examination (GRE). The applicant must take the GRE General Test and obtain scores at or above the 50th percentile in the verbal and analytical writing sections (the quantitative section is not necessary).
- Applicants should request that the Educational Testing Service send GRE test results directly to Westminster Seminary California [school code: 48672]. More information about the GRE is available at www.gre.org.
- Samples of undergraduate course work showing the quality of an applicant’s previous academic work.
- An additional Academic or Ecclesiastical Reference. Completed application forms, references, and transcripts should be submitted to: Westminster Seminary California, Attn: Office of Admissions, 1735 Bear Valley Parkway, Escondido, CA 92027.

ADMISSIONS POLICIES

Admission Deadlines

Applications for admission to Westminster Seminary California are accepted on a rolling basis for the following academic years:

- Newly admitted students who register after July 1 for the summer term/fall semester or December 15 for the winter term/spring semester may be charged a $50.00 late registration fee. While it is recommended that completed applications be submitted well in advance of the anticipated date of enrollment, applications are accepted and processed through the first day of each academic term designated in the Academic Catalogue. It is recommended that students who intend to apply for financial aid complete the application process by April 1 for the fall semester and November 1 for the spring semester in order to receive priority consideration for scholarships and grants.

Notification of Admission Decision

Completed applications for admission will be reviewed by the Admissions Committee within one week of their completion. The Office of Admissions will notify the applicant of the committee’s decision by phone or email as soon as it is made, followed by an official letter by mail within two weeks of the admission date.

Conditional Admission

Potential students who have not completed their B.A./B.S. degree are welcome to apply at any time during their final year of undergraduate study. Applicants who are admitted prior to the completion of their degree are admitted on a “conditional” basis pending completion of their undergraduate degree and submission of a final transcript verifying that they have received the degree. Under ordinary circumstances the final transcript must be received before a student is allowed to begin courses at WSC.

Admission on Academic Probation

Academic probation is a period of testing and proving one’s abilities. Students admitted to a WSC degree program on probation are granted a specified period of initial evaluation, followed by a review of the student’s progress by the Admissions Committee to evaluate the student’s ability to continue in the degree program. Admission on probation provides an opportunity for students who otherwise might not be admitted to the Seminary to demonstrate their ability to complete graduate theological study. The following categories of students are admitted on probation:

- Students who hold a Bachelor’s degree and submission of a final transcript verifying the degree program; or 2) grant continuation of probation for an additional semester; or 3) dismiss the student from the Seminary. Normally a minimum cumulative grade point average of at least 2.0 in Seminary coursework will be required for confirmation of admission. Since probation is viewed as a time to assist a student in developing and demonstrating academic competency, probation on admission will not be recorded on his or her permanent transcript.

Enrollment Deposit

Westminster Seminary California requires a $100 Enrollment Deposit as part of the enrollment process for all students enrolling in a degree program. Students registering from a leave of absence or other interruption of course work are not required to submit a new deposit unless they officially withdrew and the previous Enrollment Deposit was refund ed. Enrollment Deposits should be submitted with the new student’s registration, which is due by July 1 for new summer/fall students and by December 15 for winter/spring students. If the student is admitted after this date, the Enrollment Deposit is due within two weeks of notification of admission.

The Enrollment Deposit confirms a student’s intent to enroll and verifies continued enrollment at the Seminary. It is also used to secure all accepted financial aid awards. If an Enrollment Deposit is not submitted by the new student registration due date, any financial aid awarded may be redistributed to other applicants. Once received, the Enrollment Deposit is held by WSC until the student submits the Graduation Application near completion of his or her degree. At that time, the Enrollment Deposit will be applied to the student’s Graduation Fee. If a student withdraws from WSC, this deposit can be refunded provided that the student completes the WSC Withdrawal Form, pays outstanding balances, and requests the refund from the Business Office.

Deferred Enrollment

Upon approval by the Office of Admissions, an admitted student who has paid the Enrollment Deposit may request a deferred enrollment for up to one additional academic year beyond the academic term for which the student was admitted without being required to reapply for admission. To request deferred enrollment, the student must complete the Deferred Enrollment Request Form which is available online and by request through the Office of Admissions. Students who defer their enrollment to WSC must reapply for financial aid the following year. Students who have been granted deferred enrollment and later choose not to enroll must notify the Office
of Admissions of their decision and request a refund of their Enrollment Deposit by July 1 of the following academic year, or the Enrollment Deposit will be forfeited.

New Student Registration
Registration takes place online through our student information system. Newly admitted and deferred students will receive information necessary for registration from the Registrar approximately one month prior to the registration due date (July 1 for summer/fall and December 1 for winter/spring). Students who are admitted less than one month prior to the start of classes will receive this information shortly after their admission (a late registration fee of $50 may apply). This information includes a degree program sheet, class schedules, and information regarding registration policies and the enrollment deposit. Following registration, the Dean of Students will assign a Faculty Advisor who is also available to advise each student on a course of study. Registration will only be processed for those students who have paid the $100.00 Enrollment Deposit. The registration deadlines are July 1 (summer/fall students) and December 1 (winter/spring students). Late registration will be accepted with a late fee of $50.00 until the first day of each semester as determined by the Academic Catalog. More information regarding WSC registration policies, see the Academic Policies section.

New students may be eligible to test or place out of certain academic courses. See the Academic Policies section of the catalogue for more details.

Financial Aid
Westminster Seminary California has a wide range of financial aid opportunities available to students enrolled in a degree program (M.A./M.Div.). Admitted students planning to apply for financial aid are encouraged to complete the WSC Application for Financial Aid or WSC International Student Application for Financial Aid (available through the Office of Admissions and online) and the FAFSA (www.fafsa.ed.gov, school code: 421768, U.S. students only) by April 1 (summer/fall applicants) or November 1 (winter/spring applicants). These dates are recommended but not final for financial aid consideration. Applications for financial aid will only be reviewed for students who have been admitted. Please see the financial aid section of the catalogue for more details.

Student Orientation
Westminster Seminary California provides a New Student Orientation prior to each academic term. It is normally scheduled one day prior to the start of the fall and spring semesters (see Academic Calendar). All new students enrolled in a Master of Arts or Master of Divinity degree program are required to attend. The purpose of the orientation is to introduce students to seminary life, the campus, theological education, seminary policies, and the resources of the surrounding community.

Veterans’ Benefits
The following policies apply to students receiving educational benefits from the Department of Veterans Affairs (DVA), in compliance with that department’s policies.
Westminster Seminary California is required to initiate a review of transcripts of any Master’s level (M.Div., M.A.) course work that a DVA student has completed at another theological seminary in order to determine which and how many credits are transferable as partially fulfilling WSC’s degree requirements. All course work that is transferable as equivalent to Westminster Seminary California’s required or elective courses will be transferred into the student’s present Westminster Seminary California program. The Academic Dean determines course equivalence on the basis of course descriptions, syllabi, prerequisites, and requirements, and in consultation with the relevant instructors of courses. WSC is approved for the Department of Veterans Affairs educational benefits. For information, contact the local Veterans Office or the WSC Registrar.

Request for ADA Accommodation
The Academic Dean and Dean of Students work with students with disabilities who request accommodation. The Dean of Students provides orientation to campus resources and directs students to other potential resources for accommodation to the student’s disability. Physically challenged students are encouraged to request accommodation as early as possible in their planning process.

ADMISSION AND TRANSFER CREDIT REQUIREMENTS
Students who intend to request transfer credit from another graduate institution must submit all regular required application items, including the following: Application for Admission, Application Fee, Ecclesiastical Reference, Academic Reference, and official transcripts from each postsecondary institution from which the applicant has received credit. Once the prospective transfer student has been admitted to Westminster Seminary California, the Academic Dean will complete a transcript evaluation to determine which courses will receive credit from WSC. If a transfer student desires a preliminary transcript evaluation prior to acceptance, the student may submit his or her official transcripts and request for transcript evaluation to the Office of Admissions. Transfer credit will not be processed until the student has been admitted.

Transfer Credit Policies
Westminster Seminary California may grant graduate level credit for courses in which a grade of C (not C–) or above was received. Course work from an accredited institution from which the student has not received a Master’s degree may transfer as equivalent to a required course or as elective credit in the student’s program at WSC. No credit will be given for courses completed at WSC or another accredited institution 10 or more years prior to enrollment at, or readmission to, WSC. The Academic Dean determines course equivalence on the basis of course descriptions, syllabi, prerequisites, and requirements, and in consultation with the relevant instructors of courses. Transfer credit may not be granted for coursework at other institutions for courses in the WSC curriculum that require biblical languages (Greek and/or Hebrew) as prerequisites if the courses taken at those institutions did not have the biblical language prerequisites. At least 16 semester hours must be completed in a WSC degree program. No transfer credit will be given for Greek or Hebrew language courses taken at either the undergraduate or graduate level with the exception of students who have taken Greek or Hebrew credit for credit at Westminster Theological Seminary in Philadelphia. Language credits from WTS-Philadelphia may be transferred by submitting an official transcript to the WSC Registrar’s Office documenting passing grades. Students who have taken Greek and/or Hebrew language courses at other institutions are encouraged to take the language requirements at WSC. Students holding a Master of Arts or Master of Arts in Religion degree from an accredited theological seminary or divinity school, or those who desire to pursue two Master’s degrees from Westminster Seminary California, either simultaneously or sequentially, may apply up to 24 semester hours of overlapping coursework toward the fulfillment of degree unit requirements in both programs. The successful completion of all required courses and of the specified number (and disciplinary distribution, where appropriate) of elective units is required in each program in order to receive the degree. M.Div. students with shared credit must complete, over a period of at least two academic years, at least 60 semester hours beyond the M.A. or M.A.R. requirements. The 60 semester hours include all required M.Div. courses not previously taken and exclude any additional Greek or Hebrew courses that must be taken to fulfill the WSC language requirements. M.A. students with shared credit courses must complete, over a period of at least one academic year, at least 30 semester hours at WSC. The 30 semester hours include all required M.A. courses not previously taken and exclude any additional Greek or Hebrew courses that must be taken to fulfill the WSC language requirements.

Transfer Credit from Unaccredited Institutions
Students admitted to an M.A. or M.Div. program who seek transfer credit for graduate level studies completed at an unaccredited institution must supply the following information for the evaluation of each course for which transfer credit is requested:

• A copy of the course syllabus, stating the instructor’s name and the course requirements
• At least one sample of course work submitted in fulfillment of course requirements.

All decisions regarding transfer credit from unaccredited institutions are made on a course-by-course basis. Acceptance of one course from an unaccredited institution for transfer credit carries no implication regarding the acceptance of other courses from that institution. Courses in which a grade of B (not B–) or above was received will be accepted for transfer credit. No more than 15 semester hours (23 quarter hours) from an unaccredited institution will be accepted for transfer credit toward a student’s degree program at Westminster Seminary California.

INTERNATIONAL STUDENT ADMISSIONS
Westminster Seminary California is authorized under Federal law to enroll nonimmigrant alien students through the F or student visa program. Students of high academic standing from foreign countries are encouraged to apply. Applicants should note that, while financial assistance may be awarded by the Seminary toward tuition costs, complete financial support (including living expenses) is not guaranteed to any student. International students are encouraged to seek additional means of support elsewhere. All international applicants must seek and show certified proof of sufficient financial support. Prospective international students should submit their application as early as possible in the spring prior to the academic year in which they hope to commence their studies. Westminster Seminary California is available to provide assistance with the application process.
An applicant whose native language is other than English, must achieve either a score of at least 570 on the paper test and 4.5 on the computer TOEFL test, or with the minimum required score of 230 but less than 260 on the computer TOEFL test, or with the minimum required score of 88 but less than 110 on the Internet-based TOEFL test, or with the minimum required score of 25 but less than 50 on the writing portion of the exam, must register for PT400 Graduate Theological Writing during the fall semester of their first year and during each subsequent fall semester until the course is passed. The course must be passed in order for the student to graduate from WSC.

In order for the applicant to receive from the Seminary the Certificate of Eligibility (I-20), students who come to study in the United States must provide evidence that they have financial resources adequate to provide for their expenses while in seminary without resorting to unauthorized employment. United States law administered by the U.S. Citizenship and Immigration Services restricts the employment of international students. Funds may come from personal savings, family, church or denomination, sponsoring agencies or individuals, or some other dependable source. If expenses will be paid from personal or family savings, the applicant must supply official bank records demonstrating that the account or accounts contain funds sufficient to cover expenses for the entire degree program. If expenses will be supplied by assistance from family members or other sponsors on a year-by-year basis, the applicant must send certification from these sources that the sponsor (or sponsors) has the resources to guarantee the expenses for at least the first year of study, and that the sponsor (or sponsors) are able and committed, barring unforeseen circumstances, to provide adequate funding for the subsequent years of the student’s degree program at Westminster Seminary California.

If the institution is in the United States, a copy of the document attesting authorization to grant degrees by the State Board of Education. Such authorization is not equivalent to accreditation in the evaluation of adherence to accepted academic standards, but it does show that the institution has offered evidence of its educational purpose and financial responsibility.

**SPECIAL STUDENT PROGRAM**

In extraordinary cases, a student whose gifts for pastoral ministry have been strongly confirmed by the church but who has not completed an approved Bachelor’s degree program may apply for admission to the M.Div. program as a Special Student. Because the Seminary strongly believes that an undergraduate Bachelor’s degree program in the liberal arts and sciences is the preferred preparation for graduate theological study, only a limited number of Special Students may be admitted in any one year. To more clearly evaluate the Special Student application file, Westminster Seminary California has designated specific criteria regarding the applicant’s academic history, ministry and employment experience, and standardized examination results.

**Education**

The applicant must have completed at least 30 semester units (or equivalent) of undergraduate study at an accredited or otherwise approved college or university. Of these units, at least 15 semester units must be in humanities or liberal arts other than Bible and theology (namely, English or world literature, history, philosophy, ancient or modern foreign languages, etc.). To strengthen the application, the remaining course work should be in the above areas or in natural sciences, social sciences, and Bible/theology. The cumulative grade point average in undergraduate course work must be 3.0 or above.

Because the TOEFL exam is given a limited number of times each year, the applicant should allow sufficient time for the results to be included in the admissions process. Applicants must make their own testing arrangements with Educational Testing Service. To register for the TOEFL/ TWE or TSE test, applicants should contact TOEFL/TSE Services, P.O. Box 6151, Princeton, NJ 08541-6151, USA (telephone: 609-882-6600; web address: www.toefl.org).

Applications should request that the results be sent directly to Westminster Seminary California [school code: 4986]. Please note that the student’s copy of the results cannot be used for admissions purposes.

**Graduate Theological Writing (PT400)**

All non-native English speaking applicants who are admitted to WSC with the minimum required score of 570 but less than 640 on the paper TOEFL test, with the minimum required score of 4.5 but less than 5.0 on the TWE, or with the minimum required score of 230 but less than 260 on the computer TOEFL test, or with the minimum required score of 88 but less than 110 on the Internet-based TOEFL test, or with the minimum required score of 25 but less than 50 on the writing portion of the exam, must register for PT400 Graduate Theological Writing during the fall semester of their first year and during each subsequent fall semester until the course is passed. The course must be passed in order for the student to graduate from WSC.

**F-1 Visa/20 (Certificate of Eligibility for Non-Immigrant Student Status)**

In order for the applicant to receive from the Seminary the Certificate of Eligibility (Form I-20) necessary to obtain the F-1 Visa for non-immigrant students, the following conditions must be satisfied:

- The applicant must be admitted as a full-time student to a Master’s degree program.
- The applicant is required to supply certification that they have financial resources adequate to provide for their expenses while in seminary without resorting to unauthorized employment. United States law administered by the U.S. Citizenship and Immigration Services restricts the employment of international students. Funds may come from personal savings, family, church or denomination, sponsoring agencies or individuals, or some other dependable source. If expenses will be paid from personal or family savings, the applicant must supply official bank records demonstrating that the account or accounts contain funds sufficient to cover expenses for the entire degree program. If expenses will be supplied by assistance from family members or other sponsors on a year-by-year basis, the applicant must send certification from these sources that the sponsor (or sponsors) has the resources to guarantee the expenses for at least the first year of study, and that the sponsor (or sponsors) are able and committed, barring unforeseen circumstances, to provide adequate funding for the subsequent years of the student’s degree program at Westminster Seminary California.
- An applicant with dependents must show, by statement from some responsible organization or individual (including bank statements or tax returns), funds which are committed to and sufficient for the support and care of the dependents at home while he or she is in the U.S., or sufficient funds for round-trip tickets and the entire support of the dependents during their stay in the U.S. if they are to accompany the student.

Please note that the regulations regarding the issuing of student visas may change at any time. It is the student’s responsibility to investigate requirements through the local United States Consulate. International students should also visit the U.S. Immigration website at www.uscis.gov for forms and policies regarding coming to the United States as a foreign student. Once these conditions have been met, the Designated School Official (D.S.O.) will issue the Certificate of Eligibility (I-20). Students who come to study on an F-1 must register and maintain full-time status of 12 or more units per semester.

**Graduates of Unaccredited Institutions**

Westminster Seminary California has long recognized the value of the accreditation process both as a means of institutional self-evaluation and self-improvement and as a means of external attestation of educational quality to students, the constituency, and other academic institutions. WSC also recognizes that for various reasons (recent founding of an institution, location in a nation lacking accreditation processes, reservations about the accreditation process) certain institutions may lack accreditation by a recognized association and yet maintain academic standards comparable to those found in accredited institutions. Since such institutions cannot offer reliable third-party evaluation and attestation to their academic standards, Westminster Seminary California exercises caution in evaluating applications and/or requests for transfer credit from graduates of such institutions. Graduates of unaccredited institutions are admitted under probationary status. In order to evaluate whether a degree from an unaccredited institution meets the standards required for admission, applicants must submit the following, in addition to general admission requirements:

- A catalogue of the unaccredited institution granting the student’s degree
- If the institution is in the United States, a copy of the document attesting authorization to grant degrees by the State Board of Education. Such authorization is not equivalent to accreditation in the evaluation of adherence to accepted academic standards, but it does show that the institution has offered evidence of its educational purpose and financial responsibility.
- A document which provides details regarding the institutions from which the current faculty of the institution received their graduate/advanced degrees, and identifying which faculty members are full-time (if not clearly stated in the catalogue)
- A list of accredited institutions that have admitted graduates of the unaccredited institution and/or accepted its courses for transfer credit.
- Two examples of assigned course work submitted to the institution

**SPECIAL STUDENT PROGRAM**

In extraordinary cases, a student whose gifts for pastoral ministry have been strongly confirmed by the church but who has not completed an approved Bachelor’s degree program may apply for admission to the M.Div. program as a Special Student. Because the Seminary strongly believes that an undergraduate Bachelor’s degree program in the liberal arts and sciences is the preferred preparation for graduate theological study, only a limited number of Special Students may be admitted in any one year. To more clearly evaluate the Special Student application file, Westminster Seminary California has designated specific criteria regarding the applicant’s academic history, ministry and employment experience, and standardized examination results.

**Education**

The applicant must have completed at least 30 semester units (or equivalent) of undergraduate study at an accredited or otherwise approved college or university. Of these units, at least 15 semester units must be in humanities or liberal arts other than Bible and theology (namely, English or world literature, history, philosophy, ancient or modern foreign languages, etc.). To strengthen the application, the remaining course work should be in the above areas or in natural sciences, social sciences, and Bible/theology. The cumulative grade point average in undergraduate course work must be 3.0 or above.
Employment and Christian Service

The applicant must also have life experience in employment and Christian service in a church or parachurch organization. Four years of employment experience and of experience in Christian service will be weighted as equivalent to one year (10 semester units) of undergraduate study. The applicant must have a total preparation package (combining ministry/employment experience and academic coursework) equivalent to four years (120 semester units) of undergraduate study. Thus, Special Student applicants must demonstrate one of the following combinations of academic and life experience:

- 50–59 semester units of academic courses, plus 12 years employment and 14 years Christian service/ experience
- 60–89 semester units of academic courses, plus 8 years employment and 8 years Christian service/ experience
- 90–119 semester units of academic courses, plus 4 years employment and 4 years Christian service/ experience
- Years of employment and Christian service experience may be fulfilled concurrently, but both categories must be fulfilled.

Graduate Record Examination (GRE)

The applicant must take the GRE General Test and obtain scores at or above the 50th percentile in the verbal and analytical writing sections. Applicants should request that the Educational Testing Service send GRE test results directly to Westminster Seminary California. For more information about the GRE, visit http://www.gre.org.

Narrative Essay

The Special Student applicant must also submit a concise, but thorough narrative essay that describes both the type and duration of his Christian service/ ministry experience, including dates, and specific ministry activities (including biblical or theological study and teaching), oversight, evaluation received, lessons learned, and the type and duration of employment experience, including dates, responsibilities, oversight, and lessons learned.

Ecclesiastical Reference

Because the Special Student’s admission constitutes an exception to normal admissions criteria for the sake of the church’s leadership needs and its confirmation of an individual’s gifts and maturity for ministry, special attention will be given to the evaluation offered by a pastor or other church leader in the Ecclesiastical Reference concerning the applicant’s Christian maturity, experience in ministry, and potential for future service in the church.

Additional Information

Upon request by the Office of Admissions, the applicant may be required to demonstrate knowledge of the liberal arts and an ability to pursue graduate level study by submitting an essay or research paper for evaluation by the Admissions Committee. Special Students are admitted initially on probationary status. After completing, with a cumulative grade point average of at least 2.3, the courses specified in the standard M.Div. curriculum for the summer, fall, and winter terms of the first year, he shall receive confirmation of acceptance into the M.Div. degree program.

NON-DEGREE STUDY PROGRAMS

Westminster Seminary California offers a variety of study programs for students who do not intend to pursue a Master’s degree. Students enrolled in the Visiting, Non-Matriculating, Certificate, and Audit Programs are required to observe all policies and procedures stated in the Academic Catalogue with the exception of those specifically pertaining to M.Div. or M.A. program requirements. Please note: students who are not enrolled in a Master’s degree program are not eligible for financial aid or veterans’ benefits.

Visiting Student Program

Students holding a Bachelor’s degree from an approved institution who desire to take courses for credit at WSC may follow a simplified application procedure to apply for the status of Visiting Student. Each applicant must submit a completed Visiting Student Application Form, a non-refundable Application Fee, TOEFL and TWE scores (if the applicant is a non-native English speaker), and an official transcript showing the completion of a Bachelor’s degree program. Visiting Students may enroll in any class offered by WSC as long as they have met the prerequisites for the class. If a Visiting Student applies and is accepted into a degree program at a later date, credits earned as a Visiting Student will be applied to the degree program.

Non-Matriculating Students

Students enrolled in a graduate or graduate program at another educational institution may, without application to and matriculation in Westminster Seminary California, take courses at the Seminary for transfer of credit to their current degree programs. Prospective Non-Matriculating Students must submit a Non-Matriculating Student Application, an official transcript from the institution in which the student is currently enrolled, and written notification from the Registrar at the institution in which the student is currently enrolled that each course to be taken at WSC is approved for credit toward their degree requirements to the Office of Admissions prior to the first day of class for the semester in which they wish to enroll. The Academic Dean makes a final determination as to whether a Non-Matriculating Student has sufficient academic background to enroll in a particular course.

Certificate Student Program (M.A. only)

Westminster Seminary California’s certificate programs are designed for those men or women for whom the completion of a Bachelor’s degree is not feasible, who desire to develop personal understanding of Scripture and theology, and who anticipate pursuing no further academic study. The curricula for these certificate programs are identical to the M.A. Biblical Studies, M.A. Theological Studies, and M.A. Historical Theology, respectively. A limited number of certificate students are admitted in any one year.

Though WSC is not able to award Masters of Arts degrees to individuals who lack a Bachelor’s degree, a certificate with accompanying transcript will attest to the student’s completion of a unified course of studies in biblical, theological, or historical theology disciplines. Certificate students take courses for credit, pay regular fees, receive faculty evaluation of course assignments and examinations, and have a record of their completion of certificate requirements maintained by the Registrar. “Credit/ No Credit” evaluation is used for certificate students and reported on their transcripts.

The application requirements for the certificate program are similar to those for the Special Student application, and the criteria are followed rigorously by the Admissions Committee. Because an undergraduate Bachelor’s degree program in the liberal arts and sciences is the preferred preparation for graduate theological study, and because the lack of a Bachelor’s degree often proves a hindrance to later educational goals, WSC urges individuals to complete a Bachelor’s degree at an accredited college or university and then apply to an M.A. program rather than to a certificate program.

Audit Student Program (Non-Credit)

Auditors are permitted in most courses. Persons desiring to audit are required to secure the permission of the Registrar, complete the Audio Registration Form, and pay a non-refundable fee of one-half of the regular tuition charge for each course audited. Minors (persons under 17 years old) are permitted to audit a course only when they have either graduated from high school or passed the GED exam, or the instructor in charge has given permission. WSC alumni, current full-time students and their spouses are eligible to audit courses free of charge on space available basis.

Audit privileges include regular class attendance, copies of all photocopied or printed material distributed free to the class, and the opportunity to ask occasional questions in class. Normally auditors will not be permitted to participate in classroom exercises or recitations or to make seminar presentations, nor will assignments or examinations be reviewed or graded by the instructor. Occasional visitors must seek permission of the instructor for each class they wish to attend and will not have the privilege of participation in class discussion. Auditors and other members of the community have access to the library collection and on-site resources, and for a nominal fee they may apply for circulation privileges.

Evening Course Listener’s Pass Program (Non-Credit)

As a service to the Christian community, WSC occasionally offers a Listener’s Pass to select courses that enables an individual to attend for a reduced (non-refundable) audit fee. The Listener’s Pass is limited to designated evening courses selected before each academic term. Students granted a Listener’s Pass must meet all requirements and observe all policies stipulated for the Audio Program.
Westminster Seminary California is committed to providing financial assistance to those students who, without such aid, would be unable to pursue a degree at WSC. Due to the generosity of friends and supporters of Westminster Seminary California, who provide for approximately 50% of the actual cost of each student’s education, we have been able to keep our tuition rates below the average among our fully-accredited peer institutions within the Association of Theological Schools. Student tuition costs are further subsidized through a generous financial aid program.

The seminary believes the student has the primary responsibility for financing his/her education and expects them to do whatever is possible to meet financial needs. The WSC financial aid program is designed to supplement each student’s own financial resources (i.e. savings, family and church support, and part-time employment) through a combination of scholarships, grants and student loans described below.

Types of Financial Aid
- Need-Based Grants and Scholarships — WSC offers grants and scholarships that are awarded on the basis of a student’s need and do not need to be repaid.
- Merit Scholarships — WSC offers donor-supported scholarships that are based on academic achievement, previous leadership experience, and potential for future ministry. Financial need may or may not be considered.
- International, Denominational, Cross-Cultural/Ministerial Scholarships and Grants — These are awarded to international students, or students with a vocational call to cross-cultural ministry or in a particular denomination.
- Stafford and PLUS Federal Loans — As a Title IV (Federal Student Aid) participating school, WSC students are eligible for unsubsidized Stafford loans through the U.S. Department of Education. Many students also qualify for Graduate Plus Loans and Private Student Loan options. For more information about any of these loans, contact the WSC Financial Aid Coordinator. Please note: the U.S. Department of Education does not provide any non-repayable grants, such as Pell, to graduate-level students.

Eligibility Requirements
In order to qualify for financial aid at Westminster Seminary California, each student must:
- Be admitted to one of WSC’s Master’s programs (M.A./M.Div.) and remain enrolled as a full-time student taking 12 or more academic units throughout the duration of each semester (student loans are available to half-time students taking six or more units and students in their final year taking all they need to graduate). A student in the final year of study who is taking all the courses necessary
for graduation may receive financial aid in the form of scholarships and grants if they drop below full-time status. In this case, the amount of the award will be based upon the percentage of units being taken in that given semester. A student is not eligible to receive more than two semesters of this pro-rated aid.

- Maintain a minimum grade point average of 1.0 each semester (some scholarships require higher grade point averages)
- Make satisfactory academic progress toward a degree as outlined in the Academic Catalogue
- Complete all required financial aid applications by the specified deadline

Loss of Eligibility by Reduced Course load

Recipient of grants/scholarships who drop below 12 credit hours during a semester by reducing their course load, taking a leave of absence, or withdrawing from the seminary become ineligible for grants/scholarships and forfeit any aid that has been awarded to them for that semester. Students who lose their eligibility for grants/scholarships during the semester will be responsible for the payment of any tuition not refundable under the seminary’s tuition refund policy (see WSC Catalogue, Refund policy/schedule) that was previously covered by that aid. Students who intend to drop courses, request a leave of absence, or withdraw from the seminary should first contact the Registrar and the Financial Aid Coordinator to discuss the academic and financial ramifications of their decision.

Financial Aid Application Process and Recommended Submission Dates

In order to apply for or renew financial aid at Westminster Seminary California, each student must:

- File an online Free Application for Federal Student Aid (FAFSA) for the intended academic year of enrollment at www.fafsa.ed.gov (Westminster Seminary California’s school code is 121768). This online form should be completed and submitted prior to or at the same time as the WSC Application for Financial Aid. The WSC Application for Financial Aid will not be processed until the FAFSA is received by the Financial Aid Coordinator.
- Submit the WSC Application for Financial Aid for the intended academic year of enrollment. This form is available on the WSC website (https://wscal.edu/media/docs-financialaidform.pdf) or by emailing the Financial Aid Office at financialaid@wscal.edu.

- Submit all required documents for particular grants and scholarships, including letters of interest, additional applications, and/or renewal applications.
- For more information about the requirements for each grant/scholarship, see the descriptions below.
- (Optional) To apply for a Federal Stafford or PLUS Loan, submit the Federal Student Loan Application. Loan policies are outlined below.

Financial aid applications are available on the WSC website no later than January 15 of each year.

Completed aid applications, including the WSC Application for Financial Aid and FAFSA (U.S. applicants only), for all new admitted students are reviewed by the WSC Financial Aid Committee on a monthly basis beginning March 1 (summer/fall applicants) and September 1 (winter/spring applicants). Completed applications should be submitted by the recommended dates of March 1, April 1, or May 1 (for summer or fall awards and scholarships), or September 1, October 1, or November 1 (for winter/spring awards and scholarships). Financial aid applications for new students will be evaluated on the next review date after the student has been admitted and submitted the necessary application requirements. New students are encouraged to apply as early as possible in order to receive consideration for all available scholarships and grants, however, financial aid applications are processed until the first day of each semester, and awards are given as they are available.

Most scholarships are renewable for additional academic years provided the recipient continues to meet the eligibility requirements. Continuing students should apply for financial aid renewal no later than March 15. Late applications will be considered as they are received; however, returning students who submit applications after May 15 may receive reduced scholarship and/or grant awards. Aid applications received after the start date for any term will not be considered.

 SCHOLARSHIPS, GRANTS, AND ACADEMIC AWARDS

WSC offers a variety of scholarships and grants that are awarded on the basis of financial need, previous academic performance, denominational affiliation, and ministry interests. All available resources will be used to determine eligibility, including the student’s initial admissions file and references, the student’s current records, faculty and staff consultation (when appropriate), and the information provided on the WSC Application for Financial Aid. All scholarship or grant awards are credited to the recipient’s tuition account. In no case shall the amount awarded exceed the amount of actual billed tuition for a particular term. If a student is simultaneously working toward two Master’s degree programs (dual enrollment) any financial assistance in the form of a scholarship or grant will be applied to the billed tuition for the student’s primary degree program only. Though most scholarships are renewable for students who meet minimum qualifications, no scholarship will be awarded for more than eight semesters for the M.Div. or six semesters for the M.A.

NEED-BASED GRANTS

WSC Grant

This grant is awarded annually on the basis of the applicant’s financial need as determined by the FAFSA and WSC Application for Financial Aid. Provisional awards are made on a rolling basis beginning April 1 to applicants who submit the FAFSA and WSC Application for Financial Aid. Changes to the student’s financial situation, including loss of employment or income by the student or spouse, should be reported to the Financial Aid Coordinator as such changes occur. Likewise, if a student receives outside financial assistance, such as a third-party scholarship or church support, after receiving an initial award from WSC, the student should notify the Financial Aid Office immediately. Such changes, initial need-based award calculations may change in order to distribute funds equitably to all students.

The WSC Grant is typically awarded to full-time students taking 12 or more units per semester, a student in his/her final year of study who is taking all the courses necessary for graduation may receive the grant if they drop below full-time status. In this case, the amount of the award will be based upon the percentage of units being taken in that given semester (e.g. if the student is enrolled for six units, the student would receive half of what he or she would qualify for if enrolled for 12 units). A student is not eligible to receive more than two semesters of this pro-rated grant.

A student who registers for more than the number of units required to complete the degree in a particular semester (e.g. taking extra electives) will not have those additional unit hours included in the calculation of the grant.

The Titus Fund

This fund is named after Paul’s epistle, a rich letter filled with wise counsel and encouragement to Titus, instructing him to preach the gospel, teach sound and profitable doctrine, establish churches with proven elders, and encourage all believers to faith and love through Christ. The Titus Fund was established by a supporter of Westminster Seminary California to provide financial assistance to one full-time student enrolled in the Master of Divinity or Master of Arts program who demonstrates financial need through the completion of the Westminster Application for Student Aid and FAFSA. The scholarship is to be awarded on the basis of the WSC Financial Aid Committee on an annual basis and applied to the student’s tuition account in two equal amounts for the fall and spring semesters.

The Titus Fund is renewable on an annual basis provided the student demonstrates ongoing need of financial support, is enrolled continuously as a full-time student (11+ units per semester) and maintains a minimum 2.5 grade point average.

Please note:

For more information, please contact the Financial Aid Office at financialaid@wscal.edu.
Because the seminary’s tuition & fees are below the state funding level, WSC students are not eligible to participate in the Yellow Ribbon Program. This fund is designed in part to help fill that gap.

To be eligible, students must be concurrently receiving VA benefits and enrolled full-time in a degree program. A FAFSA and the WSC Financial Aid Application must be submitted each year indicating veteran benefits that will be received in the next academic year. **Church Matching Grant**

The Church Matching Grant seeks to bring churches and the Seminary together in support of a student’s first year. This grant was established to help churches actively support seminarians and to share in the great task of pursuing theological education.

The number of grants from this fund is limited and awards are processed in the order in which the requests are received. The Seminary, within the given limitation, will match the contribution of a congregation up to a maximum of $1,000 per student. The church’s contribution will be applied to the first semester and the matching portion will be applied to the student’s account during the second semester provided they are enrolled full-time throughout the semester. This grant is not based on financial need. The church’s contribution to the matching grant comes from the student’s home church and is available only for the first full year of study at WSC. For more information, please contact the Financial Aid Coordinator.

In the event that a request is received from a church after the fund for that academic year has been exhausted, WSC will contact the church to ensure that the church still desires to contribute to the student’s education without contribution from the Church Matching Grant program.

**Forms Required:** A contribution from the applicant’s church and a letter (on church letterhead) requesting participation in the Church Matching Grant at WSC.

This scholarship was instituted in honor of the ministry of Rev. Walter Swets, who served as a pastor in the Christian Reformed Church from 1939 until his retirement in 1977.

The recipient of this scholarship will be an Hispanic full-time student who has demonstrated financial need, is enrolled in a degree program at Westminster Seminary California, and intends to minister to Hispanic populations within the United States or in another country. During the years that WSC has no Hispanic student(s) meeting the above criteria, the scholarship may be awarded to another student(s) who has interest in pursuing Hispanic ministry, either as a missionary, pastor of a congregation, or servant to a congregation that is seeking to reach out to Hispanics.

The award will be reviewed annually and can be renewed for the student who has done adequate work at WSC and continues to have financial need. A letter (no more than two pages typed) should be submitted to the Financial Aid Committee. This letter should consist of the following: the individual’s spiritual background, financial need, and goals and plans for ministry.

**Forms Required:** FAFSA, WSC Application for Financial Aid, or the International Application for Financial Aid, and a letter as described above

**Timoteo Scholarship Fund**

By providing financial assistance for promising Hispanic students from churches associated with the North American Presbyterian and Reformed Council (NAPARC) and other Presbyterian and Reformed churches abroad, this scholarship is instituted to encourage leadership development among Hispanic communities traditionally under-represented among Reformed churches.

The scholarship will be awarded annually to one student by the WSC Financial Aid Committee. Candidates must have demonstrated financial need, evidence of previous academic achievement, and potential for future leadership within the church. Preference will be given to first year students and the scholarship is renewable for students who are continually enrolled at WSC and maintain a 3.0 GPA.

Priority consideration will be given to students who have a stated intention to minister in Hispanic communities in the United States or abroad upon graduation, and a preference will be given to students who are able to secure matching funds through their local churches (evidenced by a written commitment from their church to contribute to their education if the applicant is awarded the scholarship).

**Forms Required:** FAFSA, WSC Application for Financial Aid, and Timoteo Scholarship Application Form (please request from the WSC Financial Aid Coordinator)

**The Genesis Rose Scholarship for African-American Students**

Through the generous contribution of Westminster Seminary California alum, Rev. Leon Brown, The Genesis Rose Scholarship for African-American Students will be awarded to one African-American student enrolled in a master’s program (M.A./M.Div.) on an annual basis. Preference will be given to candidates from churches associated with the North American Presbyterian and Reformed Council (NAPARC).

By providing financial assistance for promising African-American students this scholarship is instituted to encourage leadership development within a community that is under-represented among Reformed churches.

**Forms Required:** FAFSA, WSC Application for Financial Aid, and Timoteo Scholarship Application Form (please request from the WSC Financial Aid Coordinator)

**INTERNATIONAL SCHOLARSHIPS AND GRANTS**

Please note that International Financial Aid Applications are requested by April 1. Late applications will only be considered if funds are available.

**WSC International Student Aid Fund**

Tuition assistance from the International Student Financial Aid Fund is made available to a limited number of international students each academic year who are committed to ministry in their own countries after their study in the United States and who indicate this in writing. Students receiving this award must pursue full-time studies in a degree program as listed in the Academic Catalogue. Because these grants are not to exceed the amount of tuition, the student’s fees, rent, food, transportation, and other living expenses must be supplied from other sources.

The International Student Financial Aid Application should be received by the Financial Aid Office by April 1. Students will be notified by May if they have received funds from the International Student Aid Fund. Additional regulations governing this fund and the loan contract form may be obtained from the Financial Aid Coordinator.

**Forms Required:** WSC International Application for Financial Aid, and, once awarded, a signed agreement outlining the terms of the award

**The Yune-Sun Park Scholarship**

This scholarship is funded annually by the family of the Reverend Yune-Sun Park as a memorial to Rev. Park’s prayers and constant support of Westminster Seminary California. FINANCIAL AID

Westminster Seminary California participates in the Federal Student Aid (Title IV) Program enabling students to apply for federally supported Stafford and Graduate PLUS Loans. Loans are contingent upon enrollment; if the student’s enrollment ceases during a semester, he/she may need to return all or a portion of the funds.

The maximum annual amount a student can borrow under the Federal Stafford Loan program is $20,500. The Graduate PLUS Loan carries a higher interest rate than the Stafford Loan. Students must have already applied for their maximum Stafford Loan eligibility before qualifying for a PLUS Loan. Contact the Financial Aid Coordinator with any questions about student loans.

Eligibility Criteria

Students are eligible to borrow money under the Federal Stafford Loan Program if they are enrolled in a Master’s degree program and satisfy all of the following provisions:

- Must complete and submit all documentation required, and certify the information is true, correct, and accurate
- Must be working toward a Master’s degree program enrolled in at least six units each semester (for classes that were not previously passed) with the exception of seniors in their final year who are taking all they need to graduate. These seniors are eligible to take out federal loans when they are enrolled less than 6 hours. This exemption is only available to seniors for two semesters.
- Must be a U.S. citizen or eligible noncitizen
- Male students between the ages of 18–45 must be registered with the Selective Service
- Must make satisfactory academic progress toward a Master’s degree program
- Must use federal financial aid funds solely for educational purposes
- Must not be in default on any Federal Student Aid Program loan

Satisfactory Academic Progress (SAP)

To maintain eligibility for student loans, each student must make Satisfactory Academic Progress (SAP). SAP includes both a cumulative grade point average of at least 2.0 and reasonable progress towards a degree. Progress is measured by the number of credits earned per year and is outlined in the chart below for full-time students.

For part-time students, those who take between six and 11 credits a semester, the length of their program for SAP purposes will be extended by one semester for each semester a student is enrolled part-time.

Financial Aid Warning and Financial Aid Probation

In the event that a student does not achieve SAP following any semester the student may receive a financial aid warning or be placed on financial aid probation. The financial aid warning is given to those students who fall short of SAP but can reasonably achieve the minimum requirement during the next semester. Students who receive a financial aid warning will be allowed to continue receiving federal aid for one additional semester. If a student has failed to achieve SAP during the semester following a financial aid warning or SAP is not easily achievable in one semester the student may submit a letter to the Financial Aid Committee requesting financial aid probation. Petitions must be based on injury, illness, death of a relative or other special circumstances. The letter should clearly outline the particular circumstances that led to the student’s failure to maintain SAP and any specific changes that will be made in order to receive eligibility. If approved, the student placed on probationary status must agree to and achieve prescribed academic progress benchmarks which will be reviewed following each semester until SAP has been achieved. Failure to make the required academic progress will result in the loss of financial aid eligibility. The Financial Aid Committee reserves the right to consult with the Academic Dean, Dean of Students, and faculty advisors if necessary and appropriate.

FINANCIAL AID

Loan Application Process

Students who need to apply for a student loan must follow these steps:

- Fill out a Free Application for Federal Student Aid (FAFSA). This is done online at www.fafsa.ed.gov.
- Westminster Seminary California’s school code is 012768.
- Submit the WSC Application for Stafford Loans to the Financial Aid Coordinator.
- First time borrowers at WSC must also:
  - Complete an Entrance Interview before a loan may be processed.
  - May be done electronically at www.studentloans.gov or in the Financial Aid Office.
- Complete the Master Promissory Note (MPN) with the Department of Education. This is done online at www.studentloans.gov.
- Upon withdrawal, dismissal, or in the semester prior to graduation, all students who have received Title IV funds must also complete an Exit Interview either online or in the Financial Aid Office.

Disbursement Scheduling

Federal regulations mandate at least two loan disbursements, usually one per semester. If a student begins enrollment in the winter or spring, two disbursements are still required. The first will occur 30 days after the start of classes for new borrowers. The second disbursement will occur at the calendar midpoint of the loan period.

Ineligibility Status

A student will be considered ineligible for federal financial aid if he/she:

- Exceeds the maximum time frame for program completion, based on units attempted
- Drops below a cumulative grade point average of 2.0 at the end of each semester or school year
- Has completed fewer units than the established minimum at the end of a semester

Petition Process

A student who desires to appeal the financial aid disqualification or ineligibility status for federal aid must complete and submit the Federal Student Aid Petition Form to the Financial Aid Committee indicating the reason for consideration. This petition form is due no later than the established deadline for the semester for which he or she wishes to receive aid (typically two weeks after the start of the semester). If the petition is approved, reinstatement of financial aid eligibility will not exceed a period of one school year, regardless of remaining academic requirements. If the petition is denied, reinstatement of financial aid eligibility begins as soon as the student meets the satisfactory academic progress requirements.

Withdrawal/Leave of Absence (LOA)

In the event that a student decreases or needs to withdraw or to take a Leave of Absence (LOA) from WSC, written notification must first be submitted to the Registrar. Withdrawal from classes or WSC entirely may adversely affect the status of a student loan, including the following: the return of some or all of a loan, the beginning date of the grace period, or the terms for repayment of loans. Upon withdrawal the student may still owe a balance to WSC. Federal regulations mandate that students who withdraw or do not return from a leave of absence must complete a loan exit interview. See Academic Information and Policies for more information about withdrawing or taking a Leave of Absence.

Title IV Refund Policy

Federal regulations stipulate that if a student withdraws prior to completing 60% of the semester, some Title IV funds must be returned. The amount that must be returned is calculated based on the amount of aid the student earned. If a student withdraws and Title IV funds must be returned, the student may owe a balance to WSC. After 60% of the semester has been completed, all aid is considered to have been earned and need not be returned. In the event that the student fails to notify the Registrar and Financial Aid Coordinator of his/her withdrawal, the last date of attendance will be used as the withdrawal date.
Repeated Courses
Costs for repeating a passed course to earn a better grade are excluded from federal financial aid eligibility calculations. In order to be eligible for loans, students repeating a passed course must register for that course in addition to the six credit hours required for loan eligibility for the semester in question. Repeated courses do count towards the student’s academic progress.

VETERANS’ BENEFITS
WSC is certified by the Department of Veterans Affairs as an institution at which veterans may receive educational benefits. Veterans can contact the Department of Veterans Affairs to determine their eligibility. For additional information regarding veterans’ benefits at WSC, please contact the Registrar.
EXPERIENCING A COMMUNITY OF FAITH

Westminster Seminary California is more than an academic institution built on a beautiful ten-acre campus in the hills of Escondido. It is a community of faith existing to glorify God and to make the gospel of Christ known through the church. The WSC community is a diverse one, composed of faculty, staff, and students from a variety of denominations. This variety, especially among the student body, ensures an atmosphere of challenging and stimulating discussions about theology and ministry.

The Seminary is also united by a profound commitment to Christ and to his gospel as recorded in the Scriptures and expressed in our common confessions of faith. Each student experiences a Christian community of faith not only in the classroom, but also in a variety of forums outside of class which promote spiritual life, faith and fellowship. Your conversations and interactions with faculty and fellow students will undoubtedly sharpen your convictions and clarify your calling, which is why WSC is committed to cultivating an environment that is both academically and relationally challenging.

Behavioral and community standards are delineated in the Westminster Seminary California Student Handbook, which is available to all students at New Student Orientation. Each student is responsible for knowing this material and abiding by all seminary policies and regulations of the most recent version. Copies of the handbook are available through the WSC Dean of Students.

The spiritual life of Westminster Seminary California is nurtured by morning devotions on Tuesdays and Thursdays and student-advisor prayer groups on Wednesdays. Morning devotion speakers include faculty, local pastors, missionaries, and Christian lay people. All devotional exercises are governed by the Word of God, which remains the true guide in Christian worship and prayer, as well as in all other activities of the Christian life and life on campus. It is only when the believer, with the help and guidance of the Holy Spirit, returns continually to the great scriptural doctrines of God, of sin, and of grace, that true blessing is to be obtained. WSC recognizes the indispensable role of the church in the growth of every believer and does not assume to itself the church's responsibility for the nurture of the spiritual life of the student. Therefore, students are urged to commit to the life and work of a local congregation of their choice.
ASSOCIATION FEE 

Association Fee that is collected from full-time students. The officers of the Association (president, vice president, secretary, and treasurer) are elected annually by all full-time students.

WESTMINSTER WOMEN’S FELLOWSHIP 

Westminster Women’s Fellowship (WWF) is an on-campus organization that is made up of the diverse group of women connected to WSC, including students and administrators as well as the wives of faculty and students. The Westminster Women’s Fellowship is intended to provide opportunities for networking and fellowship experiences for women in the Seminary to cultivate friendships with — and benefit from — those who have long associations with WSC. Monthly activities are planned to address theological and practical issues or simply to provide time for WSC women to get together. The monthly events hosted by WWF are supported with a portion of the Student Association Fee.

WESTMINSTER KOREAN FELLOWSHIP 

The Westminster Korean Fellowship (WKF) exists as a response to the unique needs of the Korean-American church. WKF holds informal discussion groups about pressing issues in Korean-American ministries. WKF activities are supported with a portion of the annual Student Association Fee.

THE WARFIELD SEMINAR 

The Warfield Seminar is an opportunity for students to engage in informal conversation with professors on their current research. Named after theologian B.B. Warfield, it is held about three times a semester. A professor makes available a paper that he has been working on, often in preparation for a conference presentation, journal article, or chapter in a book. At the Warfield Seminar the professor presents his argument and engages in discussion with students and professors, in which students are given opportunities to develop the skills and gifts necessary for effective ministry. The Field Education Program at WSC provides an opportunity for Master of Divinity students to gain practical ministry experience to which they can apply the information learned in the classroom. In this way the WSC curriculum seeks to balance intense Christian scholarship with practical ministry. The Director of Field Education advises students of service opportunities and coordinates the fulfillment of field education requirements with the M.Div. student and pastoral internship super visors. Each M.Div. student is required to register for the pastoral internship (FE694) during the spring semester of his first full year of study at WSC. The Field Education Program requires seven hundred (700) hours of supervised ministry experience.

LIBRARY 

The library houses over 110,000 titles and subscribes to over 180 periodicals. A substantial collection of works on Reformed theology is augmented by an excellent collection of materials in biblical studies and church history. Of special note are the microfilm editions of titles in Evans’ American Bibliography and Migne’s Patrologiae (Greek and Latin Fathers), Corpus Reformatorum (all the works of Calvin), and numerous sixteenth- and seventeenth-century Puritan texts.

Through membership in the statewide California Electronic Library Consortium, the library affords unlimited online searching of Online Computer Library Center’s (OCLC) large book database along with nearly seventy other discipline-specific periodical databases through OCLC’s FirstSearch service (50 of these databases contain full-text documents that can be read online or printed). The library also has online access to the premier religion and theological periodical database, ATLA, the full-text religion database in ProQuest, indexing and abstracting of religion periodicals in Religious and Theological Abstracts, and the full text of seminal works from the Reformation and Post-Reformation eras through the Digital Library of Classical Protestant Texts.

Access to these online resources is a significant advance in information retrieval that faculty and students now take advantage of on and off campus. To support the new online services, the library has expanded its computing resources by installing a wireless network that allows laptop users access to online resources from anywhere in the library.

THE BOOKSTORE AT WSC 

The Bookstore at WSC is located in the library. The bookstore stocks course textbooks, faculty authored books, and other important theological and pastoral resources. In addition to books, the bookstore also sells audio lectures, magazines, and seminary apparel. These resources are also available for purchase online at www.WSCal.edu/bookstore.

INTERNSHIP PROGRAM 

Westminster Seminary California’s Field Education Program is designed to integrate on-campus studies with part-time ministry in local churches. Field Education involves supervised hands-on ministry experience and opportunities for evaluation and reflection with mentors, peers, and professors, in which students are given opportunities to develop the skills and gifts necessary for effective ministry. The Field Education Program at WSC provides an opportunity for Master of Divinity students to gain practical ministry experience to which they can apply the information learned in the classroom. This way the WSC curriculum seeks to balance intense Christian scholarship with practical ministry. The Director of Field Education advises students of service opportunities and coordinates the fulfillment of field education requirements with the M.Div. student and pastoral internship super visors. Each M.Div. student is required to register for the pastoral internship (FE694) during the spring semester of his first full year of study at WSC. The Field Education Program requires seven hundred (700) hours of supervised ministry experience.

Students preparing for the pastoral ministry are urged to work under the supervision of a local church throughout the course of their seminary education. Churches throughout San Diego, Riverside, and Orange counties regularly provide information regarding internship opportunities that current students may be able to pursue in fulfillment of their Field Education requirement. Students are also encouraged to return to their home churches to serve during the summer months if feasible.

HOUSING 

The Office of Admissions is available to assist admitted students in finding suitable accommodations by providing information on housing opportunities in the community. These opportunities may include rooms, houses, or apartments for rent in Escondido and elsewhere in San Diego County. New students should plan to arrive in the area and seek accommodations during the summer before the fall semester, no later than two weeks prior to the beginning of classes. Students enrolling in Greek I during the summer term should plan on arriving in early July.

STUDENT HEALTH INSURANCE 

The Seminary has established a relationship with United Healthcare Student Resources through which a student insurance plan is offered to all students who are enrolled in nine or more academic units per semester. Plan details and eligibility requirements are provided to all admitted students who plan to enroll for credit prior to each academic year. The health insurance policy, booklet, and application forms are available on the WSC website or through the Financial Aid Coordinator. Considering the inherent financial risks in the event of a student or family member’s accident or illness, WSC strongly encourages all students to take part in this health insurance plan or another comparable health plan. International students are required to carry medical insurance and, therefore, are strongly encouraged to use this plan. For more information, visit http://wscal.edu/wsgateway/current-students.

SPOUSE EDUCATIONAL PRIVILEGES 

Full-time students enrolled in 12 or more units per semester and their spouses may audit courses without charge. Children of full- or part-time students wishing to audit a course are subject to regular audit fees. Spouses of full-time students, who have also been admitted to Westminster Seminary California as students, may take courses for credit at 50% of the standard tuition fee. If both students are full-time, the spouse taking the lesser number of units will receive the discount.

EMPLOYMENT AND MINISTERIAL PLACEMENT 

Placement of graduates is a high priority at WSC. Church, denominations, and parachurch organizations from around the country seeking pastors, assistant pastors, youth ministers, Christian education directors, counselors, and graduates for other ministry and leadership positions regularly contact the seminary regarding open ministerial positions. These opportunities are made available to graduating students and alumni through our campus-wide email listserv and posted on the seminary website. Part-time employment opportunities for current students, both on and off campus, are also made available on a regular basis through the seminary email listserv.
Academic Policies & Information

BEGINNING YOUR SEMINARY PROGRAM

Upon admission to a Westminster Seminary California degree program, the Registrar is available to assist each student with organizing class schedules, program planning, and registering for classes. Students are ultimately responsible for their program progress as outlined in the Academic Catalogue at the time of their admission and should carefully consult the Degree Program information and the registration, placement, and academic policy information outlined below in order to successfully matriculate through the program.

REGISTRATION PROCESS AND POLICIES

Registration Process
Registration takes place online through our student information system. Newly admitted students will receive information necessary for registration from the Registrar approximately one month prior to the registration due date (listed in the Academic Calendar). Students who are admitted less than one month prior to the start of classes will receive this information shortly after their admission (a late registration fee of $50 may apply). This information includes a degree program sheet, class schedules, and information regarding registration policies and the enrollment deposit. Following registration, the Dean of Students will assign a Faculty Advisor who is available to advise the student on their course of study.

Continuing students will receive email notification when the course schedule for the upcoming semester is available.

Students must register for classes each semester at the time listed in the Academic Calendar or a late fee of $50 will apply. Online registration will be open only during registration week. Late registration will take place by means of a paper registration form available through the Registrar’s office. Prior to registering, continuing students should consult with their Faculty Advisor regarding their progress. Any additional paperwork (extramural petitions with approval of faculty, directed research course approvals, class conflict approvals, prerequisite waivers) must be completed during the registration period. These forms (and additional paperwork) are available from the Registrar or online at https://wscal.edu/wsc-gateway/current-students/registrars-office/forms. A student has not
Withdrawal Form, pays outstanding balances, and requests a refund from the Business Office. Refunds must be requested within 180 days of submitting the Withdrawal Form or the refund is forfeited.

The effective date for dropping a course is the date on which the Registrar approves the Add/Drop request. Courses dropped between the first and the seventh week of a semester will not be recorded on the student’s permanent record. Withdrawal under any other circumstance will result in a failing course grade which will appear on the transcript. When a student notifies the Registrar of his or her withdrawal from a course (or from the institution) after the stated deadline for dropping a course without academic penalty, a grade of WF (withdraw/failing) is entered in the student’s academic record and transcript. The WF, like F, is weighted at zero grade points in the calculation of the student’s cumulative grade point average; but it alerts the student that the Registrar appropriately of the intention to withdraw.

Registration Changes
After the close of registration week, a student may add or drop courses by submitting a completed Add/Drop Form to the Registrar within the dates listed in the Academic Calendar. Under normal circumstances, the Add/Drop Form will not be processed through electronic mail or fax. For information concerning refund and withdrawal dates, see the refund schedule on the Academic Calendar. During the refund period (the period between registration and official billing), a student must obtain the Registrar’s approval for registration changes, but the Add/Drop Fee will not apply. Once a student is officially billed, typically one month prior to the beginning of the semester, an Add/Drop Fee will be charged to the student’s account per form submitted, including the Directed Research Petitions submitted after the date of official billing. After the beginning of the semester, a student is not normally permitted to add a course. In extraordinary circumstances a student may request permission in writing to add a course after its class sessions have begun and, upon the written approval of the instructor, the student’s Faculty Advisor, and the Registrar, may enroll in the course. In such cases, students will be permitted to enroll in a semester-long course only before the fifth class day of the semester, in a month-long course only before the third class day, and in a week-long course only before the second class day. Students may drop courses with the written approval of the instructor, the student’s Faculty Advisor, and the Registrar, until the deadlines stated in the Academic Calendar. After the dates identified in the Academic Calendar as “Final drop date without academic penalty,” students withdrawing from a course will receive a failing grade unless granted an exception for extraordinary circumstances through written petition to the faculty’s Committee on Petitions.

The Registration Changes section includes information on withdrawing from the course and the impact on academic status and financial aid.

Withdrawal Process
Any enrolled student withdrawing from WSC must complete the Request for Withdrawal Form in order to withdraw and receive a refund of their Enrollment Deposit (see WSC Enrollment Deposit above). The withdrawal form may be obtained online or from the Registrar. The date of withdrawal is determined when the student began the withdrawal process or when the student ceases attendance if they do not submit official notification in a timely manner. A student is also required to obtain withdrawal approval from the Dean of Students, the Library, the Business Manager, and the Registrar. Withdrawing from a course may adversely affect a student’s financial aid eligibility. Consequently, if a student has taken part in any part of the WSC Financial Aid program, a student will be required to receive withdrawal approval from the Financial Aid Coordinator after a discussion of financial circumstances, loan eligibility, and any tuition responsibility after withdrawal. Tuition will be refunded as determined by the WSC tuition refund schedule. The Federal Loan Refund Policy will apply in the event that a loan has been distributed and the student has not completed 40% of the semester (for more information, see the Financial Aid section under Title IV Return Policy). If a student is a teaching assistant, his or her withdrawal may also result in a violation of a student’s contract. A teaching assistant should contact his or her professor to determine the extent to which this may result in penalties before submitting the withdrawal form.

ACADEMIC PLACEMENT
Greek and Hebrew Placement
Westminster Seminary California believes that knowledge of the original biblical languages is essential for the study of God’s Word. Therefore, incoming students without knowledge of Greek should enroll in Greek I during the summer term.

Students with prior studies in Greek or Hebrew may be required to take a placement exam given by the Biblical Studies department. Students who have begun study in WSC’s Hebrew and/or Greek curriculum may not subsequently take the placement exam in the biblical language(s) studied in WSC courses.

WSC requires that students begin their field education early in their Seminary program in order to maximize its value. M.Div. students are required to enroll in the program during the second semester of their first year, unless enrollment deferment is granted by the Director of Field Education. If a first-year M.Div. student is enrolled in second semester classes, the Field Education Program will be added to his registration. For more information, please contact the Director of Field Education. (See the fee schedule for the Pastoral Internship tuition.)

LEAVE OF ABSENCE
Students who intend to take one or two semesters off from WSC (not including winter or summer terms), with the intention of returning, should go through the leave of absence process.

Leave of Absence Process
Enrolled students who have completed at least one semester may request a Leave of Absence (LOA) for a maximum of two consecutive semesters (not including winter or summer terms). The Request for Leave of Absence Form can be obtained online or from the Registrar. The submission of the LOA form should be completed as soon as the student is aware that he or she will not be able to register for any given semester. This form must be submitted to be granted official leave of absence. This form asks for the reasons for the LOA, expected semester of return, student signature, and date of request. WSC will grant an official LOA if there is sufficient expectation that the student will return. The LOA, together with any additional leaves of absence, must not exceed a total of 360 days in any 12-month period. Failure to return from an official and approved LOA results in a withdrawal status and will affect the student’s loan status as stated in his or her Master Promissory Note. This action may include expiration of the grace period and/or immediate entry into repayment. (For official details, the student should contact his or her lender.)

A student granted an LOA is not considered to have withdrawn and, thus, no refund of federal loan calculation is required. Upon the student’s return from the LOA, he or she then continues to earn the Federal Student Aid previously awarded for the entire period. If a student does not return to the Seminary at the end of an approved LOA (or takes an approved for credit but not approved for academic purposes, the student will continue to earn the Federal Student Aid previously awarded for the entire period. If a student does not return to the Seminary at the end of an approved LOA, the student’s withdrawal date is the date the student began the LOA and the withdrawal from the Seminary will apply. For readmission under these circumstances, the student must contact the Office of Admissions.
Undergraduate and graduate Biblical language courses do not transfer into a WSC program (including as electives). A Greek placement test is held on the day prior to the beginning of Greek I during the summer and winter terms. The Hebrew placement exam is held prior to the start of fall and spring semesters by arrangement with the Old Testament faculty.

Each test covers the fundamentals of grammar, vocabulary, and translation of selected scripture passages. Sample tests are available through the Office of Admissions.

Greek and Hebrew courses at the Seminary are considered prepaedicastic and will not be counted toward the total number of units required for graduation. However, grades resulting from these courses are calculated into a student’s grade point average.

Greek and Hebrew Audit Policy

Normally auditors are not admitted into language courses, but they may be admitted under one of the following circumstances:

- The student has previously taken the course for credit at WSC.
- The student has “tested out” of the course by examination. Students whose performance on a placement exam indicates that they do not need to take Greek I and/or Hebrew I are granted a waiver for the course(s) without an Audit Fee.
- The student does not plan to enroll in a degree program at Westminster Seminary California. Those who later decide to enroll in a degree program at the Seminary will be required to take the class for credit and will not be able to test out of the language requirement.

Knowledge of the English Bible

A thorough knowledge of the Bible is expected of all students at Westminster Seminary California. In order to ensure that all students have an in-depth understanding of the Bible, the Seminary has established an English Bible Exam. The examination is administered twice per academic year. All incoming students are required to take the English Bible Exam during their first semester of studies. Failure to take the exam will result in a failing grade on the exam, and students will be required to take OT420 English Bible Survey the next semester for elective credit. See the Academic Calendar for examination dates.

A score of 110 or higher out of 150 questions is required in order to be exempt from OT420 English Bible Survey. Each student must pass the exam or OT420 prior to registering for OT420, OT701, OT702, NT601, NT602, NT701, ST501, ST604, ST605, ST701, ST702, and ST703.

Graduate Theological Writing

PT420 Graduate Theological Writing is designed to assist students in developing competencies in such areas as organization and composition of essays and papers, correct use of source materials in writing, clarity and style in sentence syntax and paragraph construction, diction, grammar, punctuation, and spelling. An admitted student has the opportunity to obtain a waiver for PT420 Graduate Theological Writing. To do so, he or she must submit an academic paper by August 15 for those entering in summer term or fall semester, or by January 15 for those entering in the winter term or spring semester. The paper must be at least five pages (1,500 words) long and must include at least ten footnotes, a bibliography, and a signed statement reading: “I certify that this writing sample reflects my own efforts and activity in research, reasoning, composition, and editing, unassisted by any other person.” If the paper is judged to reflect adequate skill in research, composition, grammar, and the use of sources and skills necessary for success at WSC, the student may be exempted from the course.

Public Speaking Requirement

All M.Div. students are required to enroll into PT410 Oral Communication during the first fall semester unless a waiver is granted. It is possible for the student to obtain a waiver if the student delivers a brief devotional speech which demonstrates adequate oral communication skills (in preparation, structure, and delivery) to representative faculty of the Department of Practical Theology during the first week of the fall semester. Master of Divinity students who do not receive exemption from PT410 are required to take the class before enrolling in PT704 Sermon Preparation and Delivery and the advanced homiletics practicum (PT603, PT704, and PT80). For more information, contact the Dean of Students. Your First Speech, a booklet that provides more information regarding this requirement, is available online or from the Registrar’s Office.

Confidentiality of Personally Identifiable Information

All personally identifiable information contained in student records other than directory information is considered confidential information. This information includes, but is not necessarily limited to: academic evaluations, general counseling and advising records, disciplinary records, financial aid records, letters of recommendation, academic references, medical or health records, clinical counseling and psychiatric records, transcripts, test scores, field evaluations on internships or fieldwork undertaken as part of a Seminary program, and other academic records. “Personally identifiable information” means that the information includes: (a) the name of the student; (b) the address of the student; (c) a personal identifier such as social security number; or (d) a list of personal characteristics or other information that would make the student’s identity easily traceable. The Seminary will generally not disclose personally identifiable information to third parties without the written consent of the student. The consent should specify the records to be disclosed, the purpose of the disclosure, and to whom the records are to be disclosed. However, personally identifiable information may be disclosed, without the student’s consent, to the following individuals or institutions, or in the following circumstances:

- Seminary officials (or office personnel ancillary to the officials) who require access for legitimate educational purposes such as academic, disciplinary, health, or safety matters. Seminary officials may include, without limitation, the president, deans, department chairs, faculty members, the Seminary’s legal counsel, judicial officers, counselors, and the Admissions Committee. Seminary officials also include individuals employed by—or under contract to—the Seminary to perform a special task, such as an attorney or auditor, and individuals acting as official agents of the Seminary who are performing a service on behalf of the Seminary.
- Officials of other educational institutions to which the student seeks or intends to enroll (on condition that the student is entitled to a copy of such records upon request)
- Appropriate federal, state, or local officials or authorities, consistent with federal regulations
- Organizations conducting studies for—or on behalf of—educational agencies or institutions
- Accrediting organizations to carry out their accrediting functions
- Parents of a dependent student as defined in Section 135 of the Internal Revenue Code of 1986 (provided that the Seminary takes reasonable steps to assure itself of the parent’s right to claim the student as a dependent)
- Parents or guardians of a student, where the information pertains to violations of any federal, state, or local law, or of any Seminary rule or policy governing the use or possession of alcohol or a controlled substance, and the student has committed a disciplinary violation
- In connection with the student’s application for or receipt of Federal financial aid
- In compliance with a judicial order or lawfully issued subpoena (on condition that a reasonable effort is made to notify the student of the order or subpoena, if legally permitted to do so)
- In case of an emergency, to protect the health or safety of students or other individuals. The Seminary will inform a party to whom a disclosure of personally identifiable information is made that it is made only on the condition that such party will not disclose the
information to any other party without the prior written consent of the student. An exception to this is in the case of mandatory disclosure to comply with a judicial order or lawfully issued subpoena.

**Inspection and Review Rights; Right to a Hearing**

A currently or previously enrolled student has the right to inspect and review his or her educational records. This right does not extend to applicants, those denied admission, or those admitted who do not enroll. Seminary officials may require that requests for access be submitted in writing, and may ask for, but not require, the reason for the request. The Seminary will comply with requests to inspect and review a student’s records that it has determined to honor within a reasonable period of time, but in no case more than forty-five days after the request was made.

**Records that students are not entitled to access include:**

- Confidential letters and statements of recommendation placed in a student’s record before January 1, 1975, or confidential letters and statements of recommendation to which students have waived rights of access
- Employment records of students as Seminary employees
- Records that are made or maintained by a physician, psychiatrist, psychologist, pastor, or other recognized professional or paraprofessional acting in his or her professional capacity or assisting in his or her paraprofessional capacity, and that are made, maintained, or used only in connection with treatment of the student and are not disclosed to anyone other than the individuals providing the treatment. These records may be reviewed, however, by a physician or other appropriate professional of the student’s choice
- Financial records of the parents of the student or any information contained in those records
- Records of instructional, supervisory, and administrative personnel and educational personnel ancillary to those persons, that are in the sole possession of the maker of the record and are not accessible or revealed to any other individual except a temporary substitute for the maker
- Institutional records of students that may be maintained by the Seminary in a computer printout or similar format (so long as this computerized information is not intended to be distributed outside the Seminary), as long as the original source of computer information is available in the office or department having original jurisdiction for the records
- Records that only contain information about a person after that person was no longer a student at the Seminary (e.g., information collected by the Seminary pertaining to accomplishments of its alumni)
- Those portions of a student’s records that contain information on other students.

Students may be invited but not required to waive their right of access to confidential letters of recommendation for admission, academic references, honors or awards, or employment. Failure to execute a waiver will not affect a student’s admission, receipt of financial aid, or other Seminary services. If a student signs a waiver, he or she may request a list of all persons making confidential recommendations.

A student who believes that information contained in his or her education records is inaccurate or misleading, or otherwise in violation of his or her privacy rights, may request that the Seminary amend the records. The student should first discuss his or her concerns with the individual responsible for the office where the records are maintained. If the student is not satisfied with the resolution, the student should contact the individual to whom that person reports. If still not satisfied, the student may contact the appropriate vice president or designee. The final level of appeal is a formal hearing. To obtain a hearing, the student should file a written request with the Registrar. The hearing will be conducted in accordance with the requirements of FERPA.

The substantive judgment of a faculty member about a student’s work (grades or other evaluations of work as signed) is not within the scope of a FERPA hearing. A student may challenge the factual and objective elements of the content of student records, but not the qualitative and subjective elements of grading.

If as a result of a hearing the Seminary determines that a student’s challenge is without merit, the student will have the right, and will be so informed, to place in his or her records a statement setting forth any reasons for disagreeing with the Seminary’s decision.

A student has the right to file complaints concerning alleged failures by the Seminary to comply with the requirements of FERPA and the implementing regulations. Complaints should be addressed to the Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, S.W., Washington DC 20202-4605. Students are encouraged to bring any complaints regarding the implementation of this policy to the attention of the Registrar.

**ACADEMIC PETITIONS**

**Directed Research Petition (Elective Courses Only)**

Professors are pleased to arrange research courses on subjects of interest for qualified students. These courses will be conducted by means of assigned reading, a thesis, and conferences with the professor and/or an examination. These regulations and procedures also apply to Institute of Theological Studies courses offered by Westminster Seminary California.

Directed research courses may be one, two, or three semester units in credit value. The instructor shall indicate on the Directed Research Agreement the number of credit units assigned to the particular course in light of the amount of research, writing, and faculty consultation required.

- Directed Research Qualifications: Directed research courses may be pursued only by students who are registered for regular class work, unless they have previously attained a 2.8 GPA or better at the Seminary. Generally, directed research courses are taken with full-time faculty. If a student wishes to pursue a directed research course in an area in which only an adjunct professor specializes, the petition must be approved by the Academic Dean.

- Directed Research Petition Procedures: Arrangements for directed research courses should be made prior to the scheduled registration date as printed in the Academic Calendar. A petition form available from the Registrar or from the Seminary website must be completed, signed by the professor and student, and submitted prior to the term or semester in which the course is to be taken. If the materials are submitted after official billing has occurred, the Add/Drop Fee will apply. A student taking a directed research elective will have a course number assigned to the course by the Registrar after completing the petition.

- Completion Deadline: All written research papers and other work must be completed by the last day of classes of the same term, and any final exam must be completed by the end of the examination period of the same term. Failure to meet these deadlines will automatically result in an “F” for the course, unless a further extension is granted by faculty action prior to the end of that term.

**Extramural Petition (Required Courses Only)**

A student who desires to take a required course through independent study must fill out an Extramural Petition Form available on the Seminary website or from the Registrar. Extramural Petitions are approved only by a vote of the Faculty Committee on Petitions.

- Petition Procedures: The petition deadline is one week prior to the end of registration week. The Committee normally will not approve late petitions. The student is responsible for obtaining the Extramural Petition Form from the Registrar’s Office or online. The student should meet with the professor to arrange fulfillment of course requirements and obtain the instructor’s signature. The petition must explain why the student cannot take the course when and as it is ordinarily offered. The student should submit the completed petition to the Academic Dean. The student must register for the course at the time of registration (if the petition is granted).

- Extramural Petition Completion Deadline: All written research papers and other work must be completed by the last day of classes of the same term, and any final exam must be completed by the end of the examination period of the same term. Failure to meet these deadlines will automatically result in an “F” for the course, unless a further extension is granted by faculty action prior to the end of that term.

**Class Conflict Petition**

A student may petition to fulfill requirements for two overlapping classes. Both professors must sign the petition. Under these circumstances, the student is expected to divide his or her attendance between classes and complete all assignments.

- Class Conflict Petition Procedures: The petition must be completed, signed by instructors of the conflicting courses, and submitted with the student’s registration form for the semester or term. A student will not be allowed to register for either course until the petition, signed by both professors, is submitted to the Registrar. The student is responsible to obtain the Class Conflict Petition Form from the Registrar or online, make arrangements for attendance and obtaining materials for both courses, obtain all material covered in both courses, obtain the professors’ signatures, and submit the completed petition to the Registrar during registration. Registration for these classes is not completed until
the form is submitted to the Registrar. If this occurs after official billing, the Add/Drop Fee will apply.

Waiver of Prerequisites
If applicable, course descriptions specify prerequisites—namely, courses that must be taken first in order to fulfill assignments and expectations acceptably. For example, successful completion of Hebrew and Greek courses (or performance on the language placement exams) is prerequisite to enrollment in various biblical studies and systematic theology courses because these courses require interpretation of Scripture in its original languages. In extraordinary circumstances and for weighty reasons, a course instructor may grant a waiver of prerequisite if, in the instructor’s judgment, a student would be able to complete course requirements acceptably even without the background that is ordinarily necessary for optimal student learning.

Students seeking waiver of prerequisites for a course must obtain the Request for Waiver of Prerequisite Form from the Registrar’s Office, discuss with the course instructor the rationale for requesting the waiver and the requirements of the course, obtain the instructor’s signature on the form and submit the Request for Waiver of Prerequisite Form with the student’s term or semester registration to the Registrar. Students will not be registered for the course until the waiver is submitted to the Registrar. After official billing the Add/Drop Fee will apply.

ACADEMIC POLICIES

Academic Honesty—Honor System
Examinations at WSC are conducted on the honor system. Each student is responsible to maintain this honor system without blemish. A more detailed explanation of the honor system is found in the Student Handbook that is given to all new students at the New Student Orientation.

Final Examinations
The academic calendar indicates the dates of final examinations of each semester or term. Morning exams start at 8:30 a.m. promptly and end at 11:30 a.m.; afternoon exams start at 1:00 p.m. and end at 4:00 p.m. (unless otherwise specified by the professor). Students are expected to take examinations at the scheduled time. Examinations for evening and Saturday courses will be administered in the appropriate classroom. Withdrawal to areas other than the restroom or lounge is not permitted. Computers (notebooks, lap-tops, desktops, or others) capable of storing or retrieving data, booklets, or computer printouts are not permitted. No student with unpaid financial obligations to the Seminary (including Library fines) will be allowed to take final examinations unless the student has made satisfactory arrangements prior to the start of final examinations. In such circumstances, a final examination will not be re-administered to any student at a later date, and a failing grade will be received on the examination.

Plagiarism
Plagiarism is a serious offense. It is sometimes committed through carelessness, sometimes as a conscious intention to deceive. Since the definition of academic misconduct is acceptance of use of others’ words and ideas varies from society to society and from context to context within any given society, and because of their concern for the seriousness of this offense, the faculty adopted a detailed “Statement on Plagiarism” for inclusion in the Student Handbook. It says (in part): “Since ideas and their communication are one of the most important ingredients in any academic institution, it is most important that we, as a community, make abundantly clear our expectations with regard to the sharing and transmission of ideas. We think it essential that no one ever present as his or her own the academic achievements of another. Certainly the intellectual contributions of others may be utilized, but whenever they are, full credit must be given to the one whose ideas they are. In a word, plagiarism must be avoided at all costs.” Every student is expected to read, understand, and follow this statement.

Attendance
It is expected that students will attend every class for which they are registered. Absences caused by illness or other justifiable causes will be permitted to a limited extent. If, in the judgment of the instructor, these permitted absences or other unauthorized absences endanger the standing of the student in the course, the instructor shall advise the student and notify the student’s Faculty Advisor. Further, absences will normally result in a failing grade in the course.

Incomplete Course Work
A student is expected to complete all work within the current term. In extraordinary circumstances, however, a student may petition for an Incomplete. If the petition is granted, the “I” grade will remain on the transcript until the course work has been completed. Then the “I” will be replaced with the final letter grade.

An Incomplete grade may be granted only when the student’s work in the course has not been completed because of extenuating circumstances. These circumstances may include failure to register, personal illness, personal or family traumatic crisis, or other reasonable and unforeseeable events.

An Incomplete grade may not be given when a student has simply failed to complete the work or fails to take an examination due to lack of discipline or organization, church ministry, job responsibilities, or other ordinary circum- stances. The Dean of Students will determine whether adequate cause exists for granting the Incomplete. No Incomplete will be granted automatically. Student initiative is required to petition for an Incomplete.

In the case of an Incomplete granted, the student is required to obtain the Incomplete Petition Form from the Registrar or online, obtain the signatures of the professor and the Dean of Students, and return the completed petition to the Registrar by the last day of classes.

Deadlines for Completing Incomplete Course Work
In the case of a granted Incomplete, all outstanding course requirements must be finished and graded by the last day of classes of the next semester, or by some earlier date agreed upon by the professor and the student. Any arrangement for work to be turned in must allow time for the professor to grade it by the last day of classes of the following semester. Failure to meet these deadlines will automatically result in an “F” for the course, unless a further extension is granted by faculty action prior to term end, at the request of the student.

Double Submission of Papers
It is contrary to academic ethics to submit an identical paper for credit in two or more classes at Westminster Seminary California or one which has been submitted for credit at another institution. The only exception is that students en- rolled in PT400 Graduate Theological Writing may, with the knowledge and consent of both instructors, submit the same paper in PT400 and another course taken concurrently.

Academic Probation
Probation status is a means by which the Seminary seeks to alert and assist a student whose academic standing is in jeopardy. Its purpose is both to emphasize the need for change in the student’s approach to theological study and to provide the guidelines and support for such a change. When a student is placed on academic probation, his or her Faculty Advisor and/or the Dean of Students will meet with him or her to discuss the factors contributing to previous academic difficulty. A student will be placed on academic probation if his or her cumulative grade point average falls below 2.0 after completing 35 semester units of course work at WSC. The student remains in probation status until his or her cumulative grade point average is raised to 2.0 (the minimum grade point average required for graduation). A student must raise his or her cumulative grade point average to 2.0 within 30 semester units after being placed on probation. Failure to do so will be grounds for dismissal. A student dismissed for academic reasons may appeal to the Academic Probation Committee for reinstatement. Such an appeal could be made in writing and submitted to the Academic Dean, explaining the student’s circumstances and proposing a plan for successful completion of seminary course work if reinstatement is granted. If the appeal is granted, the faculty may also grant whatever credit for work already completed it deems appropriate.

Since probation is designed to help the student demonstrate and develop his or her academic competency,
neither probation at admittance nor academic probation shall be recorded on a student’s permanent transcript.

Grading System

Every credit is calculated by the use of a grade point system. Grade points are assigned to grades as follows:

- Grade points are assigned to grades as follows:
  - A: 4.0 grade points
  - A−: 3.7 grade points
  - B+: 3.3 grade points
  - B: 3.0 grade points
  - B−: 2.7 grade points
  - C+: 2.5 grade points
  - C: 2.0 grade points
  - C−: 1.7 grade points
  - D+: 1.3 grade points
  - D: 1.0 grade point
  - D−: 0.7 grade point
  - F: 0.0 grade point
  - WF: 0.0 grade point

A through D− are passing; F is a failing grade, no credit given.

WF indicates formal withdrawal for a course after the deadline for dropping without academic penalty, no credit given.
P+ indicates Pass with Distinction, only used for HT 710 Thesis.
P is passing, no points calculated in grade point average.
F in a Pass/Fail course is not passing, no points calculated in grade point average.
I is incomplete work, anticipating further work to be completed.

A student’s general standing is the result of the total number of grade points earned divided by the total number of semester units taken. Courses in which credit/no credit grading is employed are not calculated in the grade point average. Grades received in Hebrew and Greek courses taken at the Seminary are calculated in the grade point average. In a course in which a failing grade has been received, a student may be granted permission by the professor to take a reexamination or complete a re-assignment of sufficient quality to raise the grade to an F/D. Such work must be completed within 21 days after the Registrar notifies the student of the failing grade. If the grade is raised to a D, the student receives credit for the course, but no grade points are counted in calculating general standing.

Grade Reports and Appeals

Each term, after the due date for professors to submit grades, students will have access to their updated unofficial transcript via the student information system. Any discrepancy between these documents and the student’s personal record must be brought to the attention of the Registrar in writing. Students have a period of four months from the day that grades are issued to question or challenge the grades recorded on their transcripts. After the four-month period, grades will be final and permanent.

Course Load

The minimum full-time course load for M.Div. and M.A. students during fall and spring semesters is 12 credit units. Six to eight credit units are considered a half-time load; and nine to eleven units are considered a three-quarters-time load. These definitions apply to all students except for seniors in their final two semesters who are taking all courses that they need to graduate. These seniors, if taking less than 12 hours, will be considered full-time for purposes of course auditing and financial aid. No student may take more than 20 units during a semester or five during the winter term without the permission of the Faculty Committee on Petitions prior to registration. A student’s enrollment must be full-time during the winter term if they are registered for 12 credit hours in the fall and spring semesters.

Change in Degree Program

A student is admitted into the degree program for which he or she applied. Students wishing to change their degree program must submit to the Registrar a formal application form with their Faculty Advisor’s signature along with the Change of Program Fee of $15.00. The Change of Program Application Form is available from the Registrar or online.

Shared Credit Between Degree Programs

Students desiring to pursue two Master’s degrees from Westminster Seminary California, either simultaneously or sequentially, or who have previously completed an M.Div. or other Master’s degree at WSC or another institution, may apply up to 15 semester hours of overlapping coursework toward the fulfillment of degree unit requirements in both programs. The successful completion of all required courses and of the specified number (and disciplinary distribution, where appropriate) of elective units is required in each program in order to receive the degree.

Repeated Courses

A student is permitted to repeat a course in which a grade has already been earned. When a course is repeated, both the first and the second grades are figured into the total cumulative grade point average and both grades are shown on the student’s transcript.

Transcript Requests

To request a transcript, complete the Transcript Request Form that is available online or from the Registrar’s Office. Official transcripts are $5.00 per copy. Students may print their own unofficial transcripts through their student information system accounts. Transcripts must be requested in person, by mail, or fax. Telephone requests will not be accepted. No transcripts are issued for students with unpaid accounts.

Information Pertaining to Veterans

For students receiving Department of Veterans Affairs benefits, credit unit values have been designated as follows:

- The only degree requirement not bearing “credit units” is FE691 Pastoral Internship but the course is certified as a three-credit course. All other courses bear “credit units” as stated in this catalogue. In accordance with the rules of the Department of Veterans Affairs, a student receiving veterans’ benefits will be placed on probation if his or her cumulative grade point average falls below a 2.0. He or she may continue to receive veterans’ benefits while on probation for a maximum of two semesters if he or she is allowed to remain on academic probation beyond this period, all veterans’ benefits will be terminated.

GRADUATION

Requirements for the Degrees

To qualify for a Master of Divinity or Master of Arts degree at Westminster Seminary California, a student must fulfill and successfully complete all requirements and receive a cumulative grade point average of 2.00 or higher at the completion of required course work.

Application for Graduation

Any student planning to graduate must complete an Application for Graduation and return it to the Registrar’s Office by the date listed on the application. The Graduation Application is available online under the Current Students section of the WSC website.

Commencement

Commencement exercises are held once each academic year at the end of the spring semester. All students who are eligible to receive degrees are expected to participate in the commencement ceremony. If requirements for the degree were completed by the end of the fall semester or winter term, a student who is unable to be present at the ceremony may petition the faculty for permission to receive the degree in absentia by giving the reason for his or her inability to attend the commencement ceremony.

Prospective graduates must pay all debts to the Seminary, including the library, no later than the last day of classes of the spring semester in order to participate in the commencement exercises. Neither a diploma nor a final transcript will be released until a student’s financial obligations to the Seminary are met in full.

The Graduation Fee will be billed to the student prior to graduation and is typically processed with the Graduation Application. If the Enrollment Deposit remains on the account, these funds will be used to pay the Graduation Fee in full.

Students are expected to attend a graduation reception held in connection with the commencement exercises, normally on the evening preceding the ceremony. This reception provides an opportunity for fellowship with faculty and fellow-graduates and for corporate reflection on the seminary experience.

STUDENT CONDUCT AND NON-DISCRIMINATION

Code of Conduct

Westminster Seminary California is a distinguishingly Christian community of scholars and expects its students and employees to conform to the standards of behavior set forth in Scripture and in the historical Reformed confessions. These standards teach that authentic goodness is a state of the heart, the product of regeneration by God’s Holy Spirit. We cannot judge another’s heart, and therefore we cannot judge the internal thoughts and attitudes that produce good or wicked actions. But we can and must take account of the external actions that Scripture praises or condemns. Those whose actions violate these biblical and confessional standards may be subject to discipline (through due process as described in the Faculty Handbook, Student Handbook, and Staff Handbook) and, in cases of serious unrepentant or continued violation, may be required to leave the Seminary. There are lengthy statements in the Student
Handbook concerning plagiarism and the use of drugs and alcohol (see summaries below). Offenses defined by these policies are subject to discipline. Other offenses which violate our confessional standards and are therefore subject to discipline, with the possibility of expulsion, include (but are not limited to) the following: participation in the occult, profane or blasphemous language, expressions of dis-respect for others, contentiousness, divisiveness, slander, physical assault, unbiblical termination of pregnancy, sexual misconduct (including rape, incest, fornication, adultery, prurient use of pornography, lewd conduct, homosexual behavior), unrepentant divorce which was obtained on unbiblical grounds, lying, dishonesty (particularly violations of the honor system), disruptive behavior, theft, and damage to the property of others. Such discipline may also be brought against those who violate civil law, except in those rare cases where the civil law contradicts the Scriptures. Student conduct is under the supervision of the faculty, acting through the Dean of Students. The faculty reserves the right to dismiss from the Seminary a student whose conduct is found to be unsatisfactory. The Student Handbook states students’ rights to due process and the procedures followed in hearings and appeals in cases of student discipline.

Substance Abuse
Westminster Seminary California is committed to being an institution free of the use of illegal drugs and of the abuse of alcohol. All faculty, staff, and students are required as a condition of employment and/or enrollment not to use illegal drugs or abuse alcohol. Illegal drugs may not be used at or brought to the campus or any Seminary activity. Alcohol may not be consumed on campus or at a Seminary function. As a Christian institution, the Seminary is eager to help anyone struggling to overcome the misuse of drugs or alcohol. The Seminary will help find counseling support for a student or employee through the Institute for Biblical Counseling and Discipleship or other appropriate agency. This policy is outlined in detail in the Student and Faculty Handbooks.

Sexual Harassment
God’s Word commands respect for others and the maintenance of sexual purity in thought, word, and deed. Scripture condemns the use of influence by persons of either sex to exploit others sexually, and it instructs Christ’s followers to avoid all sorts of impure speech. As a community under the lordship of Christ, WSC intends to preserve an environment that is free from sexual harassment. The Seminary’s policy defining sexual harassment and the procedure for investigating allegations is published in the Student and Faculty Handbooks.

Non-Discrimination Policy
Westminster Seminary California does not discriminate on the basis of race, age, color, national and ethnic origin, disability, or gender in the administration of its educational policies, admissions policies, services, or scholarship and loan programs. The Seminary Board and faculty understand the criteria for the gospel ministry set down in Scripture as limiting candidacy for the gospel ministry to qualified males. Because the Master of Divinity program is designed to prepare candidates for official pastoral ministry, only men are admitted to the M.Div. degree program. Women as well as men receive gifts and callings from God to serve in various non-ordained ministries. Therefore, women and men are encouraged to enroll in the Master of Arts programs.

Terms of Payment

Tuition and fees are due one week prior to the start of each semester. Payments for winter and summer term classes must be paid in full by the first day of class. Payments may be made by cash, check, money order, or credit card (Visa or MasterCard). Students unable to pay the full semester’s charges should make prior arrangements with the Business Office to fulfill their financial responsibilities through a deferred-payment plan. The deferred-payment plan allows students to defer up to 66% of their tuition charges. A minimum 3% of tuition plus fees must be paid one week prior to the start of the term. The remaining balance of tuition must be paid in two 13% monthly payments. A 1.5% service charge will be added to the unpaid balance each month. No individual who has unpaid financial obligations to the Seminary or library shall be permitted to register, take final examinations, receive a degree, or be issued an official transcript. Final exams will not be read or mailed to any student at a later date.

Refunds

A student who gives the Registrar written notification of his or her withdrawal from courses during any academic term, or of a desire to change his or her enrollment in a course from credit to audit status, will receive a tuition refund according to the following schedules if the student withdraws from a course before the class has met, all tuition will be refunded. This does not include a refund of Drop Fees, Audit Fees, Listener’s Pass, or Enrollment Deposit unless the withdrawal form has been completed and submitted. The Student Association Fee will not be refunded after the first two weeks of the academic period. Refunds owed for Federal Subsidized and Unsubsidized Stafford Loans and PLUS Loans are not calculated according to WSC’s tuition refund schedule. Federal Student Aid recipients should see the Financial Aid Coordinator for information on refunds or payments due.

Board of Trustees

**Government**

Westminster Seminary California is governed by a self-perpetuating Board consisting of 18 Trustees, all of whom have served as ministers or elders in Presbyterian and Reformed churches. At least six but no more than nine must be ministers of the gospel. Each Trustee is required to subscribe to the confessional standards of the Seminary in a pledge similar to that required of the faculty. All corporate powers are exercised by or under the authority of the Board of Trustees.
