Do you believe the Gospel of Jesus Christ? Do you want to understand the Bible faithfully? Do you want to serve Christ and his church? If your answer is yes, then Westminster Seminary California (WSC) is an excellent place for you. Here you will find a community of faith and study, of fellowship and prayer. At WSC you will find an encouraging place to reflect on and prepare for your calling from Christ.

We hope that this catalogue will help you to get to know us better. As you look through it, you may want particularly to notice our commitments, our faculty, our programs, and our facilities.

We are committed to the Gospel of Christ as taught by the inerrant Scriptures and as summarized in our Reformed confessions of faith.

Our faculty is outstanding. Each member is an experienced pastor and an excellent teacher. They are active in their churches and committed to helping students in and out of the classroom. Their academic credentials are impressive. They all have doctoral degrees from fine institutions and are active in research and writing in their fields.

WSC offers two primary programs of study. First is the three-year Master of Divinity program. This program is carefully designed to prepare men for the ordained pastoral ministry. Second is the two-year Master of Arts program. With concentrations in biblical, theological and historical theological studies, it encourages women and men to pursue their own interests in preparation for various kinds of service in Christ's kingdom.

The pictures in this catalogue will give you some introduction to the beauty and fine facilities of our campus. However, the catalogue cannot convey the warmth and abilities of our students or the sense of community that we enjoy. We hope that you will visit us and experience for yourself the strengths of WSC.

Our prayer is that the Lord will use this catalogue to help you know his call for your life and future service. May the Lord bless you richly.

MISSION
Westminster Seminary California (WSC) is a Christian institution seeking to glorify God through graduate theological study. Its primary responsibility is to educate future pastors for Christian churches, especially for Presbyterian and Reformed denominations. It also provides theological education for others who will serve the Christian community and the larger society.

Westminster Seminary California offers instruction in biblical, theological and ministerial disciplines to both men and women in order to help students develop intellectually and spiritually as leaders. While the primary focus at WSC is to educate and prepare men for ordained pastoral ministry, WSC also trains women and men who are preparing to serve Christ and His church in non-ordained vocations, so that the whole body of Christ may be enriched.

Because zeal without knowledge or knowledge without zeal can only injure the church, WSC seeks to develop in each student a balanced combination of scholarship and Christ-like piety.

Westminster Seminary California seeks to maintain a community of Christian research and scholarship where the proper cultivation of the mind increases the devotion of the heart.

HISTORY
WSC traces its commitment to Reformed theological education back to the Reformation and especially to John Calvin’s educational approach in his Genevan Academy. In America, that educational heritage was maintained at Princeton Theological Seminary in Philadelphia, Pennsylvania, with the purpose of preserving the educational heritage of old Princeton and the scholarship and theology of the Reformation.

Westminster Seminary California began as a branch campus of Westminster in Philadelphia, becoming fully independent in 1982. WSC established a campus with an extensive library, a comprehensive curriculum, and a full faculty of teachers who were both experienced pastors and experts in their academic fields. The first Reformed seminary in the western United States, WSC welcomed its first students in the fall of 1980 and, now over twenty-five years later, remains committed to the inerrancy of Scripture, the Gospel of Christ, and the importance of the church and her ministry. WSC continues as a community of faith where the best of scholarship and piety are combined to serve Christ and the church. We are committed to the “whole counsel of God” (Acts 20:27) and we pursue a union of knowledge and zeal for the sake of Christ’s church.

Dr. Robert B. Strimple and Mr. Robert G. den Dulk shared in the founding of the Seminary in 1979. Dr. Strimple became the first president in 1982, overseeing the movement of the seminary from its temporary home in San Marcos to its permanent campus in Escondido. In 1988 Dr. Strimple returned to full-time teaching and scholarship and Mr. den Dulk became president, increasing the size and financial strength of the school. In 1993 Dr. W. Robert Godfrey, who joined the faculty in 1981 as professor of church history, became the third president of WSC.
DOCTRINAL COMMITMENT

The Scriptures of the Old and New Testaments, breathed out by the Spirit of God through human authors, are the very Word of God written—the only infallible and inerrant authority for faith and life.

The doctrines of the Christian faith, held by orthodox churches throughout the ages, express the central truths concerning the triune God and his works of creation and redemption, particularly as they confess the saving work of Jesus Christ as revealed in Scripture. The Reformed confessions (Westminster Confession and catechisms, Heidelberg Catechism, Belgic Confession, Canons of Dort) are the fullest and most accurate summary of the system of doctrine revealed in Holy Scripture. The Church is to be governed according to the principles of Presbyterian church polity, as agreeable to Scripture.

STUDENT BODY

Westminster Seminary California serves an evangelical and Reformed student body from over 21 denominations. WSC students come from 24 states and 11 countries. Graduates from WSC are serving Christ and his church in Singapore, South Africa and other countries. Westminster Seminary Seminary California is an accredited school of theology at the graduate level, authorized by the California Superintendent of Public Instruction to grant graduate theological degrees upon recommendation of the Faculty and by the authority of the Board of Trustees.

ACADEMIC FREEDOM

Because leaders confronted with complex issues in the church need to advance in scholarship, critical discernment, and spiritual maturity, WSC seeks to maintain a culture that encourages students in the exercise of academic freedom. Believing that intense study and rigorous thought should be an act of spiritual devotion, Westminster Seminary California seeks to become a community of scholar-servants who love God with all their minds and hearts, and who love others for his sake.

ACCREDITATION

Westminster Seminary California is an accredited school of theology at the graduate level, authorized by the California Superintendent of Public Instruction to grant graduate theological degrees upon recommendation of the Faculty and by the authority of the Board of Trustees. This school is also authorized under Federal law to enroll nonimmigrant alien students under approved F-1 status.

NON-DISCRIMINATION POLICY

Westminster Seminary California does not discriminate on the basis of race, age, color, national or ethnic origin, disability, or gender in the administration of its educational policies, admissions policies, services, or scholarship and loan programs.

WSC believes that men and women are equally created in the image of God and have distinct and complementary roles in the order of the family and the church. The Board and Faculty understand the biblical criteria for ordained gospel ministry as limited to qualified males. Because the purpose of the M.Div. program is to prepare candidates for ordained pastoral ministry, only men are admitted to this program.

Since God bestows gifts and callings to undained ministry to both men and women, both are encouraged to cultivate their gifts and enroll into any of the Master of Arts programs. Master of Arts students are eligible to receive financial aid and other services that WSC provides to its student body.

INSTITUTE OF REFORMED BAPTIST STUDIES
In 1997 the Association of Reformed Baptist Churches of America established the Institute of Reformed Baptist Studies (IRBS) to provide formal training for ministerial students. IRBS offers a challenging curriculum of theological, historical, and pastoral courses that complement the WSC Master of Divinity program to provide a comprehensive preparation for pastoral ministry in Reformed Baptist and other churches.

The faculty of IRBS subscribes to the system of doctrine contained in the Scriptures as summarized in the London Baptist Confession of Faith of 1689. Subordinate to the Word of God, this confessional standard is at the heart of the IRBS curriculum. Because the IRBS program is focused on pastoral preparation and is designed to complement the WSC M.Div. curriculum, students must be accepted into the Seminary’s Master of Divinity program before they can be admitted to IRBS.

CENTER FOR PASTORAL REFRESHMENT
Through a generous grant from the Lilly Endowment, Inc., Westminster Seminary California launched the Center for Pastoral Refreshment (CPR) for Korean-American Pastors in the summer of 2003. The program is designed to refresh pastors mentally, spiritually, and physically, so that they can return to their churches re-energized and better equipped to lead with vision, enthusiasm, and renewed passion.

The CPR Summer Sabbatical includes seminars taught by WSC faculty, health and fitness consultation, recreation, and guided wilderness trips through the beauties of God’s creation in nearby mountains, desert, and ocean. Pastors in this program also have access to the CPR study lounge on campus throughout the year for brief retreat and reflection.

Educating and forming candidates for official, ordained ministries of instruction and leadership in the church as pastors, evangelists and teachers is the main purpose of the Master of Divinity degree program. It is designed to prepare ordained leaders who believe and love the Word of God, and who therefore strive to explore, communicate, and defend the depth and breadth of the instruction of the Scriptures for faith and life. Graduates should be able to interpret individual portions of Scripture accurately, to systematize data into a coherent and comprehensive theology in light of the history of the church’s reflection on the Word, and to apply this theology to the church and to individuals through preaching, witness, leadership, and spiritual nurture. The curriculum is designed to prepare graduates to meet the book requirements for ordination as ministers of the Word, particularly in Reformed and other evangelical denominations. Because the Seminary Board and Faculty understand the criteria set down in Scripture as limiting candidacy for official teaching and leadership ministry in the church to qualified males, only men are admitted to the M.Div. program. Women are encouraged to enroll in any of the Master of Arts programs.

The degree is conferred upon the completion of the prescribed program, which requires three years of full-time study or a longer period of part-time study. The courses prescribed should be taken in the sequence indicated in the course requirements chart (opposite). The Academic Dean is available for counsel concerning the individual needs of the student.
Women and men develop understanding and skills in interpreting the Scriptures of the Old and New Testaments through the Master of Arts (Biblical Studies) program. Graduates should be able to apply their knowledge of the biblical languages, historical circumstances, and literary and theological interrelationships to exegete Scripture accurately. They should also analyze contemporary trends in biblical interpretation with discernment. This program is not meant to prepare candidates for ordination to the ministry of the Word. Graduates of this program are prepared to pursue graduate research programs in Old or New Testament studies; or, with further practical training, to use their biblical knowledge in such ministries as teaching, missions, counseling, or lay church leadership. The degree is conferred upon the completion of the prescribed program, which requires two years of full-time study or a longer period of part-time study. The courses prescribed for this emphasis should be followed in the sequence indicated. The Academic Dean is available for counsel concerning the individual needs of the student.

1 May be waived, see page 74. 2 At least 2 semester units of electives must be taken in church history. 3 Units required in Hebrew, Greek, writing and oral communication courses are not included in the degree units as they are considered propaedeutic.
The main purpose of the Master of Arts (Theological Studies) program is to develop the understanding and skills needed to apply biblical truth to the intellectual issues confronting the church and the surrounding culture. Graduates should be able to exegete individual passages of Scripture accurately and understand the major issues in faith and life that the church has confronted throughout its history, the system of truth revealed in the Scriptures, and contemporary intellectual and cultural movements. They should be able to systematize exegetical, historical, and situational data into a consistent and coherent theology, to offer a thoughtful defense of Christian theology, and to explain how this theology applies to an individual’s belief and behavior. It is not the purpose of this program to prepare candidates for ordination to the ministry of the Word. Graduates of this program are prepared to pursue research programs in such disciplines as theology, apologetics, and church history; or, with further practical training, to use their theological knowledge in such ministries as teaching, missions, counseling, or lay church leadership.

The degree is conferred upon the completion of the prescribed program, which requires two years of full-time study or a longer period of part-time study. The courses prescribed for this emphasis should be followed in the sequence indicated. The Academic Dean is available for counsel concerning the individual needs of the students.

The degree consists of:

- 41 Total Degree Units (including electives)
- 31 Total Degree Units (excluding electives)
- 3 Total Degree Units including propaedeutic

1. In addition to the OT501 and NT501 at least 3 units of electives must be taken in Biblical Studies.
2. May be waived, see page 74.
3. Units required in Hebrew, Greek, writing and oral communication courses are not included in the degree units as they are considered propaedeutic.
The Master of Arts (Historical Theology) program is designed to enable students to gain an understanding of the historiography of theology, the historical development of the various Christian theological traditions, and the critical skills for evaluating them. Graduates will have read and analyzed representative theologians and texts from throughout the history of Christianity and demonstrated a grasp of the history of biblical exegesis. As a result, they should be able to give a coherent account of the history of exegetical and dogmatic theology. They should also demonstrate historical sensitivity in evaluating theology as well as a grasp of the intention behind the various theological formulations in each historical epoch. Graduates will develop an ability to relate the great issues of historical theology to contemporary intellectual and cultural movements. Graduates of this program are prepared to enter research programs in history and theology or, with further practical training, to use their theological knowledge in such ministries as teaching, missions, or lay church leadership. It is not the purpose of this program to prepare candidates for ordination to the ministry of the Word.

The degree is conferred upon completion of the prescribed program, which requires two years of full-time study or a longer period of part-time study. The courses prescribed for this emphasis should be followed in the sequence indicated. The Academic Dean is available for counsel concerning the individual academic needs of the students.
The purpose of the Master of Arts (Christian Studies) program is to enable church leaders and other men and women to deepen their knowledge of God through his self-disclosure in Christ and in the Scriptures and serve in the advancement of his kingdom through his church. The aims of the program are that graduates will be able to interpret the Old and New Testaments using resources available in English, to articulate the system of truth revealed in the Scriptures, to defend it in response to alternative worldviews, to address issues presently confronting the church in the light of its history and heritage, and to apply their understanding of the church and its ministries to their own roles as members of the church of Christ. MACS courses are ordinarily offered evenings and Saturdays, particularly to meet the needs of students whose employment or other weekday responsibilities prevent them from participating in the Master of Divinity and Master of Arts programs.

The degree is conferred upon the completion of the prescribed program, which requires 52 semester hours of study normally completed over four years of part-time work. The curriculum consists of a core of 24 semester hours, distributed over four subject areas, plus 28 semester hours of electives. MACS core courses are not transferable to WSC's other degree programs (with the exceptions of OT520, CH601, ST501, & PT600), but MACS students may take any other WSC courses as electives to their program as long as the prerequisites are met.

The MACS program has been discontinued; the last new applicants were admitted to the MACS program in fall 2006. MACS required courses will not be offered after spring 2010, and all MACS graduation requirements, including elective hours, must be completed by spring 2013 in order to receive the degree.

Once these conditions have been met the Designated School Official (D.S.O.) will issue the Certificate of Eligibility (I-20). Students who come to study on an I-20 must register and maintain full-time status of 12 or more units per semester.

GRADUATES OF UNACREDITED INSTITUTIONS
Westminster Seminary California has long recognized the value of the accreditation process both as a means of institutional self-evaluation and self-improvement and as a means of external attestation of educational quality and student constituency, and other academic institutions. We also recognize that for various reasons (recent founding of an institution, location in a nation lacking accreditation processes, reservations about the accreditation process) certain institutions may lack accreditation by a recognized association and yet maintain academic standards comparable to those found in accredited institutions. Since such institutions cannot offer reliable third-party evaluation and attestation to their academic standards, Westminster Seminary California exercises caution in evaluating applications and/or requests for transfer credit from graduates of such institutions. Graduates of unaccredited institutions are admitted under probationary status. In order to evaluate whether a degree from an unaccredited institution meets the standards required for admission, applicants must submit the following, in addition to general admission requirements:

• A catalogue of the unaccredited institution's degree program
• If the institution is in the United States, a copy of the document attesting to granting degrees by the State Board of Education. Such authorization is not equivalent to accreditation in the evaluation of adherence to accepted academic standards, but it does show that the institution has offered evidence of its educational purpose and financial responsibility.

• A document which provides details regarding the institutions from which the current faculty of the institution received their graduate/advanced degrees, and identifying which faculty members are full-time (if not clearly stated in the catalogue).

• A list of accredited institutions that have admitted graduates of the unaccredited institution and/or accepted its courses for transfer credit.

• Two examples of assigned course work submitted to the institution.

SPECIAL STUDENTS (M.DIV. ONLY)
In extraordinary cases a student whose formal course of theological study, only a limited number of Special Students may be admitted in
EDUCATION
The applicant must have completed at least 30 semester units (or equivalent) of undergraduate study at an accredited or otherwise approved college or university. Of these units, at least 15 semester units must be in humanities or liberal arts other than Bible and theology (namely, English or world literature, history, philosophy, ancient or modern foreign languages, etc.). To strengthen the application, the remaining course work should be in the above areas or in natural sciences, social sciences, and Bible/theology. The cumulative grade point average in undergraduate course work must be 3.0 or above.

EMPLOYMENT & CHRISTIAN SERVICE
The applicant must also have life experience in employment and Christian service in a church or para-church organization. Four years of employment experience and of experience in Christian service will be weighted as equivalent to one year (30 semester units) of undergraduate study. The applicant must have a total preparation equivalent to one year (30 semester units) of undergraduate course work, plus 8 years employment and 8 years Christian service/experience.

GRADUATE RECORD EXAMINATION
The applicant must take the GRE General Test and obtain scores at or above the 50th percentile in the verbal and analytical writing sections. Applicants should request that the Educational Testing Service send GRE test results directly to Westminster Seminary California [school code: 4980].

NARRATIVE ESSAY
The Special Student applicant must also submit a concise but thorough narrative essay that describes both the type and duration of Christian service or ministry experience, including dates, and specific ministry activities (including biblical or theological study and teaching), oversight, evaluation received, and the type and duration of employment experience, including dates, responsibilities, oversight, and lessons learned.

CERTIFICATE STUDENTS (M.A. ONLY)
Westminster Seminary California’s certificate programs are designed for those men or women for whom the completion of a bachelor’s degree is not feasible, who desire to develop personal understanding of Scripture and theology, and who anticipate pursuing further education in the field of Christian ministry. Students who have already completed a bachelor’s degree may apply for admission to one of the certificate programs. The curricula for these certificate programs are identical to the M.A. Biblical Studies, M.A. Theological Studies, and M.A. Historical Theology, respectively. An applicant must be employed or enrolled in a theology-related graduate program or have received credit in biblical theology or applied theology.

ECCLESIASTICAL REFERENCE
Because a Special Student’s admission constitutes an exception to normal admissions criteria for the sake of the church’s leadership needs and its confirmation of an individual’s gifts and maturity for ministry, special attention will be given to the evaluation offered by a pastor or other church leader in the Ecclesiastical Reference concerning the applicant’s Christian maturity, experience in ministry, and potential for future service in the church.

ADDITIONAL INFORMATION
Upon request of the Office of Admissions, the applicant may be required to demonstrate knowledge of the liberal arts and an ability to pursue graduate level study by submitting an essay or research paper for evaluation by the Admissions Committee.

Special students are admitted initially on probationary status. After completing, with a cumulative grade point average of at least 2.3, the courses specified in the standard M.Div. curriculum for the summer, fall, and winter terms of the first year, he shall receive confirmation of acceptance into the M.Div. degree program.

The application requirements for the certificate program are similar to those for the Special Student application, and the criteria are followed rigorously by the Admissions Committee (See the “Special Students” section above).

Because an undergraduate Bachelor’s degree program in the liberal arts and sciences is the preferred preparation for graduate theological study, and because the lack of a Bachelor’s degree often proves a hindrance to later educational goals, Westminster Seminary California urges individuals to complete a bachelor’s degree at an accredited college or university and then apply for admission to the standard M.Div. program rather than to a certificate program.

TRANSFER CREDIT REQUIREMENTS

ADMISSION AND TRANSCRIPT EVALUATION
Students desiring to transfer from another graduate institution must submit all regular required application items, including the following: Application for Admission, application fee, Ecclesiastical Reference, Academic Reference, and official academic transcripts from all post-secondary institutions from which the applicant has received credit. Once the prospective transfer student has been admitted to Westminster Seminary California, the Registrar will complete a transcript evaluation to determine which courses will receive credit from WSC. If a transfer student desires a preliminary transcript evaluation prior to acceptance, the student may submit their official transcripts and request for transcript evaluation to the Office of Admissions. Transfer credits are not final until after the student’s admission status has been determined.

TRANSFER CREDIT POLICIES
Westminster Seminary California may grant graduate level credit for courses in which a grade of C (not C-) or above was received. Course work from an accredited institution may transfer as equivalent to a WSC required or elective credit in the student’s program at WSC. The Academic Dean determines course equivalence on the basis of course descriptions, syllabi, prerequisites, and requirements, and in consultation with the relevant instructors of courses.

Transfer credit may not be granted for coursework at another institution for courses in the WSC curriculum that require biblical languages (Greek and/or Hebrew) as prerequisite courses taken at institutions where those pre-requisites do not exist. At least 36 semester hours must be completed in a WSC degree program. No transfer credit will be given for Greek or Hebrew languages taken at either an undergraduate or the graduate level with the exception of students who have taken Greek or Hebrew for credit at Westminster Theological Seminary in Philadelphia. Language credits from Westminster Theological Seminary in Philadelphia may be transferred by having an official transcript sent to the WSC Registrar’s office showing passing grades. Students who have taken Greek and/or Hebrew language courses at other institutions are encouraged to take the language placement exams.

TRANSFER CREDIT FROM UNACREDITED INSTITUTIONS
Students admitted to an M.A. or M.Div. program who seek transfer credit for graduate-level study completed at an unaccredited institution must supply the following information for the evaluation of each course for which transfer credit is requested:

A copy of the course syllabus, stating the instructor’s name and the course requirements
At least one sample of course work submitted in fulfillment of course requirements

All decisions regarding transfer credit from unaccredited institutions are made on a course-by-course basis. Acceptance of one course from an unaccredited institution for transfer credit carries no implication regarding the acceptance of other courses from that institution.

Only courses in which a grade of B (not B-) or above was received will be accepted for transfer credit. No more than 15 semester hours (23 quarter hours) from an unaccredited institution will be accepted for transfer credit toward a student’s degree program at Westminster Seminary California.

NON-DEGREE-SEEKING APPLICANTS

Visiting, Non-Matriculating, and Certificate Applicants taking courses for credit (as well as non-credit as auditors and listeners) are to observe all policies and procedures stated in the catalogue, except those specifically pertaining to M.Div. or M.A. program requirements.

VISITING STUDENTS

Students holding a Bachelor’s degree from an approved institution who desire to take courses for credit at WSC may follow a simplified application procedure to apply for the status of Visiting Student. Each applicant must submit a completed Visiting Student Application form, a non-refundable application fee, TOEFL scores (if the applicant is not a native English speaker), and an official transcript showing the completion of a Bachelor’s degree program.

Visiting Students may enroll in the Hebrew and Greek language courses and up to 20 additional semester units. A Visiting Student may enroll in any class offered by WSC as long as they have met the prerequisites for the class. If a Visiting Student applies and is accepted into a degree program at a later date, credits earned as a Visiting Student will be applied to the degree program.

NON-MATRICULATING Students enrolled in undergraduate or graduate programs at other educational institutions may, without application to and matriculation in Westminster Seminary California, take courses at the Seminary for transfer credit to their current degree programs. Non-Matriculating Students must present the Registrar written notification from the institution in which they are enrolled that each course to be taken at WSC is approved for credit toward their degree requirements. The Academic Dean makes a final determination as to whether a Non-Matriculating Student has sufficient academic background to enroll in a particular course, which may necessitate the request of documentation in the form of official transcripts.

AUDITING

Auditors are permitted in most courses. Persons desiring to audit are required to secure the permission of the Registrar, complete audit registration form, and pay a non-refundable fee of one-half the regular tuition charge for each course audited.

Minors (persons under 17 years old) are permitted to audit a course only when they have either graduated from high school or passed the GED exam, or the instructor in charge has given permission. Audit privileges include regular class attendance, copies of all photocopied or printed material distributed free to the class, and the opportunity to ask occasional questions in class.

Normally auditors will not be permitted to participate in classroom exercises or recitations or to make seminar presentations, nor will assignments or examinations be reviewed or graded by the instructor. Occasional visitors must seek permission of the instructor for each class they wish to attend and will not have the privilege of participation in class discussion. Auditors and other members of the community have access to the library collection and on-site resources, and for a nominal fee they may apply for circulation privileges.

LISTENER’S PASS

As a service to the Christian community, WSC occasionally offers a Listener’s Pass to select courses that enable an individual to attend at a reduced (non-refundable) audit fee. The Listener’s Pass is limited to designated evening courses selected before each academic term. Please visit our website www.wscal.edu for further information regarding Listener’s Pass opportunities.
The spiritual life of Westminster Seminary California is nurtured by morning devotions on Tuesday and Thursdays and student-advisor prayer groups on Wednesdays. Morning devotions include faculty, local pastors, missionaries, and Christian lay people. All devotional exercises are governed by the Word of God which remains the true guide in Christian worship and prayer, as well as in all other activities of the Christian life and on campus. It is only when the believer, with the help and guidance of the Holy Spirit, returns continually to the great scriptural doctrines of God, of sin, and of grace, that true blessing is to be obtained.

WSC recognizes the indispensable role of the church in the growth of every believer and does not assume to itself the church’s responsibility for the nurture of the spiritual life of the student. Therefore students are urged to commit to the life and work of a local congregation of their choice.

**THE WESTMINSTER STUDENT ASSOCIATION**

The Westminster Student Association (WSA) was established to promote Christian fellowship and growth among students, faculty, staff, and their families and provides a voice for student concerns. The WSA coordinates a variety of activities throughout the school year such as dinners, guest speakers, the student-faculty softball game, BBQ lunches, sporting events, tournaments, and events in the student lounge. These events are supported through an annual student activities fee that is collected from full-time students. The officers of the Association (president, vice president, secretary, and treasurer) are elected annually by all full-time students.

**WESTMINSTER WOMEN’S FELLOWSHIP**

The Westminster Women’s Fellowship (WWF) is a diverse group of women connected to WSC—students, student wives, faculty, and staff. They provide an opportunity for new women at the Seminary to cultivate friendships with and benefit from those who have long associations with WSC. Activities are planned throughout the year that address both theological issues and practical concerns. These events include women’s teas, evenings with the faculty, movie nights, and guest speakers. The Women’s Fellowship activities are supported with a portion of the annual fee.

**WESTMINSTER KOREAN FELLOWSHIP**

The Westminster Korean Fellowship (WKF) exists as a resource for students serving in Korean-American churches to (1) facilitate networking and (2) create forums for biblical reflection about the application of Reformed theology in the Korean-American church. WKF holds informal discussion groups about pressing issues in Korean-American ministries. In addition, WKF organizes a theological colloquium in the spring targeting the broader Korean Church and church communities. WKF activities are supported with a portion of the annual student activities fee.

**DEN DULK LECTURES**

The Robert G. and Nellie B. den Dulk Lectures on Pastoral Ministry were endowed by friends of Westminster Seminary California when Bob den Dulk resigned as the second president of the Seminary. In appreciation for the den Dulks’ 30-year service to the Westminster Seminaries in Pennsylvania and California and in recognition of their passion for the preparation of pastors to preach the word of God faithfully and powerfully, Westminster Seminary California designated the proceeds of this endowment to bring an experienced pastor to the campus each year to address students preparing for the ministry of the Word and pastors engaged in ministry. This lecture is designed to encourage students and pastors and give counsel regarding the rigor and joy of shepherding Christ’s flock.

**LIBRARY**

The library houses over 120,000 titles and subscribes to 280 periodicals. A substantial collection of works on Reformed theology is augmented by an excellent collection of materials in biblical studies and church history. Of special note are the microfilm editions of titles in Evans’s American Bibliography and Migne’s Patrologia (Greek and Latin Fathers), Corpus Reformatorum (all the works of Calvin) and numerous 16th and 17th century Puritan texts.

Through membership in the Statewide California Electronic Library Consortium, the library affords unlimited online searching of the broadest computer library and church communities. WKF activities are supported with a portion of the annual student activities fee.

**THE BOOKSTORE AT WSC**

The Bookstore at WSC is located on the central quad of the campus. The bookstore stocks course textbooks, faculty books, and other important theological and pastoral resources. In addition to books, the bookstore also sells audio lectures, magazines, and seminary apparel. These resources are also available for purchase online at www.wusc.edu/bookstore.

**NUZI TABLET**

The Nuzi Tablet is the seminary’s weekly e-newsletter that is distributed electronically throughout the academic year. It provides information to current students, staff, and faculty with information about current campus events, opportunities for employment and events in the community, and open ministry positions for students or graduates. It is available via email newsletter and on the WSC website.

**PRACTICAL SERVICE**

Effective preparation for the ministry of the gospel requires training in service. WSC’s courses and the field education requirement provide opportunities for intensive study and service. The curriculum seeks to relate devout scholarship to informed ministry of the Word.

Students preparing for the pastoral ministry are urged to work under faithful church supervision from the very beginning of their seminary study, particularly during the summer months. Service projects are required in the course work of the Practical Theology department, and special projects may be arranged for elective credit. The Director of Field Education advises students of service opportunities, and coordinates the fulfillment of field education requirements with the M.Div. students and pastoral internship supervisors. Each M.Div. student is required to register for the pastoral internship (FE691) during the spring term of his first year.

**HOUSING**

The Office of Admissions seeks to assist admitted students in finding suitable accommodations by providing informative resources on housing opportunities in the community. These opportunities may include rooms, houses, or apartments for rent from local residents in Escondido and elsewhere in San Diego County. New students should plan to arrive in the area and seek accommodations during the summer before the fall term, no later than two weeks prior to the beginning of classes. Students enrolling in summer should plan on arriving in early July.

**STUDENT HEALTH**

WSC has established a relationship with United Healthcare Student Resources by which a voluntary student insurance plan is available for current students. Each semester, enrolled students will be informed, through the Dean of Students, of the details regarding United Healthcare’s student health insurance plan. Due to the inherent financial risks in the event of a student’s or a family member’s accident...
or illness, WSC strongly encourages all students to take advantage of this or another comparable health plan. International students are required to carry medical insurance and therefore are strongly encouraged to utilize this plan. For more information please contact the health insurance plan provider or the Dean of Students.

SPOUSE AUDIT PRIVILEGES
Full-time students and their spouses may audit courses without charge. Children of (full- or part-time) students wishing to audit a course are subject to regular audit fees.

Spouses of full-time students, who have also been admitted to Westminster Seminary California as students, may take courses for credit at two-thirds the standard tuition fee. If both students are full-time, the spouse taking the lesser number of units will receive the discount. Alumni and their spouses may audit courses previously taken for credit without charge.

EMPLOYMENT AND INTERNSHIP OPPORTUNITIES
Churches from around the country regularly contact Westminster Seminary California regarding open ministerial positions. These are made available to graduating students and alumni through our campus wide list-serve. Churches throughout San Diego, Riverside and Orange counties inform us of internship needs that current students might be able to fulfill as part of their Field Education training. Community employers often advertise part-time positions for which students might qualify, through the Nuzi and the bulletin board in the Student Lounge.

FINANCING YOUR SEMINARY DEGREE
At Westminster Seminary California (WSC) we are sensitive to the increasing costs of graduate-level education and the financial challenges faced by our students. The financial aid program at WSC is designed to supplement the student’s own financial resources (i.e.: savings, family and church support and part-time employment) through a combination of scholarships, grants and student loans. Whether you are currently completing your undergraduate studies and wondering how you might afford more school or considering the possibility of leaving your current employment to go back to school, our Financial Aid Office is here to assist you in funding your seminary education.

REQUIREMENTS FOR FINANCIAL AID CONSIDERATION

THE ELIJAH AND ELIZABETH OWEN SCHOLARSHIP FUND
The Elijah and Elizabeth Owen Scholarship Fund is established in honor of the ministry of Pastor Elijah Owen who served for more than thirty-six years as a chaplain in the California State Prison system. Chaplain Owen’s ministry through both the spoken and written word has influenced the lives of many inmates to come to a knowledge of the doctrines of God’s sovereign grace.

INTERNATIONAL AID
INTERNATIONAL STUDENT FINANCIAL AID FUND
Financial aid in the form of a loan from the International Student Financial Aid Fund is made available to international students who are committed to ministry in their own countries after their study in the United States and who indicate this in writing. Students receiving this award must pursue full-time studies in a degree program as listed in the catalogue. Because these grants never exceed the amount of tuition, the student’s fees, rent, food, transportation, and other living expenses must be supplied from other sources.

When the student returns to the country of origin, the loan will be forgiven at a rate of one year of financial support per year of ministry in that country. If the student desires to minister in a country other than the country of origin he may petition the Financial Aid Committee to approve such a ministry as fulfilling the loan obligations. Under no circumstances may ministry in the United States be approved for meeting that obligation. If a student does not return to the country of origin and does not receive approval from the Financial Aid Committee to minister elsewhere in fulfillment of his loan obligations, the student is expected to repay the loan, in full, twelve months after graduation.

Students meeting the qualifications outlined above may make a formal request to the Westminster Seminary California Financial Aid Committee to be considered for this scholarship. In addition to submitting the WSC Application for Financial Aid, the student shall write a statement of no more than three pages in length, double spaced, describing the student’s goals and plans for ministry. Applications should be received by April 1 of each year and notification of the award will be processed no later than May 15 prior to the academic school year.

THE ANNIVERSARY SCHOLARSHIP
A generous donor created this award to celebrate WSC’s twenty-year anniversary of training pastors and other leaders for the Reformed community. By providing financial assistance to promising African- and Latin-American students, this scholarship is intended to encourage leadership development among ethnic communities traditionally underrepresented by Reformed churches.

These scholarships shall pay the recipient’s tuition and fees for up to three years of study at WSC.

Receivers shall be African- and Latin-American students who are selected by the Anniversary Scholarship Committee in consultation with WSC’s Financial Aid Committee. Additional criteria include the following: United States citizenship, acceptance and enrollment into Westminster Seminary California for full-time studies, and completion of all required financial aid forms. Recipients shall be selected annually. In addition to the criteria above, continuation of an award is contingent upon: enrollment as a full-time student at WSC, maintenance of a 3.0 cumulative grade point average for each academic year, the annual committee review of the recipient’s financial aid data, and completion of the M.Div. degree within three years (six semesters) or the M.A. degree program within two years (four semesters).

TRAVEL EXPENSE REIMBURSEMENT
If you schedule a visit to our Seminary (including attending Seminary for a Day) and later enroll as a student, the travel expenses of your visit will be credited to your tuition balance up to $300 for California residents and up to $500 for out-of-state visitors. Save your travel receipts, complete a travel reimbursement form (available in the Business office) and submit both to the Business office at Westminster Seminary California by the end of your first semester. The tuition credit will be applied to your second semester’s tuition balance.

VETERANS
WSC is approved for the Department of Veterans Affairs educational benefits, the California State Graduate Fellowship Program, and the Federal Family Education Loan Program. For information, contact the Veterans Office or the Financial Aid Advisor.
FEDERAL STAFFORD LOANS
Westminster Seminary California participates in the Federal Stafford Loan Subsidized and Unsubsidized Program, a student financial assistance program whereby qualified students may borrow money through low-interest federally supported student loans. The Seminary’s federal student loan default prevention policy requires that when applying for an unsubsidized loan, a student must submit an additional loan application and must document direct educational expenses.

Federal regulations allow a student to receive aid only for courses that meet his declared program of study. To be considered, applicants seeking a Stafford loan must file a Free Application for Federal Student Aid (FAFSA) for the Federal Student Aid (FFEL) Program. The Seminary’s financial aid officer considers the student’s eligibility to receive aid only for courses that meet the student’s academic year by the California Student Assistance Commissions, and certifies the Stafford Program if they are regular years. WSC follows a standard academic year policy requires that when applying for an unsubsidized loan, a student must submit an additional loan application and must document direct educational expenses.

Students must submit a FAFSA each year to be considered for financial aid. To that end, the FAFSA must be filed annually after January 1 of the current year for the following academic year. Receipt of a student loan one year does not guarantee receipt of student loans in subsequent years. WSC follows a standard academic year, which begins with the first day of fall semester and ends with the close of spring semester.

ELIGIBILITY CRITERIA
Generally speaking, students may be eligible to borrow money under the Stafford Program if they are regular students who are enrolled or accepted in a degree program, and they satisfy all of the following provisions:

- Must complete and submit all documentation required, and certify the accuracy of the information as true, correct, and accurate.
- Must be a U.S. citizen or eligible non-citizen.
- Male students must be registered with the Selective Service.
- Must work toward an approved degree program at the Seminary.
- Must have completed and returned the FAFSA (WSC, Title IV Code 027268, must be listed as one of the schools you plan to attend in the FAFSA).
- Must demonstrate a financial need for the cost of education.
- Must use federal financial aid funds solely for educational purposes.
- Must make satisfactory academic progress in a declared program of study.
- Must not be in default on any Student Financial Assistance (SFA) loan.

NEEDS-ANALYSIS AND STUDENT RESOURCES
The subsidized Stafford loan is based on demonstrated financial need as determined and outlined by the Federal Family Educational Loan (FFEL) Program guidelines. The Loan Officer calculates each student’s cost of attendance using student expense budgets, which are estimated average costs based in part on figures provided each academic year by the California Student Aid Commission (CSAC). In determining the need for aid, the Loan Officer first considers the student’s financial resources. Other sources such as veteran’s educational benefits, assets, student’s contribution (if any), and the amount of other financial assistance he or she will receive during the enrollment period are treated as additional resources and are taken into account.

SATISFACTORY ACADEMIC PROGRESS
In order to maintain eligibility for the Stafford Program, students must maintain satisfactory academic progress as outlined below. Students enrolled in the M.Div. and M.A. programs must maintain a cumulative grade point average of 2.0 at the end of each semester. Students must progress at a reasonable rate as defined in the chart that follows the Satisfactory Academic Progress Requirements.

SATISFACTORY ACADEMIC PROGRESS REQUIREMENTS
In general, the maximum amount of time allowed for students to complete a degree program is equal to the published program length (110 credit units for the M.Div. program, 74 for the M.A.B.S. and M.A.T.S., and 73 for the M.A.H.T. The M.A.C.S. program is designed to be completed at a rate of 6 units per semester, students in this program do not qualify under Stafford Loan regulations. The following table shows the maximum time frame (unit limit) allowed for the completion of each program, and the required minimum units to be completed by each semester, in order for satisfactory progress to be made in the student’s course of study. The chart implies that the full time student is following the prescribed curricula as listed in the catalogue.

INELIGIBILITY STATUS
A student will be considered ineligible for federal financial aid if he or she:
- Exceeds the maximum time frame for program completion, based on units attempted;
- Drops below a cumulative G.P.A. of 2.0 at the end of a semester or school year, as reflected by the Westminster Seminary California academic transcript;
- Has completed fewer units than the established minimum at the end of a semester.

On an individual appeal basis, the Seminary may waive the standard if a student’s ineligibility is the result of undue hardship, such as injury or illness, death of a family member, or other special circumstances as determined by the Dean of Students and the Financial Aid Advisor.

PETITION PROCESS
A student who desires to appeal the disqualification or ineligibility status must complete and submit a Federal Student Aid Petition Form no later than the established deadline for the semester for which he or she wishes to receive aid. If a petition for exceeding the established unit limit is approved, reinstatement of financial aid eligibility will not exceed a period of one school year, regardless of remaining academic requirements. If the petition is denied, reinstatement of financial aid eligibility begins as soon as the student meets the satisfactory academic progress requirements. To appeal the decision of a petition, the matter must be brought before the Academic Dean. The decision of the Academic Dean in this matter is final.

GRADE POINT AVERAGE
The minimum cumulative grade point average at the end of each semester must be 2.0 (C).

GRADE INTERPRETATION
Grades of A, A-, B, B+, B-, C+, C, C-, D+, D, D-, CR, or F/D are considered units completed. Grades of I, I/F, F, NC, or WD/F are considered units NOT completed.

Note: Classes in which credit/no credit is used are not calculated in the GPA. All of the above are considered as units attempted.

REPEAT COURSES
A course that is repeated may not be considered in determining financial aid eligibility or awards. Repeat courses, however, will count towards deciding the student’s progress rate.

BEGINNING YOUR WSC PROGRAM

Once you are admitted as a WSC student, the Registrar is ready to assist you with organizing class schedules, planning course work, and registering for classes. In order to ensure academic order, WSC has created the following procedures and policies related to beginning your course work and general academic administration. Please review the registration, placement, and academic policies in order to familiarize yourself with how WSC has organized your degree program and how to begin and to continue your work here at Westminster Seminary California.

REGISTRATION

A registration packet, which includes all necessary forms and schedules, will be sent to students one month prior to the registration due date as listed on the Academic Calendar (found in the back of the catalogue or online at www.wscal.edu/currentstudents/calendar). Students are required to complete the registration form and return it to the Registrar. Extra registration packets will be located outside the Registrar’s office. Following registration, the Dean of Students will assign faculty advisors who are available to advise students’ course of study.

Registration for new students is processed through the mail. Students who are admitted less than one month prior to the start of classes will register during WSC orientation (a late registration fee will apply).

Students must register for classes for each semester at the time listed in the Academic Calendar. Continuing students must obtain their Faculty Advisor’s approval on their registration forms prior to registration, along with the completion of any additional paperwork (i.e. extramural petitions with approval of faculty, directed research course approvals, class conflict approvals, etc.). These forms are available at the Registrar’s office or online at www.wscal.edu. A late registration fee of $50.00 will be charged when a student fails to register with all necessary paperwork before the due dates listed in the Academic Calendar.

REGISTRATION CHANGES

Courses may be added or dropped by submitting a completed Add/Drop form to the Registrar within the dates listed in the Academic Calendar. Under normal circumstances, the Add/Drop form will not be processed through electronic mail or fax. For information concerning refund and withdrawal dates please reference the refund schedule and Academic Calendar. During the grace period, the period between registration and official billing, a student must obtain his or her Faculty Advisor’s and Registrar’s approval for registration changes, but the Add/Drop fee will not apply. Once a student is officially billed, typically one month prior to the beginning of the semester, an Add/Drop fee will be charged to the student’s account per form submitted. After the beginning of the semester, a student is not normally permitted to add a course but may drop courses with the written approval of the instructor, the student’s Faculty Advisor, and the Registrar.

The effective date for dropping a course is the date on which the Registrar approves the Add/Drop request. Courses dropped between the first and the seventh week of a semester will not be recorded on the student’s permanent record. Withdrawal under any other circumstance will result in a failing grade in the course.

ACADEMIC PROCEDURES & POLICIES

GREEK AND HEBREW PLACEMENT

Westminster Seminary California believes that knowledge of original biblical languages is essential for the study of God’s Word. Therefore, incoming students without knowledge of Greek or Hebrew should enroll in Greek I during the summer term.

Students with prior undergraduate work in Greek or Hebrew may “test out” of some of the language requirements by taking a placement exam given by the Biblical Studies department. A Greek placement test is held on the day prior to the beginning of Greek I during the summer term and also during times posted on the Academic Calendar. The Hebrew placement exam is held prior to the start of fall semester by making arrangements with the Old Testament faculty.

Each test covers the fundamentals of grammar, vocabulary and translation of selected scriptural passages. Sample tests are available through the Office of Admissions.

Greek and Hebrew courses at WSC are considered propaedeutic and will not be counted toward the total number of units required for graduation. However, grades resulting from these courses are calculated into a student’s grade point average.

GREEK AND HEBREW AUDIT POLICY

Auditors are not normally admitted into language courses, but may be under one of the following conditions:

• The student has previously taken the course for credit at Westminster Seminary California.
• The student has “tested out” of the course by examination.
• The student does not plan to enroll into a degree program at Westminster Seminary California. Those who later decide to enroll in a degree program at WSC will be required to take the class for credit and will not be able to test out of the language requirement.

A student whose performance on a placement exam indicates that they do not need to take the introductory course and who will enroll full-time (12 units...
minimum or in the last semester of a degree program taking all necessary credits to graduate) may audit the waived courses without an audit fee.

KNOWLEDGE OF THE ENGLISH BIBLE
A thorough knowledge of the English Bible is expected of all students at Westminster Seminary California. In order to ensure that all students have an in-depth understanding of the Bible, WSC has established an English Bible Exam. The examination is administered twice per academic school year. All incoming students are required to take the English Bible Exam during the fall semester. See the Academic Calendar for examination dates.

A score of 110 or higher out of 150 questions is required in order to be exempt from OT520 English Bible Survey. Students who fail the exam once will be allowed another attempt to pass the exam during the beginning of the winter term. After a second failure the student is required to take OT520 English Bible Survey (which is offered only in the spring semester) as an elective. Each student must pass the exam in OT520 prior to registering for OT610, OT701, OT702, NT601, NT602, NT701, and ST601.

GRADUATE THEOLOGICAL WRITING
PT400 Graduate Theological Writing is designed to assist students in developing competencies in such areas as organization, clarity and style in sentence syntax and composition, grammar, punctuation, and spelling. Admitted students have the opportunity to obtain a waiver of PT400 Graduate Theological Writing. To do so they must submit an academic paper to the Registrar’s office by August 15 (December 1 for winter term, January 15 for spring semester). The paper must be at least 5 pages (1500 words) long and must include at least ten footnotes, a bibliography and a signed statement reading: “I certify that this writing sample reflects my own efforts and activity in research, reasoning, composition, and editing, unassisted by any other person.”

If the student has no such paper available, the instructor of Graduate Theological Writing will recommend an alternative. If the paper is judged to reflect adequate skill in research, composition, grammar, and the use of sources, skills necessary for success at WSC, the student may be exempted from the course.

PUBLIC SPEAKING REQUIREMENT
All M.Div. students are required to enroll in PT410 Oral Communication during the first fall semester unless a waiver is granted. It is possible for the student to obtain a waiver if the student delivers a brief speech and demonstrates adequate oral communication skills (in preparation, structure, and delivery) to representative faculty of the Department of Practical Theology prior to the first fall semester. Please contact the Dean of Students during the week of the WSC New Student Orientation to sign up for a speech. Speeches will be scheduled prior to the start of classes in the fall semester. Master of Divinity students who do not successfully waive PT410 will be required to take the class before enrolling in PT504 Sermon Preparation and Delivery and the advanced homiletics practica (PT603, PT604, PT704, PT705). For more information please direct questions to the Dean of Students. A booklet, Your First Speech, is available online or from the Registrar's Office and provides more information concerning this requirement.

ACADEMIC POLICIES
DIRECTED RESEARCH PETITION (ELECTIVE COURSES ONLY)

Professors will be pleased to arrange research courses on subjects of interest for qualified students. These courses will be conducted by means of assigned reading, a thesis and conferences with the professor and/or an examination. These regulations and procedures also apply to Institute of Theological Studies courses offered by Westminster Seminary California.

Directed research courses may be one, two, or three semester units in credit value. The instructor shall indicate on the Directed Research Agreement the number of credit units assigned to the particular course in light of the amount of research, writing, and faculty consultation required.

Qualifications

- Directed Research courses may be pursued only by students who are registered for regular class work, unless they have previously attained a general academic standing of 2.8 or better at WSC.
- Generally, directed research courses are taken with full-time faculty. If a student wishes to pursue a directed research course in an area in which only an adjunct professor specializes, the petition must be approved by the Academic Dean.

Petition Procedures:

- Arrangements for directed research courses must be made prior to the scheduled registration date as printed in the Academic Calendar.

A petition form available from the Registrar or from the WSC website must be completed, signed by the professor and student, and submitted at the time of registration.

- Students taking a directed research elective will have a course number assigned to the course by the Registrar after completing the petition.

Course Numbering

The course numbers shall reflect the department of the class such as: OT – Old Testament, or ST – Systematic Theology.

Completion Deadline

All written research papers and other work must be completed on the last day of classes of the same term, and any final exam must be completed by the end of the examination period of the same term. Failure to meet these deadlines will automatically result in an “F” for the course, unless a further extension is granted by faculty action prior to the end of that term.

EXTRAMURAL PETITION (REQUIRED COURSES ONLY)

Students desiring to take a required course through independent study must complete an Extramural Petition available on the WSC website or from the Registrar. Extramural Petitions are approved only by a vote of the Faculty Committee on Petitions.

Petition Procedures:

- The petition deadline is one month prior to the normally scheduled registration day. The Committee will not normally approve late petitions.
- The student is responsible to obtain the Extramural Petition form from the Registrar’s office or online.
- The student should meet with the professor to arrange fulfillment of requirements or to obtain the instructor’s signature. The student should submit the completed petition to the Academic Dean.
- The student must register for the course at the time of registration (if the petition is granted).
Absences caused by illness, or other justifiable causes, will be permitted to a limited extent. If, in the judgment of the instructor, these permitted absences or other (unauthorized) absences endanger the standing of the student in the course, the instructor shall advise the student and notify the student's Faculty Advisor. Further absences will normally result in a failing grade in the course.

CHANGE IN DEGREE PROGRAM
Students are admitted into the degree program for which they apply. Students wishing to change their degree program must submit to the Registrar a formal application form with their Faculty Advisor's signature along with the change of program fee of $15.00. The Change in Degree application form is available from the Registrar or online.

DOUBLE SUBMISSION OF PAPERS
It is contrary to academic ethics to submit an identical paper in PT400 and another course. A student whose academic work is found to be plagiarized will be subject to sanctions as set forth in the current catalogue.

COURSE LOAD
The minimum full-time course load for M.Div. and M.A. students during fall and spring semesters is 12 credit units. Six to eight credit units is considered a half-time load; and nine to eleven units is considered a three-quarters-time load. No student may take more than 20 units during a semester without the permission of the Faculty Committee on Petitions prior to registration. The minimum full-time course load during summer and winter terms is two credit units.

REPEATED COURSES
A student is permitted to repeat a course in which a grade has already been earned. When a course is repeated, both the first and second grades are figured into the total cumulative grade point average. In a course in which a failing grade has been received, a student may be granted permission by the professor to repeat the course and allow time for the student to complete the work to be done. A student's general standing is the result of the total number of grade points earned divided by the total number of semester units taken. Courses in which credit/no credit grading is employed are not calculated in the grade point average. Grades received in Hebrew and Greek courses taken at Westminster Seminary California are calculated in the grade point average.

GRADE REPORTS AND APPEALS
Following each semester a student receives a copy of an unofficial transcript. A student planning to withdraw from the Seminary seeks to alert and assist a student whose academic competency, neither the student nor the Seminary determines whether adequate cause exists for granting the incomplete. No incomplete will be granted automatically. Student initiative is required to petition for an incomplete. Petition Procedures:

- Obtain the Incomplete Petition form from the Registrar's office or from the Westminster Seminary California website (www.wscal.edu).
- Obtain the signatures of the professor and the Dean or Student Advisor.
- Return the completed petition to the Registrar by the last day of classes.

Course Deadlines
In the case of a granted incomplete, all outstanding course requirements must be finished and graded by the last day of classes of the next semester. A student dismissed for academic probation is raised to 2.0 (the minimum grade point average required for graduation). A student must raise his or her cumulative grade point average to 2.0 within 30 semester units after being placed on probation. Failure to do so shall be grounds for dismissal.

GRADE POINT AVERAGE
Grades received in Hebrew and Greek courses taken at Westminster Seminary California are calculated in the grade point average. Grades are issued to question or challenge the assignment of a grade by the instructor or the Dean of Students. Following a grade challenge, the Dean of Students will determine whether adequate cause exists for granting the incomplete.

A student who desires to return to the Seminary within one academic year, must notify the Registrar in writing, stating a re-enrollment date into a degree program. If a student has withdrawn for one or more academic years, he or she must submit a new Application for Admission and Ecclesiastical Reference to the Office of Admissions along with the current application fee. After reviewing the application and reference for re-admission, the Seminary will notify the applicant in writing about their status.

In a case of a granted incomplete, all outstanding course requirements must be finished and graded by the last day of classes of the next semester. A student dismissed for academic probation is raised to 2.0 (the minimum grade point average required for graduation). A student must raise his or her cumulative grade point average to 2.0 within 30 semester units after being placed on probation. Failure to do so shall be grounds for dismissal.

A student dismissed for academic reasons may appeal to the faculty for reinstatement. Such an appeal should be made in writing and submitted to the Academic Dean, explaining the student's circumstances, and proposing a plan for knowledge completion of seminary coursework if reinstatement is granted. If the appeal is granted, the faculty may also grant whatever credit it deems appropriate for work already completed.

family crisis of a traumatic nature), students may request excuse from taking a final examination at its scheduled time and the rescheduling of the exam. Such requests must be presented to the instructor, in writing or electronically, and granted by the instructor prior to the scheduled time of the examination. The instructor may grant permission to take the final exam before the date when grades are due to the Registrar (see the Academic Calendar), or the student may file a petition for an Incomplete with the Dean of Students. Unless the instructor has granted the student’s request for permission to defer the exam or an Incomplete has been granted by the Dean of Students or the Committee on Petitions, absence at the scheduled examination period will result in a failing grade on the exam.

Each examination must be taken in the scheduled classroom. Withdrawal to areas other than the restroom or lounge is not permitted. Computers (notebooks, laptops, desktops, or others) capable of storing or retrieving data files may not be used in writing examinations. At WSC all examinations are conducted by the honor system and honor pledge. All examinations require the submission and signature of the examined student on the test or examination booklet. The responsibility lies directly upon each individual to maintain the examination without blemish. The responsibility lies directly upon each student to keep a record of tests and examinations. In accordance with the rules of the Department of Veterans Affairs, a student receiving veteran’s benefits will be released until a student’s financial obligations to the Seminary are met in full. The cost of commencement will be billed to the student prior to graduation. A graduation reception is held in connection with the commencement exercises, normally on the evening preceding the ceremony. This reception provides an opportunity for fellowship with faculty and fellow graduates and for reflections on Seminary years and future plans.

**TRANSCRIPT REQUESTS**

To request a transcript, complete the transcript request form that is available online or from the Registrar’s office. Official transcripts are $4.00 per copy. Unofficial copies are free to students. Transcripts must be requested in person or by mail. Telephone or fax requests will not be accepted. No transcripts are issued for students with unpaid accounts.

Please note that Federal Stafford Loans are disbursed during the first week of the Fall and Spring semesters, so payment for summer term classes are the responsibility of the student.

Students who expect to receive financial assistance beyond tuition charges from churches or other sources must provide, with their first tuition payment, a letter from the church or other source, on its letterhead, signed by an official of the church indicating the amount to be distributed to the student for living expenses. This letter must indicate how much is to be paid directly to the student for living expenses, if any.

No individual who has unpaid financial obligations to the Seminary or Library shall be permitted to register, take final examinations, receive a degree, or be issued an official transcript. Final exams will not be re-administered to any student at a later date.

REFUNDS
Students who give the Registrar written notification of their withdrawal from courses during any academic term, or of their desire to change their enrollment in a course from credit to audit status, will receive a tuition refund according to the following schedules. If the student withdraws from a course before the class has met, all tuition will be refunded (this does not include a refund of tuition deposit, drop fees, audit fees or listeners passes). Student Association fees will not be refunded after the first two weeks of the academic period. Refunds owed to Student Financial Assistance (SFA) Programs, i.e., the Subsidized & Unsubsidized Stafford Loan or PLUS Loans, are calculated differently from WSC’s refund policy. SFA recipients should see the Student Loan Officer for information on refunds or payments due.

CODE OF CONDUCT
Westminster Seminary California is a distinctively Christian community of scholars and expects its students and employees to conform to the standards of behavior set forth in Scripture and in the historical Reformed confessions. These standards teach that authentic goodness is a state of the heart, the product of regeneration by God’s Holy Spirit. We cannot judge another’s heart, and therefore we cannot judge the internal thoughts and attitudes that produce good or wicked actions. But we can and must take account of the external actions that Scripture praises or condemns. Those whose actions violate these biblical and confessional standards may be subject to discipline (through due process as described in the Faculty Handbook, Student Handbook, and Staff Handbook) and, in cases of serious unrepentant or continued violation, may be required to leave the institution. There are lengthy statements in the Student Handbook concerning plagiarism and the use of drugs and alcohol (see summaries below). Offenses defined by these policies are subject to discipline. Other offenses which violate our confessional standards and are therefore subject to discipline, with the possibility of expulsion, include (but are not limited to) the following: participation in the occult, profane or blasphemous language, expressions of disrespect for others, contentiousness, divisiveness, slander, physical assault, unbiblical termination of pregnancy, sexual misconduct (including rape, incest, fornication, adultery, prurient use of pornography, lewd conduct, homosexual behavior), unrepentant divorce which was obtained on unbiblical grounds, lying, dishonesty (particularly violations of the honor system), disruptive behavior, theft, and damage to the property of others. Such discipline may also be brought against those who violate civil law, except in those rare cases where the civil law contradicts the Scriptures. Student conduct is under the supervision of the Faculty, acting through the Dean of Students. The Faculty reserves the right to dismiss from the institution a student whose conduct is found to be unsatisfactory. The Student Handbook states students’ rights to due process and the procedures followed in hearings and appeals in cases of student discipline.

ACADEMIC HONESTY – HONOR SYSTEM
Examinations at WSC are conducted on the honor system. Each student is responsible to maintain this system without blemish. A more detailed explanation of the honor system is found in the Student Handbook which is given to all new students at New Student Orientation.

PLAGIARISM
Plagiarism is a serious offense. It is sometimes committed through carelessness, sometimes as a conscious intention to deceive. Because of their concern for the seriousness of this offense, the Faculty adopted a detailed “Statement on Plagiarism” for inclusion in the Student Handbook. Every WSC student is expected to read, understand, and follow this statement. It says in part: “Since ideas and their communication are one of the most important ingredients in any academic institution, it is most important that we, as a community, make abundantly clear our expectations with regard to the sharing and transmission of ideas. We think it essential that no one ever present as his own the academic achievements of another. Certainly the intellectual contributions of others may be utilized, but whenever they are, full credit must be given to the one whose ideas they are. In a word, plagiarism must be avoided at all costs.” Since the definition of acceptable and unacceptable use of others’ words and ideas varies from society to society and from context to context within any given society, an extensive description of what the faculty considers to be plagiarism in the context of graduate theological study can be found in the Student Handbook given to every new student.

NON-DISCRIMINATION POLICY
Westminster Seminary California does not discriminate on the basis of race, age, color, national and ethnic origin, disability, or gender in the administration of its educational policies, admissions policies, services, or scholarship and loan programs. The Seminary Board and Faculty understand the criteria for the gospel ministry set down in Scripture as limiting candidacy for the gospel ministry to qualified males. Because the Master of Divinity program is designed for the purpose of preparing candidates for official pastoral ministry, only men are admitted to the M.Div. degree program. Women as well as men receive gifts and calling from God to serve in various un-ordained ministries. Therefore women and men are encouraged to enroll in the Master of Arts programs.
BOARD OF TRUSTEES
GOVERNMENT
Westminster Seminary California is governed by a self-perpetuating Board consisting of eighteen Trustees, all of whom have served as ministers or elders in Presbyterian and Reformed churches. At least six but no more than nine must be ministers of the gospel. Each Trustee is required to subscribe to the confessional standards of the Seminary in a pledge similar to that required of the Faculty. All corporate powers are exercised by or under the authority of the Board of Trustees.
