Do you believe the gospel of Jesus Christ? Do you want to understand the Bible more deeply and faithfully? Do you desire to serve Christ and his church? If your answer is “yes,” then Westminster Seminary California (WSC) is an excellent place for you. Here you will discover a community of faith and study, fellowship and prayer. At WSC, you will find an encouraging place to reflect on and prepare for your calling from Christ.

We hope that this catalogue will help you get to know us better. As you look through it, you may want to notice, in particular, our commitments, our faculty, our programs, and our facilities.

We are committed to the gospel of Christ as taught by the inerrant Scriptures and as summarized in our Reformed confessions of faith.

Our faculty is outstanding. Each member is an experienced pastor and an excellent teacher. They are active in their churches and committed to helping students in and out of the classroom. Their academic credentials are impressive, and they are active in research and writing in their fields.

The Seminary offers two primary programs of study. First is the three-year Master of Divinity program. This program is carefully designed to prepare men for the ordained pastoral ministry. Second is the two-year Master of Arts program. With concentrations in biblical, theological and historical theological studies, it encourages women and men to pursue their own interests in preparation for various kinds of service in Christ’s kingdom.

The photographs in this catalogue will give you a glimpse of the beauty and fine facilities of our campus. However, the catalogue cannot convey the warmth and abilities of our students nor the sense of community that we enjoy. We hope that you will visit us and experience for yourself the strengths of WSC.

Our prayer is that the Lord will use this catalogue to help you know his call for your life and future service. May the Lord bless you richly.

MISSION
Westminster Seminary California (WSC) is a Christian institution seeking to glorify God through graduate theological study. Its primary responsibility is to educate future pastors for Christian churches, especially for Presbyterian and Reformed denominations. It also provides theological education for others who will serve the Christian community and the larger society.

Westminster Seminary California offers instruction in biblical, theological, and ministerial disciplines to both men and women in order to help them develop intellectually and spiritually as leaders. While the primary focus at WSC is to educate and prepare men for ordained pastoral ministry, the Seminary also trains women and men who are preparing to serve Christ and his church in non-ordained vocations, so that the whole body of Christ may be enriched.

Because “zeal without knowledge” or “knowledge without zeal” can only injure the church, WSC seeks to develop in each student a balance of scholarship and Christ-like piety. Westminster Seminary California strives to maintain a community of Christian research and scholarship where the proper cultivation of the mind increases the devotion of the heart.

HISTORY
WSC traces its commitment to Reformed theological education back to the Reformation and especially to John Calvin’s educational approach in his Genevan Academy. In America, that educational heritage was maintained at Princeton Theological Seminary in the 19th and early 20th centuries. Old Princeton was devoted to the inerrancy of Scripture, outstanding scholarship, fine academic education and service to the church in its preaching and missionary work. In 1929, when Princeton reorganized in order to tolerate theological liberalism, several members of the faculty (led by the distinguished scholar J. Gresham Machen) left Princeton to establish Westminster Theological Seminary in Philadelphia, Pennsylvania, with the purpose of preserving the educational heritage of Old Princeton and the scholarship and theology of the Reformation.

Westminster Seminary California began as a branch campus of Westminster in Philadelphia, and became fully independent in 1982. WSC established a campus with an extensive library, a comprehensive curriculum, and a full faculty of teachers who were both experienced pastors and experts in their academic fields. The first Reformed seminary in the western United States, WSC welcomed its first students in the fall of 1980 and now, nearly thirty years later, remains committed to the inerrancy of Scripture, the gospel of Christ, and the importance of the church and her ministry. WSC thrives as a community of faith where the best of scholarship and piety are combined to serve Christ and the church. We are committed to the “whole counsel of God” (Acts 20:27) and we pursue a union of knowledge and zeal for the sake of Christ’s church.

Dr. Robert B. Strimple and Mr. Robert G. den Dulk shared in founding the Seminary in 1979. Dr. Strimple became the first president in 1982, overseeing the movement of the Seminary from its temporary home in San Marcos to its permanent campus in Escondido. In 1988, Dr. Strimple returned to full-time teaching and scholarship and Mr. den Dulk became president, increasing the size and financial strength of the school. In 1993, Dr. W. Robert Godfrey, who joined the faculty in 1981 as professor of church history, became the third president of the Seminary.
DOCTRINAL COMMITMENT
The Scriptures of the Old and New Testaments, breathed out by the Spirit of God through human authors, are the very Word of God written—the only infallible and inerrant authority for faith and life. The doctrines of the Christian faith, held by orthodox churches throughout the ages, express the central truths concerning the triune God and his works of creation and redemption, particularly as they confess the saving work of Jesus Christ as revealed in Scripture. The Reformed confessions (Westminster Confession and Catechisms, Heidelberg Catechism, Belgic Confession, and the Canons of Dort) are the fullest and most accurate summary of the system of doctrine revealed in Holy Scripture. The Church is to be governed by the Word of God written—the only infallible and inerrant authority for faith and life.

STUDENT BODY
Westminster Seminary California serves an evangelical and Reformed student body from over 21 denominations. WSC students come from 24 states and 11 countries. Graduates from WSC are serving Christ and his church in 11 countries. Graduates from WSC are serving Christ and his church in Spain, England, Nigeria, Malawi, South Africa, and other countries.

The Seminary’s location in southern California, near Mexico and accessible to the Asian nations of the Pacific Rim, encourages the student body to reflect the ethnic diversity of the church throughout the world.

ACADEMIC FREEDOM
Because leaders confronted with complex issues in the church need to advance in scholarship, critical discernment, and spiritual maturity, WSC maintains a culture that encourages students in the exercise of academic freedom. Believing that intense study and rigorous thought should be an act of spiritual devotion, Westminster Seminary California seeks to become a community of scholar-servants who love God with all their minds and hearts, and who love others for his sake.

ACCREDITATION
Westminster Seminary California is an accredited school of theology at the graduate level, authorized by the California Superintendent of Public Instruction to grant graduate theological degrees upon recommendation of the Faculty and by the authority of the Board of Trustees.

Westminster Seminary California is accredited by the Accrediting Commission for Senior Colleges and Universities of the Western Association of Schools and Colleges, 985 Atlantic Ave., Suite 100, Alameda, California, 94501, phone: (510) 748-8001.

WSC is also accredited by the Commission on Accrediting of the Association of Theological Schools in the United States and Canada, 10 Summit Park Drive, Pittsburgh, Pennsylvania, 15275, phone: (412) 788-6505, which has approved the Master of Divinity degree and Master of Arts (Biblical Studies, Historical Theology Studies, and Theological Studies) degree programs.

ATS and WASC are recognized by the U.S. Department of Education. WSC is approved for the Veterans Administration’s educational benefits, the California State Graduate Fellowship Program, and the California Guaranteed Student Loan Program.

The Seminary is also authorized under Federal law to enroll nonimmigrant alien students under approved F-1 status.

NON-DISCRIMINATION POLICY
Westminster Seminary California does not discriminate on the basis of race, age, color, national or ethnic origin, disability, or gender in the administration of its educational policies, admissions policies, services, or scholarship and loan programs.

WSC believes that men and women are equally created in the image of God and have distinct and complementary roles in the order of the family and the church. The Board and Faculty understand the biblical criteria for ordained gospel ministry as limited to qualified males. Because the purpose of the Master of Divinity program is to prepare candidates for ordained pastoral ministry, only men are admitted to this program.

Since God bestows gifts and callings to unordained ministry to both men and women, both are encouraged to cultivate their gifts and enroll into any of the Master of Arts programs. Master of Arts students are eligible to receive financial aid and other services that WSC provides to its student body.

LOCATE
Located in beautiful, culturally rich Escondido, and situated in North San Diego County, Westminster Seminary California is just minutes from the Pacific Ocean. The sunny beaches, Mediterranean climate, and countless attractions make this region a popular vacation destination.

The celebrated San Diego Zoo and San Diego Wild Animal Park are in close proximity. The California Center for the Arts offers live performances ranging from classical symphonies to modern theater productions by internationally acclaimed artists. Downtown Escondido features quaint shops, antique car shows, and a weekly farmers’ market of fresh produce. North San Diego County also offers some of the top hospitals and medical facilities in the nation, including the Scripps Hospitals, Children’s Hospital in San Diego, and Palomar Medical Center.

As one of the nation’s fastest growing regions for biomedical and telecommunications industries, San Diego is on the cutting edge of science and technology. It is home to several first-class academic and research institutions, including the University of California at San Diego, Salk Institute, Scripps Institution of Oceanography, and Scripps Clinic. Since San Diego is one of the largest cities in the nation, the developing economy is also advantageous in affording exceptional employment opportunities for students.
INSTITUTE OF REFORMED
BAPTIST STUDIES

In 1997, the Association of Reformed Baptist Churches of America established the Institute of Reformed Baptist Studies (IRBS) to provide formal training for ministerial students. IRBS offers a challenging curriculum of theological, historical, and pastoral courses that complement the WSC Master of Divinity program to provide a comprehensive preparation for pastoral ministry in Reformed Baptist and other churches.

The faculty of IRBS subscribes to the system of doctrine contained in the Scriptures as summarized in the London Baptist Confession of Faith of 1689. Subordinate to the Word of God, this confessional standard is at the heart of the IRBS curriculum. Because the IRBS program is focused on pastoral preparation and is designed to complement the Seminary’s Master of Divinity curriculum, students must be accepted into the M. Div. program before they can be admitted to IRBS.

CENTER FOR PASTORAL REFRESHMENT

Through a generous grant from the Lilly Endowment, Inc., Westminster Seminary California launched the Center for Pastoral Refreshment (CPR) for Korean-American pastors in the summer of 2003. The program is designed to refresh pastors mentally, spiritually, and physically, so that they can return to their churches re-energized and better equipped to lead with vision, enthusiasm, and renewed passion.

The CPR Summer Sabbatical includes seminars taught by WSC faculty, consultations on health and fitness, recreation, and guided wilderness trips through the beauty of God’s creation in nearby mountains, desert, and ocean. Pastors in this program also have access to the CPR study lounge on campus throughout the year for brief retreats and reflection.

In 2008, CPR received another grant to advance the work begun in 2003. The new phase of the initiative is entitled, “Leaving a Legacy: Fostering Excellence Among the Next Generation of Korean-American Pastoral Leaders.” CPR aims to help pastoral leaders by providing an avenue for intellectual challenge, social interaction with peers, physical rest, and mentoring. In turn, congregations themselves will benefit from a re-energized and refocused minister—whether he is in his first year of ministry or in his twentieth.

Educating and forming candidates for official, ordained ministries of instruction and leadership in the church as pastors, evangelists, and teachers is the major purpose of the Master of Divinity degree program. It is designed to prepare ordained leaders who believe and love the Word of God, and who, therefore, strive to explore, communicate, and defend the depth and breadth of the instruction of the Scriptures for faith and life. Graduates should be able to interpret individual portions of Scripture accurately, to systematize data into a coherent and comprehensive theology, understanding the church’s historic reflection on the Word, and to apply this theology to the church and to individuals through preaching, witness, leadership, and spiritual nurture. The curriculum is designed to prepare graduates to meet the requirements for ordination as ministers of the Word, particularly in Reformed and other evangelical denominations. Because the Seminary Board and Faculty understand the criteria set down in Scripture as limiting candidacy for official teaching and leadership ministry in the church to qualified males, only men are admitted to the Master of Divinity program. Women are encouraged to enroll in any of the Master of Arts programs.

It is the aim of Westminster Seminary California that its Master of Divinity graduates demonstrate these key attributes:

1. Belief in and love for God and his Word
2. The ability to interpret individual portions of Scripture accurately, employing understanding of:
   a. The original languages of the Scriptures
   b. The historical situation and redemptive-historical context of the text
   c. The structures and conventions of biblical literature
3. A sound understanding of the main themes of Scripture in their systematic relations, and the ability to articulate the Reformed system of faith and practice
4. The ability to articulate exegetical and theological conclusions in light of the history of the church’s reflection on the Word

5. The abilities to communicate and apply Scripture’s instruction to the church and individuals through:
   a. Preaching
   b. Liturgy and Sacraments
   c. Witness
   d. Leadership
   e. Spiritual Nurture
6. The ability to defend the breadth and depth of Scripture’s instruction for faith and life
7. Respect for the freedom to draw theological conclusions from the examination of evidence and the exchange of ideas
8. Knowledge of the various Christian traditions and non-Christian systems of thought, and the ability to articulate the persuasiveness of other views
9. Godly character and spiritual maturity as requisite for ordained leadership as a shepherd of God’s flock
10. The ability to meet churches’ academic requirements for ordination as ministers of the Word, especially in Presbyterian and Reformed denominations

The degree is conferred upon the completion of the prescribed program, which requires three years of full-time study or a longer period of part-time study. The courses prescribed should be taken in the sequence indicated on page 29. The Academic Dean is available for counsel concerning each student’s needs.
Women and men develop understanding and skills in interpreting the Scriptures of the Old and New Testaments through the Master of Arts (Biblical Studies) program. Graduates should be able to apply their knowledge of the biblical languages, historical circumstances, and literary and theological interrelationships to exegete Scripture accurately. They should also analyze contemporary trends in biblical interpretation with discernment. Graduates of this program are prepared to pursue graduate research programs in Old or New Testament studies; or, with further practical training, to use their biblical knowledge in such ministries as teaching, missions, counseling, or lay church leadership. This program is not meant to prepare candidates for ordination to the ministry of the Word.

It is the aim of Westminster Seminary California that its Master of Arts (Biblical Studies) graduates demonstrate these key attributes:

1. Belief in and love for God and his Word
2. The ability to interpret individual portions of Scripture accurately, employing understanding of:
   a. The original languages of the Scriptures

4. Respect for the freedom to draw theological conclusions from the examination of evidence and the exchange of ideas
5. Knowledge of the various Christian traditions and systems of thought, and the ability to articulate the persuasiveness of other views
6. The ability to communicate and apply Scripture’s instruction to individuals, the academy, and the church
7. Growing spiritual maturity consistent with Christian discipleship

The degree is conferred upon the completion of the prescribed program, which requires two years of full-time study or a longer period of part-time study. The courses prescribed for this emphasis should be followed in the sequence indicated on page 30. The Academic Dean is available for counsel concerning each student’s individual needs.

The Master of Arts (Historical Theology) program is designed to enable students to gain an understanding of the historiography of theology, the historical development of the various Christian theological traditions, and the critical skills for evaluating them. Graduates will have read and analyzed representative theologians and texts from the history of Christianity and demonstrated a grasp of the history of biblical exegesis. As a result they should be able to give a coherent account of the history of exegetical and dogmatic theology. They should also demonstrate historical sensitivity in evaluating theology, as well as a grasp of the intention behind the various theological formulations in each historical epoch. Graduates will possess an ability to relate the great issues of historical theology to contemporary intellectual and cultural movements. Graduates of this program are prepared to enter research programs in history and theology or, with further practical training, to use their theological knowledge in such ministries as teaching, missions, or lay church leadership. It is not the purpose of this program to prepare candidates for ordination to the ministry of the Word.

It is the aim of Westminster Seminary California that its Master of Arts (Historical Theology) graduates demonstrate these key attributes:

1. Belief in and love for God and his Word
2. A basic understanding of biblical hermeneutics, drawing on a. Knowledge of the original languages

7. The ability to evaluate and use various historiographic models, integrating the best emphases of intellectual and social history together with the history of Christian theology and biblical exegesis
8. The ability to read primary historical texts carefully and contextually while displaying a command of secondary literature and debate on the area of specialization
9. The ability to write historical theology at an advanced level, displaying, in their research and writing, a commitment to fairness in treating alternative positions and a commitment to intellectual honesty that leads to revision of conclusions as necessary in the light of research
10. The ability to recognize the major events, texts, and persons in church history that have helped shape understanding (and misunderstanding) of the biblical text
11. Interest in and a propensity for a lifetime of learning and instruction

The degree is conferred upon completion of the prescribed program, which requires two years of full-time study or a longer period of part-time study and includes the production and oral presentation and defense of a written research thesis. The courses prescribed for this emphasis should be followed in the sequence indicated on page 34. The Academic Dean is available for counsel concerning each student’s academic needs.

### Program Description

The purpose of the Master of Arts (Christian Studies) program is to enable church leaders and other men and women to deepen their knowledge of God through his self-disclosure in Christ and in the Scriptures and to serve in the advance of his kingdom through his church. The aims of the program are that graduates will be able to interpret the Old and New Testaments using resources available in English, to articulate the system of truth revealed in the Scriptures, to defend it in response to alternative worldviews, to address issues presently confronting the church in the light of its history and heritage, and to apply their understanding of the church and its ministries to their own roles as members of the church of Christ. MACS courses are ordinarily offered evenings and Saturdays, specifically to meet the needs of students whose employment or other weekday responsibilities prevent them from participating in the Master of Divinity or other Master of Arts programs.

It is the aim of Westminster Seminary California that its Master of Arts (Christian Studies) graduates demonstrate these key attributes:

1. Belief in and love for God and his Word
2. A basic understanding of biblical hermeneutics, drawing on:
   a. The historical situation and redemptive-historical context of the text
   b. The structures and conventions of biblical literature
   c. Bible study resources accessible in English
3. A sound understanding of the main themes of Scripture in their systematic relations, and the ability to articulate the Reformed system of doctrine
4. Knowledge of the history of the Christian church, and the ability to address issues presently confronting the church in light of its history and heritage
5. The ability to defend the system of truth revealed in Scripture
6. Growth in discernment of their callings and exercise of their spiritual and natural gifts in church and in society, serving Christ and other people as faithful stewards
7. Respect for the freedom to draw theological conclusions from the examination of evidence and the exchange of ideas
8. Growing spiritual maturity consistent with Christian discipleship

The degree is conferred upon the completion of the prescribed program, which requires 50 semester hours of study normally completed over four years of part-time work. The curriculum consists of a core of 24 semester hours, distributed over four subject areas, plus 26 semester hours of electives. MACS core courses are not transferable to WSC’s other degree programs (with the exceptions of OT520, CH601, ST501, and PT600), but MACS students may take any other WSC courses as electives to their program as long as the prerequisites are met.

[The MACS program has been discontinued; the last new applicants were admitted to the MACS program in fall 2008. MACS required courses will not be offered after spring 2010, and all MACS graduation requirements, including elective hours, must be completed by spring 2013 in order to receive the degree.]

Experience is required in a broad spectrum of pastoral experiences in keeping with an agreement worked out among the student, the congregation, and the Seminary. Insofar as possible, requirements for ordination are considered in tailoring the program. Credit/no credit. All M. Div. students are required to enroll into this internship during the spring semester of the first year. Mr. H. Jones.

INSTITUTE OF THEOLOGICAL STUDIES

Westminster Seminary California is a member of the Institute of Theological Studies, cooperating with other evangelical seminaries in offering lecture courses on cassette tape. Each course must be taken under the supervision of a resident faculty member. I.T.S. courses are a special category of directed research. A form available from the Registrar must be completed, signed by professor and student, and submitted at the time of registration. A maximum of seven semester units of I.T.S. courses may be applied as elective credit to the M.Div. and M.A. programs. I.T.S. courses may not be used in lieu of required courses except by special action of the Faculty. The tuition charges for I.T.S. courses are the same as for other courses offered by WSC. Students will also need to purchase the required books and tapes. Students who have been admitted to WSC (except those admitted as Special Students) may register for I.T.S. courses prior to beginning their on campus work if their cumulative undergraduate G.P.A. was 3.0 or above. A student interested in taking an I.T.S. course should consult the Registrar. The following courses have been approved by the faculty.

**CAMPUS VISITS**

Visiting our campus is the best way for prospective students to get acquainted with Westminster Seminary California. A campus visit provides an excellent opportunity to experience the quality education as well as the dynamic community life that WSC offers. Typical visits include a campus tour, attending classes and devotionals, meeting with admissions and financial aid representatives, and interacting with faculty and current students. Campus visits are scheduled Tuesday through Friday during the academic year by contacting the Office of Admissions. WSC also hosts special Seminary for a Day visit opportunities during each academic term. Check our website (www.wscal.edu/admissions) for information about the next event.

**PROSPECTIVE STUDENT TRAVEL ASSISTANCE FUND**

Prospective students who schedule a visit to Westminster Seminary California (including but not limited to Seminary for a Day) and later enroll as a full-time student (12 units or more per semester) may request reimbursement for a portion of their travel expenses. Visitors who are California residents are eligible for up to $300 and visitors from outside the state of California are eligible for up to $500. Students who wish to request travel reimbursement must save their receipts, complete a travel reimbursement form (available through the Office of Admissions), and submit both form and receipts to the WSC Business Office by the first day of the student’s second semester. If approved, a tuition credit will be applied to the student’s tuition account during their second semester of study.

Due to the financial burden that travel costs may place on prospective students, in some cases, WSC may provide a portion of the travel assistance grant to students during their visit. Students who are strongly considering attending WSC and desire to visit but lack the financial means to do so should contact the Director of Admissions for more information.

The application form and essay provide helpful information for the Admissions Committee to evaluate each applicant fairly. The Application for Admission should be filled out in a complete and accurate manner and must include the applicant’s signature on the last page to avoid delays in processing. Online applicants must print, sign, and mail the signature page as directed following submission of the online application.

Each application must include a non-refundable application fee of $30.00. Online applicants will be asked to pay via Visa or MasterCard after they have submitted the application. Applications will not be processed without the application fee.
package. This includes a transcript from each college or undergraduate school at which academic credit was earned, whether the credit was transferred to another institution or not. An official college transcript is one that is received by WSC directly from the issuing college or university or is transferred to WSC by the applicant in a sealed envelope. Each transcript must bear the school seal, current date and an appropriate signature. Transcripts received that do not meet these requirements will not be considered official.

The Application for Admission will not be processed until all academic transcripts are received. Admission may be granted on a conditional basis if an applicant is in the process of completing the final year of an undergraduate degree program. An official transcript showing the attainment of a B.A./B.S. degree or its academic equivalent must be submitted before the student is allowed to enroll in courses at WSC. Applicants to the Master’s programs at WSC are ordinarily required to hold a Bachelor’s degree (B.A./B.S.) or the educational equivalent from an accredited college or university. (See the information below regarding “Graduates of Unaccredited Institutions” and the “Special Student” program.)

On a case-by-case basis the Admissions Committee may determine that an applicant holds the educational equivalent of a Bachelor’s degree from an accredited institution, provided he or she fulfills all of the following criteria:

(a) Has completed at least 120 semester hours (180 quarter hours) of post-secondary coursework in accredited educational institutions, including courses providing a degree of mastery in such disciplines as English composition and literature, history, philosophy, natural sciences, social sciences, ancient and modern foreign languages, and Bible;
(b) Has earned a Master’s or higher degree from an accredited institution; or
(c) Has completed at least 36 semester hours of upper division and/or graduate coursework in a particular discipline or set of related disciplines, providing depth and breadth of exposure to a specific subject area comparable to a baccalaureate major.

While it is not possible to prescribe one pattern as normative for pre-seminary education, a degree of mastery in the following areas is recommended: English composition and literature, history, philosophy, natural sciences, social sciences, ancient and modern foreign languages, and English Bible.

ADDITIONAL EVIDENCES

Typically the Admissions Committee will grant or deny admission on the basis of the information identified above. In particular circumstances, however, the committee may request one or more of the following items as evidence that an applicant is prepared for graduate theological study.

• Meeting with the Director of Admissions or Academic Dean for a personal interview
• Submission of scores for the Graduate Record Examination (GRE), Verbal and Analytical Writing only.
• GRE is administered at various centers throughout the United States and the world. More information about the GRE is available at www.gre.org
• Samples of undergraduate coursework showing the quality of an applicant’s previous academic work
• An additional Academic or Ecclesiastical Reference

Completed applications for admission will be reviewed by the Admissions Committee within one week of their completion. Westminster Seminary California will notify the applicant of the committee’s decision by phone or email as soon as it is made, followed by an official letter by mail within two weeks.

CONDITIONAL ADMISSION

Potential students who have not completed their B.A./B.S. degree are welcome to apply at any time during their final year of undergraduate study. Applicants who are admitted prior to the completion of their degree are admitted on a conditional basis pending completion of their undergraduate degree and submission of a final transcript verifying that they have received the degree. Under ordinary circumstances, such transcripts must be received before a student is allowed to enroll in classes at WSC.

ADMISSION ON ACADEMIC PROBATION

Academic probation is a period of testing and proving one’s abilities. Students admitted to a WSC degree program on probation are granted a specified period of initial evaluation, followed by a second Admissions Committee meeting evaluating the student’s ability to continue in the degree program. Admission on probation provides an opportunity for students who do not meet the academic minimums of the Seminary to demonstrate their ability to complete graduate theological study.

The following categories of students are admitted on probation:

• Special students – Those admitted under “Special Student” status (see admission requirements for Special Students below)
• Financial aid completion – A review of transcripts of undergraduate or graduate studies and/or academic reference evaluations that raises concerns about the adequacy of the student’s preparation, abilities, and/or discipline to pursue graduate theological studies
• Unaccredited Institutions – Students holding a Bachelor’s degree from an unaccredited institution

While on probation, a student may take a maximum of 20 semester hours of coursework work before further review. When a student has completed 15-20 semester hours, the Admissions Committee will evaluate the student's academic progress and make a decision as follows: 1) grant admission to a degree program; or 2) grant continuation of probationary status. If a student is admitted to a degree program, or is on probationary status, the student’s academic progress and make a decision as follows: 1) grant admission to a degree program; or 2) grant continuation of probationary status. If a student is admitted to a degree program, or is on probationary status, the student’s academic progress and make a decision as follows: 1) grant admission to a degree program; or 2) grant continuation of probationary status.
choose not to enroll must notify the Office of Admissions of their decision and request a refund of their Enrollment Deposit by July 1 of the following academic year, or the Enrollment Deposit will be forfeited.

NEW STUDENT REGISTRATION
Registration materials are mailed in June (summer/fall students) and November (winter/spring students) to all newly admitted students. Registration will only be processed for those students who have submitted the $100.00 Enrollment Deposit. The registration deadlines are July 1 (summer/fall students) and December 12 (winter/spring students). (Late registrations will be accepted with a late fee of $50.00 until the last day to add/drop for each semester as determined by the Academic Catalogue.) For more information regarding WSC's refund policies, see the Academic Policies section.

New students may be eligible to test or place out of certain academic courses. See the Academic Policies section of the catalogue for information on waiving Greek and/or Hebrew for the course requirements.

FINANCIAL AID
Westminster Seminary California has a wide range of financial aid opportunities available to students. Admitted students planning to apply for financial aid are encouraged to complete the WSC Application for Financial Aid or WSC Application for Need-Based Financial Aid (available through the Office of Admissions and online www.wsc.edu), and the FAFSA (www.fafsa.ed.gov, school code: 022768 U.S. students only) by April 1 (summer/fall applicants) or October 15 (winter/spring applicants). These dates are recommended but not final for financial aid consideration. Applications for financial aid will only be reviewed for students who have been admitted. Please see the financial aid section of the catalogue for more details.

STUDENT ORIENTATION
Westminster Seminary California provides a New Student Orientation prior to each academic term. It is normally scheduled one day prior to the start of the fall or spring semesters (see Academic Calendar). All new students enrolled in a Master of Arts or Master of Divinity degree program are required to attend. The purpose of the orientation is to introduce students to seminary life, the campus, theological education, seminary policies and the resources of the surrounding community.

VETERANS
The following policies apply to students receiving educational benefits from the Department of Veterans Affairs (D.V.A.), in compliance with that department's policies. Westminster Seminary California is required to initiate a review of transcripts of any Master's level (M.Div., M.A.) course work that a D.V.A. student has completed at another theological seminary in order to determine which and how many credits are transferable as partially fulfilling WSC's degree requirements. All course work that is transferable as equivalent to Westminster Seminary California's required or elective courses will be transferred into the student's present Westminster Seminary California program. The Academic Dean determines course equivalency on the basis of course descriptions, syllabi, prerequisites, and requirements, and in consultation with the relevant instructors of courses.

WSC is approved for the Department of Veterans Affairs educational benefits, the California State Graduate Fellowship Program, and the Federal Family Education Loan Program. For information, contact the Veterans Office or the Financial Aid Advisor.

REQUEST FOR ADA ACCOMMODATION
The Dean of Students works with students with disabilities who wish to request accommodation. The Dean of Students provides orientation to campus resources and directs students to other potential resources for accommodation to the student’s disability. Physically challenged students are encouraged to request accommodation as early as possible in their planning process.

ADDITIONAL ADMISSIONS REQUIREMENTS AND PROCEDURES

TRANSFER CREDIT REQUIREMENTS

ADMISSION AND TRANSFER CREDIT EVALUATION

Students who intend to request transfer credit from another graduate-level institution must submit all regular required application items, including the following: Application for Admission, Application Fee, Eclesiastical Reference, Academic Reference, and Official Transcripts from each post-secondary institution from which the applicant has received credit. Once the prospective transfer student has been admitted to Westminster Seminary California, the Registrar will complete a transcript evaluation to determine which courses will receive credit from WSC. If a transfer student desires a preliminary transcript evaluation prior to acceptance, the student may submit his or her official transcripts and request for transcript evaluation to the Office of Admissions. Transfer credit will not be processed until the student has been admitted.

TRANSFER CREDIT POLICIES

International students are admitted to an M.A. or M.Div. program who seek transfer credit for graduate-level studies completed at an accredited institution. Students may be awarded by the Seminary toward the awarding of a Master’s or Doctoral degree. No transfer credit will be given for work that has previously been used as a basis for the awarding of a Master’s or Doctoral degree by another institution. Students admitted to the Master of Divinity program may be granted advanced standing for courses in which there are already required or elective courses in the Master of Divinity program.

In addition to the admission requirements outlined above, international students must also meet the following requirements to be admitted to a Master’s degree program (M.A. or M.Div.) at Westminster Seminary California.

TRANSFER CREDIT FROM UNACREDITED INSTITUTIONS
Students admitted to an M.A. or M.Div. program who seek transfer credit for graduate-level studies completed at an unaccredited institution must supply the following information for the evaluation of each course for which transfer credit is requested:

• A copy of the course syllabus, instructor’s name and the course requirements
• At least one sample of course work submitted in fulfillment of course requirements

All decisions regarding transfer credit from unaccredited institutions are made on a course-by-course basis. Acceptance of one course from an unaccredited institution for transfer credit carries no implication regarding the acceptance of other courses from that institution.

TRANSFER CREDIT FROM UNACREDITED INSTITUTIONS

TRANSLATION CREDIT FROM UNACREDITED INSTITUTIONS

English Language Proficiency
International applicants for whom English is not their first language who have not previously attained a degree within the United States are required to demonstrate sufficient evidence of mastery of the English language for graduate study through the Test of English as a Foreign Language (TOEFL). The Test of English as a Foreign Language is currently offered in the paper test, computer, and Internet-based. Applicants required to take the TOEFL must achieve a score of at least 570 on the paper test or 230 on the computer-based TOEFL, with a 4.5 minimum on the Writing portion of the test or a score of at least 88 on the Internet-based test with a minimum writing score of 23. The following chart summarizes the minimum TOEFL requirements for Westminster Seminary California for each test format:

Because the TOEFL exam is given only a limited number of times each year, the applicant should allow sufficient time for the results to be included in the admissions process. Applicants must make their own testing arrangements with Educational Testing Service at www.toefl.org, via email toefl@ets.org, by calling TOEFL Services at (800) 717-7100, or by writing P.O. Box 6151, Princeton, NJ 08541-6151, USA. Applicants should request that the results be sent directly to Westminster Seminary California (school code: 4980). Please note in the student's copy of the results cannot be used for admissions purposes.

**GRADUATE THEOLOGICAL WRITING (FT400)**

All non-native English speaking applicants who are admitted to WSC with the minimum required score of 25 but less than 29 on the writing portion of the exam, must register for FT400 (Graduate Theological Writing) during the fall semester of their first year and during each subsequent fall semester until the course is passed. The course must be passed in order for the student to graduate from WSC.

**Special Students (M.Div. Only)**

In extraordinary cases, a student whose gifts for pastoral ministry have been strongly confirmed by the church but who has not completed an approved Bachelor or a degree program may apply for admission to the M.Div. program as a Special Student. Because a candidate for admission demonstrates that an undergraduate Bachelor’s degree program in the liberal arts and sciences is the preferred preparation for graduate theological study, a limited number of Special Students may be admitted in any one year. To more clearly evaluate the Special Student application file, Westminster Seminary California has designated specific criteria regarding the applicant's academic history, ministry and employment experience, and standardized examination results.

**EDUCATION**

The applicant must have completed at least 30 semester units (or equivalent) in an undergraduate study at an accredited or otherwise approved college or university. At least 15 semester units must be in humanities or liberal arts other than Bible and theology (namely, English or world literature, history, philosophy, ancient or modern foreign languages, etc.). To strengthen the application, the remaining work course should be in the above areas or in natural sciences, social sciences, and Bible/theology. The cumulative grade point average in undergraduate course work must be 3.0 or above.

**EMPLOYMENT & CHRISTIAN SERVICE**

The applicant must also have life experience in Christian service and experience in employment. The cumulative grade point average of at least 2.3, the courses and, but both categories must be fulfilled.

**ADDITIONAL INFORMATION FOR SPECIAL STUDENT APPLICANTS**

Upon request by the Office of Admissions, the applicant may be required to demonstrate knowledge of the liberal arts and an ability to pursue graduate level study by submitting an essay or research paper for evaluation by the Admissions Committee. Special students are admitted initially on probationary status. After completing, with a cumulative grade point average of at least 2.3, the courses specified in the standard M.Div. curriculum, the applicant may be required to demonstrate knowledge of the liberal arts and an ability to pursue graduate level study by submitting an essay or research paper for evaluation by the Admissions Committee. Special students are admitted initially on probationary status. After completing, with a cumulative grade point average of at least 2.3, the courses specified in the standard M.Div. curriculum.
for the summer, fall, and winter terms of the first year, he shall receive confirmation of acceptance into the M.Div. degree program.

NON-DEGREE STUDY PROGRAMS
Westminster Seminary California offers a variety of study programs for students who do not intend to pursue a Master’s degree. Students enrolled in the Visiting, Non-Matriculating, Certificate, and Audit Programs are required to observe all policies and procedures stated in the academic catalogue with the exception of those specifically pertaining to M.Div. or M.A. program requirements.

VISITING STUDENT PROGRAM
Students holding a Bachelor’s degree from an approved institution who desire to take courses for credit at WSC may follow a simplified application procedure to apply for the status of Visiting Student. Each applicant must submit a completed Visiting Student Application form, a non-refundable application fee, TOEFL and TWE scores (if the applicant is not a native English speaker), and an official transcript showing the completion of a Bachelor’s degree program.

Visiting Students may enroll in any class offered by WSC as long as they have met the prerequisites for the class. If a Visiting Student applies and is accepted into a program in the liberal arts and sciences Non-Matriculating, Certificate, and Audit Programs are required to observe all policies and procedures stated in the academic catalogue with the exception of those specifically pertaining to M.Div. or M.A. program requirements.

NON-MATRICULATING STUDENT PROGRAM
Students enrolled in undergraduate or graduate programs at other educational institutions may, without application to and matriculation in Westminster Seminary California, take courses at the Seminary for transfer of credit to their current degree programs. Non-Matriculating Students must present the Registrar with written notification from the institution in which they are enrolled that each course to be taken at WSC is approved for credit toward their degree requirements. The Academic Dean makes a final determination as to whether a Non-Matriculating Student has sufficient academic background to enroll in a particular course, which may necessitate the request of documentation in the form of official transcripts.

CERTIFICATE STUDENT PROGRAM (M.A. ONLY)
Westminster Seminary California’s certificate programs are designed for those men or women for whom the completion of a Bachelor’s degree is not feasible, who desire to develop personal understanding of Scripture and theology, and who anticipate pursuing no further academic study. The curricula for these certificate programs are identical to the M.A. Biblical Studies, M.A. Theological Studies, and M.A. Historical Theology, respectively. A limited number of certificate students are admitted in any one year.

 Though WSC is not able to award Masters of Arts degrees to individuals who lack a Bachelor’s degree, a certificate with accompanying transcript will attest to the student’s completion of a unified course of study in biblical, theological, or historical theology disciplines. Certificate students take courses for credit, pay regular fees, receive faculty evaluation of course assignments and examinations, and have a record of their completion of certificate requirements maintained by the Registrar.

The application requirements for the certificate program are similar to those for the Special Student application, and the criteria are followed rigorously by the Admissions Committee (see the “Special Students” section above). Because an undergraduate Bachelor’s degree program in the liberal arts and sciences is the preferred preparation for graduate theological study, and because the lack of a Bachelor’s degree often proves a hindrance to later educational goals, WSC urges individuals to complete a Bachelor’s degree at an accredited college or university and then apply to an M.A. program rather than to a certificate program.

AUDIT STUDENT PROGRAM (NON-CREDIT)
Auditors are permitted in most courses. Persons desiring to audit are required to secure the permission of the Registrar, complete the audit registration form, and pay a non-refundable fee of one-half the regular tuition charge for each course audited.

Minors (persons under 17 years old) are permitted to audit a course only when they have either graduated from high school or passed the GED exam, or the instructor in charge has given permission. Audit privileges include regular class attendance, copies of all photocopied or printed material distributed free to the class, and the opportunity to ask occasional questions in class.

Normally auditors will not be permitted to participate in classroom exercises or recitations or to make seminar presentations, nor will assignments or examinations be reviewed or graded by the instructor. Occasional visitors must seek permission of the instructor for each class they wish to attend and will not have the privilege of participation in class discussion. Auditors and other members of the community have access to the library collection and on-site resources, and for a nominal fee they may apply for circulation privileges.

EVENING COURSE LISTENER’S PASS PROGRAM (NON-CREDIT)
As a service to the Christian community, WSC occasionally offers a Listener’s Pass to select courses that enable an individual to attend at a reduced (non-refundable) audit fee. The Listener’s Pass is limited to designated evening courses selected before each academic term. Students granted a Listener’s Pass must meet all requirements and observe all policies stipulated for the Audit Program.

A COMMUNITY OF FAITH
Westminster Seminary California is more than an academic institution built on a beautiful ten-acre campus in the hills of Escondido. It is a community of faith existing to glorify God and to make the gospel of Christ known through the church. The WSC community is a diverse one, composed of faculty, staff, and students from a variety of denominations. This variety, especially among the student body, ensures an atmosphere of challenging and stimulating discussions about theology and ministry. This community is also unified under the banner of Christ and God’s revelation. The faculty and students study his Word together, believing that the church is best served by those who know and love that Word. The Seminary is united in sharing a profound commitment to Christ and to his gospel as recorded in the Scriptures and expressed in our common confessions of faith. Each student experiences a Christian community of faith not only in the classroom, but also in chapel services promoting spiritual life, faith, and fellowship in a variety of forums.

STUDENT LIFE
DEVOATIONAL LIFE
The spiritual life of Westminster Seminary California is nurtured by morning devotions on Tuesdays and Thursdays and student-advisor prayer groups on Wednesdays. Morning devotions speakers include faculty, local pastors, missionaries, and Christian lay people. All devotional exercises are governed by the Word of God, which remains the true guide in Christian worship and prayer, as well as in all other activities of the Christian life and life on campus. It is only when the believer, with the help and guidance of the Holy Spirit, returns continually to the great scriptural doctrines of God, of sin, and of grace, that true blessing is to be obtained.

WSC recognizes the indispensable role of the church in the growth of every believer and does not assume to itself the church’s responsibility for the nurture of believers and does not assume to itself the nurture of the church in the growth of every believer.

The Westminster Student Association (WSA) was established to promote Christian fellowship and growth among students, faculty, staff, and their families. It also provides a voice for student concerns. The WSA coordinates a variety of activities throughout the school year, such as dinners, guest speakers, the student-faculty softball game, BBQ lunches, sporting events, tournaments, and events in the student lounge. These events are supported through an annual student activities fee that is collected from full-time students. The officers of the Association (president, vice president, secretary, and treasurer) are elected annually by all full-time students.

WESTMINSTER WOMEN’S FELLOWSHIP
Westminster Women’s Fellowship is a diverse group of women connected to WSC—from students and administrators to faculty and student spouses. The Women’s Fellowship provides an opportunity for new women at the Seminary to cultivate friendships with and benefit from those who have long associations with WSC. Monthly activities are planned to address both theological issues and practical concerns. Activities include brunches and guest speakers. The Women’s Fellowship activities are supported with a portion of the student association fee.

WESTMINSTER KOREAN FELLOWSHIP
The Westminster Korean Fellowship (WKF) exists as a resource for students serving in Korean-American churches to (1) facilitate networking and (2) create forums for biblical reflection about applying Reformed theology in the Korean-American church. WKF holds informal discussion groups about pressing issues in Korean-American ministries. In addition, WKF organizes a theological colloquium in the spring targeting the broader Korean-American church community. Specific periodical databases through OCLC’s FirstSearch service (39 of these databases contain full-text documents that can be read online or printed).

DEN DULK LECTURES
The Robert G. and Neillie B. den Dulk Lectures on Pastoral Ministry were endowed by friends of Westminster Seminary California when Bob den Dulk resigned as the second president of the Seminary. In appreciation for the den Dulk’s 30-year service to the Westminster Seminaries in both Pennsylvania and California and in recognition of their necessary work to preach the word of God faithfully and powerfully, Westminster Seminary California designated the proceeds of this endowment to bring an experienced pastor to the campus each year to address students preparing for the ministry of the Word, as well as pastors engaged in ministry. This lecture is designed to encourage both students and pastors and to give counsel regarding the rigor and joy of shepherding Christ’s flock.

LIBRARY
The library houses over 120,000 titles and subscriptions to 280 periodicals. A substantial collection of works on Reformed theology is augmented by an excellent collection of materials in biblical studies and church history. Of special note are the microfilm editions of titles in Evans’s American Bibliography and Migne’s Patrologiae (Greek and Latin Fathers), Corpus Reformatorum (all the works of Calvin) and numerous 18th and 17th century Puritan texts.

Through membership in the Statewide California Electronic Library Consortium, the library affords unlimited online searching of Online Computer Library Center’s (OCLC) large book database along with 260 periodical databases through OCLC’s FirstSearch service (39 of these databases contain full-text documents that can be read online or printed).

FIELDEDUCATION/INTERNSHIP PROGRAM
Westminster Seminary California’s Field Education program is designed to integrate on-campus studies with part-time ministry in local churches. Field education involves supervised hands-on experience and opportunities for evaluation and reflection with mentors, peers, and professors, in which students are given opportunities to develop the skills and gifts necessary for effective ministry. The Field Education program at WSC provides an opportunity for Master of Divinity students to gain practical ministry to which they can apply the information learned in the classroom. In this way the WSC curriculum seeks to balance intense Christian scholarship with practical ministry. The Director of Field Education advises students of service opportunities and coordinates the fulfillment of field education requirements with the M.Div. students and pastoral internship supervisors. Each M.Div. student is required to register for the pastoral internship (FE691) during the spring semester of his first year.

Students preparing for the pastoral ministry are urged to work under the supervision of a local church throughout the course of their Seminary education. Churches throughout San Diego, Riverside, and Orange counties regularly provide information regarding internship opportunities that current students may be able to pursue in fulfillment of their Field Education requirement. Students are also encouraged to return to their home churches to serve during the summer months if feasible.

HOUSING
The Office of Admissions is available to assist admitted students in finding suitable accommodations by providing current information on housing opportunities in the community. These opportunities may include rooms, houses, or apartments in Escondido and elsewhere in San Diego County. New students should plan to arrive in the area and seek accommodations during the summer before the fall semester, no later than two weeks prior to the beginning of classes. Students enrolling in Greek Life during the summer term should plan to arrive in early July.

The Bookstore at WSC
The Bookstore at WSC is located on the central quad of the campus. The bookstore stocks course textbooks, faculty-written books, and other important theological and pastoral resources. STUDENT HEALTH INSURANCE
The Seminary has established a relationship with United Healthcare Student Resources through which a student insurance plan is offered to all enrolled students who meet minimum eligibility requirements. Plan details and eligibility requirements are provided to all admitted students who plan to enroll for credit prior to each academic year. The health insurance policy, booklet, and application forms are available on the WSC website at www.wscal.edu or through the Registrar’s Office. Considering the inherent financial risks in the event of a student or family member’s accident or illness, WSC strongly encourages all students to take part in this health insurance plan or another comparable health plan. International students are required to carry medical insurance and, therefore, are strongly encouraged to use this plan. For more information visit www.wscal.edu/currentstudents

SPOUSE AUDIT PRIVILEGES
Full-time students enrolled in 12 or more units per semester and their spouses may audit courses without charge. Children of full- or part-time students wishing to audit a course are subject to regular audit fees.

Spouses of full-time students, who have also been admitted to Westminster Seminary California as students, may take courses for credit at two-thirds the standard tuition fee. If both students are full-time, the spouse taking the lesser number of units will receive the discount. Alumni and their spouses may audit courses previously taken for credit without charge.

EMPLOYMENT AND MINISTERIAL PLACEMENT
Churches from around the country regularly contact Westminster Seminary California regarding open ministerial positions. These opportunities are made available to graduating students and alumni through our campus-wide email list-serve. Community members often advertise part-time positions for students through the Nuiz and the bulletin board in the Student Lounge.

TYPES OF FINANCIAL AID
• Grants – WSC offers a variety of grants that are awarded on the basis of a student’s need and do not need to be repaid.
• Merit Scholarships – WSC offers donor-supported scholarships which are based on academic achievement and previous leadership experience. Financial need may or may not be considered.
• International/Missions Scholarships – Awarded either to international students or students with a vocational call to missions in countries outside of North America.

• Maintenance of a minimum grade point average and satisfactory academic progress.
• Completion of all required financial aid applications and forms as outlined below.

New students (summer/fall applicants) who intend to apply for financial aid are encouraged to complete the WSC Application for Admission and all financial aid applications by April 1 prior to the following academic year in order to receive priority consideration for financial aid. Although these dates are recommended, financial aid applications are processed until the first day of each semester with awards being made as they are available. Winter/spring applicants for financial aid are encouraged to complete the WSC Application for Admission and all financial aid applications by November 1.

Following Financial Aid Committee review, award letters summarizing all scholarships and grants that have been offered will be sent to each student asking them to either accept or decline the award within a designated time frame.

Repeat Courses
A course that is repeated will not be accepted or considered in determining financial aid eligibility or award payment. If distance education and directed research count towards deciding the student’s intended academic year of enrollment status, they shall not be considered in determining financial aid eligibility or award payment.

Financial Aid Process
To apply for or renew any form of financial aid at WSC, the following steps must be completed:

1. File an online Free Application for Federal Student Aid (FAFSA) for the intended academic year of enrollment at www.fafsa.ed.gov. Westminster Seminary California’s school code is G22789. This online form should be completed and submitted prior to or at the same time as the submission of the WSC Application for Financial Aid. The WSC Application for Financial Aid will not be processed until the FAFSA is received by the Financial Aid Coordinator.

2. Submit the WSC Application for Financial Aid for the academic year for which the student is applying. This form can be obtained online at www.wscal.edu/admissions/financialaid or by calling WSC at (888) 480-6474.

3. If a student is applying for a scholarship or grant that requires a letter, additional application, and/or renewal application, these documents should be submitted with the WSC Application for Financial Aid. For more information about the requirements for a particular scholarship or grant, please see the descriptions below. If awarded a scholarship or grant, the award is renewable every academic year, provided that the student continues to meet the eligibility requirements for that award. To renew the award for subsequent academic years, submit a one-page letter addressed to the Financial Aid Committee indicating which awards you received previously and would like to renew, current ecclesiastical affiliation, current progress towards a degree, need for financial support, and how the WSC education is benefiting you both spiritually and academically. All awards must be renewed every spring semester for the following academic year and as requested by the Financial Aid Office.

4. (Optional) Apply for a Stafford or PLUS Federal Loan. To process a Stafford Loan application, loan policies are outlined below. The Stafford Loan Application can be obtained online at the WSC website (www.wscal.edu). For more information, contact the WSC Financial Aid Coordinator by sending an email to financialaid@wscal.edu.

5. To renew scholarships and grants, the following forms must be submitted each year:

• FAFSA (renewal)
• WSC Application for Financial Aid for the upcoming academic year
• Renewal Letter as specified in number three above

Once admission has been confirmed, financial aid applications will be reviewed and the Financial Aid Committee will award scholarships and grants to accepted and qualified students. An award letter summarizing all scholarships and grants will be sent to student recipients, asking them to either accept or decline them within one month.

GRANTS

WSC GRANT
The General Financial Aid Fund provides need-based grants to students meeting the general requirements specified above. The grants are awarded on an annual basis and applied equally to both fall and spring semester tuition charges.

Grants from this fund are processed through the Financial Aid Office, which determines awards based upon the submitted FAFSA and WSC Application for Financial Aid. All applications for admission and financial aid should be submitted by April 1 for full consideration. Continuing students must resubmit the WSC Application for Financial Aid for each academic year to retain this grant. A senior can maintain the need-based grant (up to a total of 9 semesters for M.Div. students and 6 semesters for M.A. students) even if they drop below full-time status by taking all courses required to graduate. In this case, the amount of grant awarded will be based upon the percentage of units being taken in that given semester (e.g., if the student is enrolled for 6 units, the student would receive half of what he or she would qualify for if enrolled for 12 units). A senior is not eligible to receive more than two semesters of this prorated grant. A student who registers for more than the minimum required to complete the degree in a particular semester (e.g., taking extra electives) will not have those additional unit hours included in the calculation of the grant.

Forms required: FAFSA (www.fafsa.ed.gov) and WSC Application for Financial Aid for upcoming academic year (available online www.wscal.edu/admissions/financialaid).

CHURCH MATCHING GRANT
The Church Matching Grant seeks to bring churches and the Seminary together in support of a student’s first year. The Seminary’s contribution to the matching grant is provided by the income from an endowment established by long-time Westminster donor, Rev. John Wilkins. This fund was established to help churches actively support seminarians and to share in the great task of theological education. The number of grants from this fund is limited and awards are processed in the order in which the requests are received. The Seminary, within this limitation, will match the contribution of a congregation up to a maximum of $1,000 per student. The total amount of the grant, made up of the contributions of the congregation and the Seminary, will then be equally divided between fall and spring semesters. This grant is not based on financial need. The church’s contribution to the matching grant comes from the student’s home church and is available only for the first full year of study at WSC. For further information, please contact the Financial Aid Office.

In the event that a request is received from a church after the fund for that academic year is exhausted, WSC will contact the church prior to processing the contribution. This is to ensure that the church still desires to contribute to the student’s education outside of the Church Matching Grant program.

Forms required: a letter from the church (on official letterhead) stating that they would like to participate in the Church Matching Grant program and a check to WSC designated as their contribution to the student.

The income from this fund shall be used to make grants to students studying for the gospel ministry.

FEDERAL STAFFORD AND PLUS LOANS

INTRODUCTION
Westminster Seminary California participates in the Federal Student Aid (Title IV) Program enabling students to apply for low-interest, federally supported Stafford and Graduate PLUS Loans. Loans are contingent upon enrollment; if the student’s enrollment ceases during a semester, they may need to return all or a portion of the funds.

There are two types of Stafford Loan: Subsidized, in which the Federal government pays the interest while the student is enrolled at least half-time in an accredited institution, and Unsubsidized, in which a student may borrow under the Stafford Loan program at the Seminary.

Students must have already applied for their Federal Stafford Loan program in order to be eligible for Stafford loans, a student must be admitted to a degree program, be enrolled in at least 6 credits (not previously attempted), and be making Satisfactory Academic Progress (SAP). SAP includes both a cumulative grade point average of at least 2.0 and reasonable progress towards a degree. Progress is measured by the number of credits earned per year and is outlined in the following chart for full-time students.

For part-time students, those who take between six and eleven credits a semester, the length of time for SAP purposes will be extended by one (1) semester for each semester a student is enrolled part-time.

In extreme situations, the school may waive this requirement in the event that a student drops below these levels. A letter stating the student’s circumstances and the request to continue eligibility for financial aid must be submitted to the Financial Aid Committee for review.

The Financial Aid Committee reserves the right to consult with the Academic Dean, Dean of Students, and Faculty Advisors if necessary and appropriate.

Satisfactory Academic Progress (SAP)

In order to be eligible for stafford loans, a student must be admitted to a degree program, be enrolled in at least 6 credits (not previously attempted), and be making Satisfactory Academic Progress (SAP). SAP includes both a cumulative grade point average of at least 2.0 and reasonable progress towards a degree. Progress is measured by the number of credits earned per year and is outlined in the following chart for full-time students.

For part-time students, those who take between six and eleven credits a semester, the length of time for SAP purposes will be extended by one (1) semester for each semester a student is enrolled part-time.

In extreme situations, the school may waive this requirement in the event that a student drops below these levels. A letter stating the student’s circumstances and the request to continue eligibility for financial aid must be submitted to the Financial Aid Committee for review. The Financial Aid Committee reserves the right to consult with the Academic Dean, Dean of Students, and Faculty Advisors if necessary and appropriate.

Loan Application Process

Students who need to apply for a student loan must follow the following steps:

1. Any student who desires financial aid must fill out a free Application for Federal Student Aid (FAFSA).
2. Submit the WSC Application for Stafford Loans to the Financial Aid Coordinator.
3. Students must find a lender of their choice and submit a loan application to that lender.
4. Once a student signs the loan application, they should return all or a portion of the funds.
5. If a student is approved for a federal loan, the lender will notify the Financial Aid Office. Please contact the Financial Aid Coordinator for WSC’s list of preferred lenders.

Upon withdrawal, dismissal, or in the semester prior to graduation, all students who have received Title IV funds must also complete an Exit Interview either online or in the Financial Aid Office.

Loan Periods

The usual loan period is one academic year, September through May. For those students who begin their studies in the winter/spring, the spring semester will be considered the loan period.

Disbursement Scheduling

Within the loan period defined above, federal regulations mandate that loans must be disbursed according to payment periods, or each semester within that loan period. For one academic year there will be two disbursements, one per semester. If a student enrolls beginning in the winter or spring, lieu of their program of study, payments are still required. The first will occur 30 days after the start of classes for new borrowers. The second disbursement occurs at the calendar midpoint of the loan period.

Withdrawing/Leave of Absence

In the event that a student desires or needs to withdraw or to take a leave of absence from WSC, written notification must first be submitted to the Registrar. Withdrawing from classes or WSC entirely may adversely affect your student loan status, including the following: reduction in the qualification for subsidized monies, the return of some or all of the disbursement monies, suspension of withdrawal, or repayment of loans. Upon withdrawal the student may still owe a balance to WSC. Federal regulations mandate that students who withdraw or do not return from leave of absence must complete a loan Exit Interview. Please contact the Financial Aid Office.

Petition Process

A student who desires to appeal the financial aid disqualification or ineligibility status for federal aid must complete and submit the Federal Student Aid Petition Form to the Financial Aid Committee indicating the reason for consideration. This petition form is due no later than the established deadline for the semester for which he or she wishes to receive aid (typically 2 weeks after the start of the semester). If the petition is approved, reinstatement of financial aid eligibility will begin as soon as the student meets the satisfactory academic progress requirements.

Veterans Benefits

WSC is certified by the Department of Veterans Affairs as an institution at which veterans may receive educational benefits. Veterans can contact the Department of Veterans Affairs to determine their eligibility. For additional information regarding veterans benefits at WSC, please contact the Director of Enrollment Management.

BEGINNING YOUR WSC PROGRAM

Once a student is admitted to Westminster Seminary California, the Registrar will assist the student with organizing class schedules, planning course work, and registering for classes. To ensure academic order, WSC has created the following procedures and policies related to beginning course work and sustaining the student in the program. Students should review the registration, placement, and academic policies to become familiar with how WSC organizes degree programs and how to begin and continue studies successfully at the Seminary.

REGISTRATION

A registration packet, which includes all necessary forms and schedules, will be sent to students one month prior to the the registration due date as listed on the Academic Calendar (as listed in the back of the catalogue or online at www.wscal.edu/currentstudents/calendar). Students are required to complete the registration form and return it to the Registrar. Extra registration packets will be located outside the Registrar’s office. Following registration, the Dean of Students will assign faculty advisors who are available to advise students’ course of study.

Registration for new students is processed through the mail. Students who are admitted less than one month prior to the start of classes will register during WSC orientation (a late registration fee will apply).

Students must register for classes for each semester at the time listed in the Academic Calendar. Continuing students must obtain their Faculty Advisor’s approval on their registration forms prior to registration, along with the completion of any additional paperwork (i.e. extramural petitions with approval of faculty, directed research course approvals, class conflict approvals, etc.). These forms are available at the Registrar’s office or online at www.wscal.edu/currentstudents/forms.php. A late registration fee of $50.00 will be charged when a student fails to register with all necessary paperwork before the due dates listed in the Academic Calendar.

REGISTRATION CHANGES

Courses may be added or dropped by submitting a completed Add/Drop form to the Registrar within the dates listed in the Academic Calendar. Under normal circumstances, the Add/Drop form will not be processed through electronic mail or fax. For information concerning refund and withdrawal dates please reference the refund schedule and Academic Calendar. During the grace period between registration and official billing, a student must obtain his or her Faculty Advisor’s and Registrar’s approval for registration changes, but the Add/Drop fee will not apply. Once a student is officially billed, typically one month prior to the beginning of the semester, an Add/Drop fee will be charged to the student’s account per form submitted. After the beginning of the semester, a student is not normally permitted to add a course but may drop courses with the written approval of the instructor, the student’s Faculty Advisor, and the Registrar.

The effective date for dropping a course is the date on which the Registrar approves the Add/Drop request. Courses dropped between the first and the seventh week of a semester will not be recorded on the student’s permanent record. Withdrawal under any other circumstance will result in a failing grade in the course.

GREEK AND HEBREW PLACEMENT

• The student does not plan to enroll into a degree program at Westminster Seminary California.
• The student has “tested out” of the course by examination.

Greek and Hebrew courses at WSC are considered propaedeutic and will not be counted toward the total number of units required for graduation. However, grades resulting from these courses are calculated into a student’s grade point average.

GREEK AND HEBREW AUDIT POLICY

Auditors are not normally admitted into Greek and Hebrew courses, but may be under one of the following conditions:
- The student has previously taken a course for credit at Westminster Seminary California.
- The student has been billed and will be officially billed, typically one month prior to the beginning of Greek I during the summer term.
- The student does not plan to enroll into a degree program at Westminster Seminary California. Those who later decide to enroll in a degree program at WSC will be required to take the class for credit and will not be able to test out of the language requirement.

A student whose performance on a placement exam indicates that they do not need to take the introductory course for credit or who will enroll full-time (12 units minimum or in the last semester of a degree program taking all necessary
The paper must be at least 5 pages (1500 words) long and must include at least ten footnotes, a bibliography and a signed statement reading: “I certify that this writing sample reflects my own efforts and activity in research, reasoning, composition, and editing, unassisted by any other person.”

If the student has no such paper available, the instructor of Graduate Theological Writing will recommend an alternative. If the paper is judged to reflect adequate skill in research, composition, grammar, and the use of sources, skills necessary for success at WSC, the student may be exempted from the course.

PUBLIC SPEAKING REQUIREMENT
All M.Div. students are required to enroll in PT410 Oral Communication during the first fall semester unless a waiver is granted. It is possible for the student to obtain a waiver if the student delivers a brief speech and demonstrates adequate oral communication skills (in preparation, structure, and delivery) to representative faculty of the Department of Practical Theology prior to the first fall semester of study. Please contact the Dean of Students during the week of the WSC New Student Orientation to sign up for a speech. Speeches will be scheduled prior to the start of classes in the fall semester. The Master of Divinity students who do not successfully waive PT410 will be required to take the class before enrolling in PT504 Seminar Preparation and Delivery and the advanced homiletics practice (PT603, PT604, PT704, PT706). For more information please direct questions to the Dean of Students. A booklet, Your First Speech, is available online or from the Registrar’s Office and provides more information concerning this requirement.

POLICIES ON THE DISCLOSURE OF STUDENT RECORDS

STUDENTS’ RIGHTS OF PRIVACY AND ACCESS TO RECORDS, FERPA, AND FTC GRAMM-LEACH-BILLEY FINANCIAL PRIVACY ACT

Westminster Seminary California, in accordance with the Family Educational Rights and Privacy Act (FERPA) of 1974, as amended, has adopted this Policy on Disclosure of Student Records to address the following issues: (1) disclosure of directory information; (2) confidentiality of personally identifiable information; and (3) student rights to inspect, review and seek amendment of their records.

DISCLOSURE OF DIRECTORY INFORMATION

Information concerning the following items about individual students is designated by the Seminary as directory information and may be released or published without the student’s consent: full name; address (local, home or electronic mail); telephone number; photograph; date and place of birth; program of study; dates of attendance; degrees and awards received; most recent previous educational institution attended; participation in officially recognized Seminary activities. Students who do not wish directory information to be released or made public must inform the Registrar’s Office, in writing, at the time the information is originally sought.

CONFIDENTIALITY OF PERSONALLY IDENTIFIABLE INFORMATION

All personally identifiable information contained in student records other than directory information is considered confidential information. This information includes, but is not necessarily limited to: academic evaluations; general counseling and advising records; disciplinary records; financial aid records; letters of recommendation; academic references; medical or health records; clinical counseling and psychiatric records; transcripts; test scores; field evaluations on internships or field work undertaken as part of a Seminary program, and other academic records. “Personally identifiable information” means that the information includes: (a) the name of the student; (b) the address of the student; (c) a personal identifier such as social security number; or (d) a list of personal characteristics or other information that would make the student’s identity easily traceable.

Seminary officials will not disclose personally identifiable information to third parties without the written consent of the student. The consent must specify the records to be disclosed, the purpose of the disclosure, and to whom the records are to be disclosed. However, personally identifiable information may be disclosed, without the student’s consent, to the following individuals or institutions, or in the following circumstances:

- Seminary officials (or office personnel ancillary to the officials) who require access to the student’s education records for legitimate educational purposes such as academic, disciplinary, health or safety matters. Seminary officials may include, without limitation, the President, Deans, Department Chairs, Faculty, Seminary’s legal counsel, Judicial Officers, Counselors, and the Admissions Committee. Seminary officials also include individuals employed by or under contract to the Seminary to perform a special task, such as an attorney or auditor, and individuals acting as official agents of the Seminary who are performing a service on behalf of the Seminary.
- Officials of other educational institutions to which the student seeks or intends to enroll (on condition that the student upon request is entitled to a copy of such records).
- Appropriate federal, state or local officials or authorities, consistent with federal regulations.
- Organizations conducting studies for, or on behalf of, educational agencies or institutions.
- Accrediting organizations to carry out their accrediting functions.
- Parents of a dependent student as defined in Section 152 of the Internal Revenue Code of 1986 (provided that the Seminary must take reasonable steps to assure itself of the parent’s right to claim the student as a dependent).
- Parents or guardians of a student, where the information pertains to violations of any federal, state or local law or of any Seminary rule or policy governing the use or possession of alcohol or a controlled substance, and the information pertains to a disciplinary violation.
- In connection with the student’s application for, or receipt of financial aid.
- To comply with a judicial order or lawfully issued subpoena (on condition that a reasonable effort is made to notify the student of the order or subpoena, if legally permitted to do so).
- In an emergency, to protect the health or safety of students or other individuals.

The Seminary will inform a party to whom such records are released of mandatory disclosure to comply with a judicial order or lawfully issued subpoena.

INSPECTION AND REVIEW RIGHTS; RIGHT TO A HEARING

A currently or previously enrolled student has the right to inspect and review his or her education records. This right does not extend to applicants, those denied admission, or those admitted who do not enroll. Officially may require that requests for access be submitted in writing, and may ask for, but not require, the reason for the request. The Seminary will provide with requests to inspect and review a student’s records that it has determined to honor within a reasonable period of time, but in no case more than forty-five days after the request was made.

Records to which students are not entitled to access, include:
- Confidential letters and statements of recommendation placed in a student’s record before January 1, 1975, or confidential letters and statements of recommendation to which students have waived their rights of access.
- Employment records of students as Seminary employees.
- Records that are made or maintained by a physician, psychologist, pastor, or other recognized professional or paraprofessional acting in his or her professional capacity or assisting in his or her paraprofessional capacity, and that are made, maintained, or used only in connection with treatment of the student and are not disclosed to anyone other than the individuals providing the treatment. These records may be reviewed, however, by a physician or paraprofessional of the student’s choice.
- Financial records of the parents of the student or any information contained in those records.
- Records of instructional, supervisory, and administrative personnel and
educational personnel ancillary to those persons, that are in the sole possession of the maker of the record and are not accessible or revealed to any other individual except a temporary substitute for the maker.

• Institutional records of students which may be maintained by the Seminary in a computer printout or similar format (so long as this computerized information is not intended to be distributed outside the Seminary), as long as the original source of computer information is available in the office or department having original jurisdiction for the records.

• Records that only contain information about a person after that person was no longer a student at the Seminary (e.g., information collected by the Seminary pertaining to accomplishments of its alumni).

• Those portions of a student’s records that contain information on other students.

Students may be invited but not required to waive their right of access to confidential letters of recommendation for admission, academic references, honors or awards, or employment. Failure to execute a waiver will not affect a student’s admission, receipt of financial aid, or other Seminary services. If a student signs a waiver, he/she may request a list of all persons making confidential recommendations.

A student who believes that any information contained in his or her education records is inaccurate or misleading, or otherwise in violation of his or her privacy rights, may request that the Seminary amend the records. The student should first discuss his or her privacy rights, may request that the Seminary amend the records. The substantive judgment of a faculty member about a student’s work (grades or other evaluations of work assigned) is not within the scope of a FERPA hearing. A student may challenge the factual and objective elements of the content of student records, but not the qualitative and subjective elements of grading.

If as a result of a hearing the Seminary determines that a student’s challenge is not merited, the student has the right, and will be so informed, to place in his or her records a statement setting forth any reasons for disagreeing with the Seminary’s decision.

Students have a right to file complaints concerning alleged failures by the Seminary to comply with the requirements of FERPA and the implementing regulations. Complaints should be addressed to the Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, S.W., Washington DC 20220-4605. Students are encouraged to bring any complaints regarding the implementation of this policy to the attention of the Registrar.

ACADEMIC POLICIES

DIRECTED RESEARCH PETITION

(ELECTIVE COURSES ONLY)

Professors will be pleased to arrange research courses on subjects of interest for qualified students. These courses will be conducted by means of assigned reading, a thesis and conferences with the professor and/or an examination. These regulations and procedures also apply to Institute of Theological Studies courses offered by Westminster Seminary California.

Directed research courses may be one, two, or three semester units in credit value. The instructor shall indicate on the Directed Research Agreement the number of credit units assigned to the particular course in light of the amount of research, writing, and faculty consultation required.

Qualifications:

• Directed Research courses may be pursued only by students who are registered for regular class work, unless they have previously attained a general academic standing of 2.0 or better at WSC.

• Generally, directed research courses are taken with full-time faculty. If a student wishes to pursue a directed research course in an area in which only an adjunct professor specializes, the petition must be approved by the Academic Dean.

Petition Procedures:

• Arrangements for directed research courses must be made prior to the scheduled registration date as printed in the Academic Calendar.

• A petition form available from the Registrar or from the WSC website must be completed, signed by the professor and student, and submitted at the time of registration.

• Students taking a directed research elective will have a course number assigned to the course by the Registrar after completing the petition.

Course Numbering:

The course numbers shall reflect the department of the class such as: OT – Old Testament, or ST – Systematic Theology.

Completion Deadline:

All written research papers and other work must be completed on the last day of classes of the same term, and any final exam must be completed by the end of the examination period of the same term. Failure to meet these deadlines will automatically result in an “F” for the course, unless a further extension is granted by faculty action prior to the end of that term.

EXTRAMURAL PETITION

(REQUIRED COURSES ONLY)

Students desiring to take a required course through independent study must complete an Extramural Petition available on the WSC website or from the Registrar.

Extramural Petitions are approved only by a vote of the Faculty Committee on Petitions.

Petition Procedures:

• The petition deadline is one month prior to the normally scheduled registration day. The Committee will not normally approve late petitions.

• The student is responsible to obtain the Extramural Petition form from the Registrar’s office or online.

• The student should meet with the professor to arrange fulfillment of requirements and obtain the instructor’s signature.

• The student must submit the completed petition to the Academic Dean.

• The student must register for the course at the time of registration (if the petition is granted).

Completion Deadline:

All written research papers and other work must be completed on the last day of classes of the same term, and any final exam must be completed by the end of the examination period of the same term. Failure to meet these deadlines will automatically result in an “F” for the course, unless a further extension is granted by faculty action prior to the end of that term.

CLASS CONFLICT PETITION

Students may petition to fulfill requirements for two overlapping classes. Both professors must sign the petition. Under these circumstances students are expected to divide their attendance between classes and complete any assignments.

Petition Procedures:

• The petition deadline is on the scheduled registration date (see Academic Calendar). Students will not be allowed to register for either course until the petition, signed by both professors, is submitted to the Registrar. If this deadline is missed, a late registration fee will be charged.

• The student must register for the course at the time of registration (if the petition is granted).

• Obtain the Class Conflict Petition form from the Registrar’s office or online.

• Meet with the professors to arrange attendance, to obtain all material covered in both courses and obtain the professors’ signatures.

• Submit the completed petition to the Registrar during registration.

FIELD EDUCATION

FIELD education is an integral requirement of Westminster Seminary California’s Master of Divinity program since the program is designed to prepare men for the pastoral. Consequently the program includes not only academic studies but also the opportunity to experience and develop ministry skills through this supervised internship program. For more information, please contact the Director of Field Education.

The Field Education Program (FE 691) requires 700 hours of supervised and evaluated ministry in a broad spectrum of pastoral experience. WSC strongly recommends that students begin their field education early in their seminary program in order to maximize its value. See the fee schedule for charges.

The Director of Field Education will advise students, monitor progress, review evaluations, give reports to the field education committee and the faculty and, when the field education requirement is completed, give a grade of “credit” or “no credit.” This requirement must be met prior to graduating from the Master of Divinity program.

ATTENDANCE

It is expected that students will attend every class for which they are registered. Absences caused by illness, or other justifiable causes, will be permitted to a limited extent. If, in the judgment of the instructor, these permitted absences or other (unauthorized) absences endanger the student’s standing in the course, the instructor shall advise the student and notify the student’s Faculty Advisor. Further absences will normally result in failing grade in the course.
Students are admitted into the degree program for which they apply. Students wishing to change their degree program must submit to the Registrar a formal application form with their Faculty Advisor’s signature along with the change of program fee of $15.00. The Change in Degree application form is available from the Registrar or online.

DOUBLE SUBMISSION OF PAPERS
It is contrary to academic ethics to submit an identical paper for credit in two or more classes at Westminster Seminary California. The only exception is that students enrolled in PT400 Graduate Theological Writing may, with the knowledge and consent of both instructors, submit the same paper in PT400 and another course taken concurrently.

GRADING SYSTEM
Every credit is calculated by the use of a grade point system. Grade points are assigned to grades as follows:

A student’s general standing is the result of the total number of grade points earned divided by the total number of semester units taken. Courses in which credit/no credit grading is employed are not calculated in the grade point average. Grades received in Hebrew and Greek courses taken at Westminster Seminary California are calculated in the grade point average.

In a course in which a failing grade has been received, a student may be granted permission by the professor to take a re-examination or complete a re-assignment of sufficient quality to raise the grade to an F/D. Such work must be completed within 21 days after notification of the failing grade. If the grade is raised to a D, the student receives credit for the course, but no grade points are counted in calculating general standing.

GRADE REPORTS AND APPEALS
Following each semester a student receives a copy of an unofficial transcript. Any discrepancy between the transcript and the student’s personal record must be brought to the attention of the Registrar in writing. Students have a period of four months from the day that grades are issued to question or challenge the grades recorded on their transcripts. After the four-month period, grades will be final and permanent.

COURSE LOAD
The minimum full-time course load for M.Div. and M.A. students during fall and spring semesters is 12 credit units. Six to eight credit units is considered a half-time load, and nine to eleven units is considered a three-quarters-time load. No student may take more than 20 units during a semester without the permission of the Faculty Committee on Petitions prior to registration. The minimum full-time course load during summer and winter terms is two credit units.

REPEATED COURSES
A student is permitted to repeat a course in which a grade already has been earned. When a course is repeated, both the first and the second grades are figured into the total cumulative grade point average and both grades are shown on the student’s transcript.

INCOMPLETE COURSE WORK
A student is expected to complete all work within the current term. In extraordinary circumstances, however, a student may petition for an Incomplete. If the petition is granted, the “I” grade will remain on the transcript in addition to the final letter grade.

An incomplete grade may be granted only when the student’s work in the course has not been completed because of extenuating circumstances. These circumstances may include long-term personal illness, personal or family traumatic crisis and other reasonable and unforeseeable events.

An incomplete grade may not be given when a student has simply failed to complete the work or fails to take an examination due to lack of discipline or organization, church ministry, job responsibilities, or other ordinary circumstances. The Dean of Students will determine whether adequate cause exists for granting the incomplete.

No incomplete will be granted automatically. Student initiative is required to petition for an incomplete.

Petition Procedures:

- Obtain the Incomplete Petition form from the Registrar’s Office or from the Westminster Seminary California website (www.wscal.edu).
- Obtain the signatures of the professor and the Dean of Students.
- Return the completed petition to the Registrar by the last day of classes.

Petition Deadlines
In the case of a granted incomplete, all outstanding course requirements must be finished and graded by the last day of classes of the next semester, or by early fall.Notify the professor by the end of the summer break and the student. Any arrangement for work to be turned in must allow time for the professor to grade it by the last day of classes of the following semester.

Failure to meet these deadlines will automatically result in an “F” for the course, unless a further extension is granted by faculty action prior to term end, at the request of the student.

ACADEMIC PROBATION
Probation status is a means by which the Seminary seeks to alert and assist a student whose academic standing is in jeopardy. Its purpose is both to emphasize the need for change in the student’s approach to theological study and to provide the guidelines and support for such a change. When a student is placed on academic probation, his or her Faculty Advisor and/or the Dean of Students will meet with the student to discuss the factors contributing to previous academic difficulty. The student will be guided in producing a written plan of action for the coming term, which will be submitted to the Academic Dean.

Since probation is to be used to help the student demonstrate and develop his academic competency, neither probation at admittance nor academic probation shall be recorded on a student’s permanent transcript.

WITHDRAWAL OR LEAVE OF ABSENCE
A student planning to withdraw from the Seminary during any one of the following weeks must notify the Registrar by the last day of classes. After reviewing the current application fee. After reviewing the current application fee. After reviewing the current application fee.

A student who desires to return to the Seminary within one academic year, must notify the Registrar in writing, stating a re-entry date into a degree program. After the application is reviewed for one or more academic years, he or she must submit a new Application for Admission and Ecclesiastical Reference to the Office of Admissions along with the current application fee. After reviewing the application and recommendation for re-admission, the Seminary will notify the applicant in writing about their status.

Students returning to WSC after an absence of one year or more re-enter their program under the curricula and graduation requirements stated in the current catalogue.

FINAL EXAMINATIONS
The Academic Calendar indicates the dates of final examinations of each semester or term. Morning exams start at 8:30 a.m. promptly and end at 11:30 a.m.; afternoon exams start at 1:00 p.m. and end at 4:00 p.m. (unless otherwise specified by the professor). Students are expected to take examinations at the scheduled time.

Examinations in evening and Saturday courses will be administered at the normal class time during finals week.

In the case of extenuating circumstances (long-term personal illness or personal or family crisis of a traumatic nature), students may request excuse from taking a final examination at the scheduled time and the Dean of Students may grant permission to take the examination at a time and place determined by the instructor, in writing or electronically, and granted by the instructor prior to the scheduled time of the examination. The instructor may grant permission to take the final exam before the date when grades are due to
the Registrar (see the Academic Calendar), or the student may file a petition for an Incomplete with the Dean of Students. Unless the instructor has granted the student’s request for permission to defer the exam or an Incomplete has been granted by the Dean of Students or the Committee on Petitions, absence at the scheduled examination period will result in a failing grade on the exam.

Each examination must be taken in the scheduled classroom. Withdrawal to areas other than the restroom or lounge is not permitted. Computers (notebooks, laptops, desktops, or others) capable of storing or retrieving data files may not be used in writing examinations. At WSC all examinations are conducted by the honor system and honor pledge. All examinations require the submission and signature of the examined student on the test or examination booklet. The responsibility lies directly upon each individual to maintain this honor system without blemish. The following pledge is to be written out and signed on each examination paper: “I pledge my honor that I have neither given nor received verbal or written assistance during this examination beyond that permitted by the instructor in charge.”

No student with unpaid financial obligations to the Seminary (including library fines) shall be allowed to take final examinations unless the student has made satisfactory arrangements prior to the start of final examinations. In such circumstances, a final examination will not be re-administered to any student at a later date and will result in a failing grade.

REQUIREMENTS FOR THE DEGREES
To qualify for a Master of Divinity or Master of Arts degree at Westminster Seminary California, a student must fulfill and successfully complete all requirements and receive a cumulative grade point average of 2.00 or higher at the completion of required course work.

APPLICATION FOR GRADUATION
Any student planning to graduate must complete an Application for Graduation and return it to the Registrar’s Office by the date listed on the application. A graduation application form is available through the Registrar or the form can be submitted online under the current students section of the WSC website.

COMMENCEMENT
Commencement exercises are held once each academic year at the end of the spring semester. All students who are eligible to receive degrees are expected to participate in the commencement ceremony. If requirements for the degree were completed by the end of the winter term, a student who is unable to be present at the ceremony may petition the faculty for permission to receive the degree in absentia by giving the reason for his or her inability to attend the commencement ceremony.

Prospective graduates must pay all debts to the Seminary, including the library, no later than the last day of classes of the spring semester in order to participate in the commencement exercises. Neither a diploma nor a final transcript will be released until a student’s financial obligations to the Seminary are met in full. The cost of commencement will be billed to the student prior to graduation.

A graduation reception is held in connection with the commencement exercises, normally on the evening preceding the ceremony. This reception provides an opportunity for fellowship with faculty and fellow graduates and for reflections on Seminary years and future plans.

TRANSCRIPT REQUESTS
To request a transcript, complete the transcript request form that is available online or from the Registrar’s Office. Official transcripts are $4.00 per copy. Unofficial copies are free to students. Transcripts must be requested in person or by mail. Telephone or fax requests will not be accepted. No transcripts are issued for students with unpaid accounts.

INFORMATION PERTAINING TO VETERANS
For students receiving Department of Veterans Affairs benefits, credit-unit values have been designated as follows: degree requirements not bearing “credit units” in FE691 Pastoral Internship (for a total of 3 units) and all other units do bear “credit units.” In accordance with the rules of the Department of Veterans Affairs, a student receiving veteran’s benefits will be placed on probation if his cumulative grade point average falls below a 2.0. He or she may continue to receive veteran’s benefits while on probation for a maximum of two semesters. If he or she is allowed to remain on academic probation beyond this period, all veteran benefits will be terminated.

CODE OF CONDUCT
Westminster Seminary California is a distinctively Christian community of scholars and expects its students and employees to conform to the standards of behavior set forth in Scripture and in the historical Reformed confessions. These standards teach that authentic goodness is a state of the heart, the product of regeneration by God’s Holy Spirit. We cannot judge another’s heart, and therefore we cannot judge the internal thoughts and attitudes that produce good or wicked actions. But we can and must take account of the external actions that Scripture praises or condemns. Those whose actions violate these biblical and confessional standards may be subject to discipline (through due process as described in the Faculty Handbook, Student Handbook, and Staff Handbook) and, in cases of serious unrepentant or continued violation, may be required to leave the institution. There are lengthy statements in the Student Handbook concerning plagiarism and the use of drugs and alcohol (see summaries below). Offenses defined by these policies are subject to discipline. Other offenses which violate our confessional standards and are therefore subject to discipline, with the possibility of expulsion, include (but are not limited to) the following: participation in the occult, profane or blasphemous language, expressions of disrespect for others, contentiousness, divisiveness, slander, physical assault, unbiblical termination of pregnancy, misuse of drugs or alcohol. The Seminary considers to be plagiarism in the context of graduate theological study can be found in the Student Handbook given to every new student.

ACADEMIC HONESTY – HONOR SYSTEM
Examinations at WSC are conducted on the honor system. Each student is responsible to maintain this system without blemish. A more detailed explanation of the honor system is found in the Student Handbook which is given to all new students at New Student Orientation.

PLAGIARISM
Plagiarism is a serious offense. It is sometimes committed through carelessness, sometimes as a conscious intention to deceive. Because of their concern for the seriousness of this offense, the Faculty adopted a detailed “Statement on Plagiarism” for inclusion in the Student Handbook. Every WSC student is expected to read, understand, and follow this statement. It says (in part): “Since ideas and their communication are one of the most important ingredients in any academic institution, it is most important that we, as a community, make abundantly clear our expectations with regard to the sharing and transmission of ideas. We think it essential that no one ever present as his own the academic achievements of another. Certainly the intellectual contributions of others may be utilized, but whenever they are, full credit must be given to the one whose ideas they are. In a word, plagiarism must be avoided at all costs.” Since the definition of acceptable and unacceptable use of others’ words and ideas varies from society to society and from context to context within any given society, an extensive description of what the faculty considers to be plagiarism in the context of graduate theological study can be found in the Student Handbook.

SEXUAL HARASSMENT
God’s Word commands respect for others and the maintenance of sexual purity in thought, word, and deed. Scripture condemns the use of influence by persons of either sex to exploit others sexually, and it instructs Christ’s followers to avoid all sorts of impure speech. As a community under the lordship of Christ, WSC intends to preserve an environment that is free from sexual harassment. The Seminary’s policy defining sexual harassment and the procedure for investigating allegations is published in the Student and Faculty Handbooks.

NON-DISCRIMINATION POLICY
Westminster Seminary California does not discriminate on the basis of race, age, color, national and ethnic origin, disability, or gender in the administration of its educational policies, admissions policies, services, or scholarship and loan programs. The Seminary Board and Faculty understand the criteria for the gospel ministry set down in Scripture as limiting candidacy for the gospel ministry to qualified males. Because the Master of Divinity program is designed for the purpose of preparing candidates for official pastoral ministry, only men are admitted to the M.Div. degree program. Women as well as men receive gifts and calling from God to serve in various unordained ministries. Therefore women and men are encouraged to enroll in the Master of Arts programs.
BOARD OF TRUSTEES
GOVERNMENT
Westminster Seminary California is governed by a self-perpetuating Board consisting of eighteen Trustees, all of whom have served as ministers or elders in Presbyterian and Reformed churches. At least six but no more than nine must be ministers of the gospel. Each Trustee is required to subscribe to the confessional standards of the Seminary in a pledge similar to that required of the Faculty. All corporate powers are exercised by or under the authority of the Board of Trustees.
