FOR CHRIST, HIS GOSPEL, AND HIS CHURCH
Welcome from the President

Do you believe the gospel of Jesus Christ? Do you want to understand the Bible more deeply and faithfully? Do you desire to serve Christ and his church? If your answer is "yes," then Westminster Seminary California (WSC) is an excellent place for you. Here you will discover a community of faith and study, of fellowship and prayer. At WSC, you will find an encouraging place to reflect on and prepare for your calling from Christ.

We hope that this catalogue will help you get to know us better. As you look through it, you may want to notice, in particular, our commitments, our faculty, our programs, and our facilities.

We are committed to the gospel of Christ as taught by the inerrant Scriptures and as summarized in our Reformed confessions of faith.

Our faculty is outstanding. Each member is an experienced pastor and an excellent teacher. They are active in their churches and committed to helping students in and out of the classroom. Their academic credentials are impressive, and they are active in research and writing in their fields.

WSC offers two primary programs of study. First is the three-year Master of Divinity program. This program is carefully designed to prepare men for the ordained pastoral ministry. Second is the two-year Master of Arts program. With concentrations in biblical, theological, and historical theological studies, it encourages women and men to pursue their own interests in preparation for various kinds of service in Christ's kingdom.

The photographs in this catalogue will give you a glimpse of the beauty and fine facilities of our campus. However, the catalogue cannot convey the warmth and abilities of our students nor the sense of community that we enjoy. We hope that you will visit us and experience for yourself the strengths of WSC.

Our prayer is that the Lord will use this catalogue to help you know his call for your life and future service. May the Lord bless you richly.

INTRODUCTION

MISSION
Westminster Seminary California (WSC) is a Christian institution seeking to glorify God through graduate theological study. Its primary responsibility is to educate future pastors for Christian churches, especially for Presbyterian and Reformed denominations. It also provides theological education for others who will serve the Christian community and the larger society.

Westminster Seminary California offers instruction in biblical, theological, and ministerial disciplines to both men and women in order to help them develop intellectually and spiritually as leaders. While the primary focus at WSC is to educate and prepare men for ordained pastoral ministry, the Seminary also trains women and men who are preparing to serve Christ and his church in non-ordained vocations, so that the whole body of Christ may be enriched.

Because “zeal without knowledge” or “knowledge without zeal” can only injure the church, WSC seeks to develop in each student a balance of scholarship and Christ-like piety. Westminster Seminary California strives to maintain a community of Christian research and scholarship where the proper cultivation of the mind increases the devotion of the heart.

HISTORY
WSC traces its commitment to Reformed theological education back to the Reformation and especially to John Calvin’s educational approach in his Genevan Academy. In America, that educational heritage was maintained at Princeton Theological Seminary in the 19th and early 20th centuries. Old Princeton was devoted to the inerrancy of Scripture, outstanding scholarship, fine academic education and service to the church in its preaching and missionary work. In 1929, when Princeton reorganized in order to tolerate theological liberalism, several members of the faculty (led by the distinguished scholar J. Gresham Machen) left Princeton to establish Westminster Theological Seminary in Philadelphia, Pennsylvania, with the purpose of preserving the educational heritage of Old Princeton and the scholarship and theology of the Reformation.

Westminster Seminary California began as a branch campus of Westminster in Philadelphia, and became fully independent in 1982. WSC established a campus with an extensive library, a comprehensive curriculum, and a full faculty of teachers who were both experienced pastors and experts in their academic fields. The first Reformed seminary in the western United States, WSC welcomed its first students in the fall of 1980 and now, thirty years later, remains committed to the inerrancy of Scripture, the gospel of Christ, and the importance of the church and her ministry. WSC thrives as a community of faith where the best of scholarship and piety are combined to serve Christ and the church. We are committed to the “whole counsel of God” (Acts 20:27) and we pursue a union of knowledge and zeal for the sake of Christ’s church.

Dr. Robert B. Strimple and Mr. Robert G. den Dulk shared in founding the Seminary in 1979. Dr. Strimple became the first president in 1982, overseeing the movement of the Seminary from its temporary home in San Marcos to its permanent campus in Escondido. In 1988, Dr. Strimple returned to full-time teaching and scholarship and Mr. den Dulk became president, increasing the size and financial strength of the school. In 1993, Dr. W. Robert Godfrey, who joined the faculty in 1981 as Professor of Church History, became the third president of the Seminary.

DOCTRINAL COMMITMENT
The Scriptures of the Old and New Testaments, breathed out by the Spirit of God through human authors, are the only infallible and inerrant authority for faith and life.

The doctrines of the Christian faith, held by orthodox churches throughout the ages, express the central truths concerning the triune God and his works of creation and redemption, particularly as they confess the saving work of Jesus Christ as revealed in Scripture. The Reformed confessions (Westminster Confession and Catechisms, Heidelberg Catechism, Belgic Confession, and the Canons of Dort) are the fullest and most accurate summary of the system of doctrine revealed in Holy Scripture. The church is to be governed according to the principles of Presbyterian church polity, as agreeable to Scripture.

STUDENT BODY
Westminster Seminary California serves an evangelical and Reformed student body from over 30 denominations. WSC students come from 35 states and countries around the world. Graduates from WSC are serving Christ and his church in Singapore, the United Kingdom, Korea, Costa Rica, Spain, Philippines, Nigeria, Malawi, South Africa, Uganda, and other countries.

The Seminary’s location in southern California, near Mexico and accessible to the Asian nations of the Pacific Rim, encourages the student body to reflect the ethnic diversity of the church throughout the world.
ACADEMIC FREEDOM
Because leaders confronted with complex issues in the church need to advance in scholarship, critical discernment, and spiritual maturity, WSC maintains a culture that encourages students in the exercise of academic freedom. Believing that intense study and rigorous thought should be an act of spiritual devotion, Westminster Seminary California seeks to become a community of scholar-servants who love God with all their minds and hearts, and who love others for his sake.

ACCREDITATION
Westminster Seminary California is an accredited school of theology at the graduate level, authorized by the California Superintendent of Public Instruction to grant graduate theological degrees upon recommendation of the faculty and by the authority of the Board of Trustees.

Westminster Seminary California is accredited by the Accrediting Commission for Senior Colleges and Universities of the Western Association of Schools and Colleges, 985 Atlantic Ave., Suite 100, Alameda, California 94501, phone: (510) 748-9001.

WSC is also accredited by the Commission on Accrediting of the Association of Theological Schools in the United States and Canada, 10 Summit Park Drive, Pittsburgh, Pennsylvania 15275, phone: (412) 788-6505, which has approved the Master of Divinity degree and Master of Arts (Biblical Studies, Historical Theology Studies, and Theological Studies) degree programs.

ATS and WASC are recognized by the U.S. Department of Education. WSC is approved for the Veterans Administration’s educational benefits, and Title IV Federal Student Loans. The Seminary is also authorized under Federal law to enroll nonimmigrant alien students under approved F-1 status.

NON-DISCRIMINATION POLICY
Westminster Seminary California does not discriminate on the basis of race, age, color, national or ethnic origin, disability, or gender in the administration of its educational policies, admissions policies, services, or scholarship and loan programs.

WSC believes that men and women are equally created in the image of God and have distinct and complementary roles in the order of the family and the church. The Board and faculty understand the biblical criteria for ordained gospel ministry as limited to qualified males. Because the purpose of the Master of Divinity program is to prepare candidates for ordained pastoral ministry, only men are admitted to this program.

Since God bestows gifts and callings to non-ordained ministry to both men and women, both are encouraged to cultivate their gifts and enroll into any of the Master of Arts programs. Master of Arts students are eligible to receive financial aid and other services that WSC provides to its student body.

LOCALE
Located in beautiful, culturally-rich Escondido, and situated in north San Diego County, Westminster Seminary California is just minutes from the Pacific Ocean. The sunny beaches, Mediterranean climate, and countless attractions make this region a popular vacation destination.

The celebrated San Diego Zoo and San Diego Wild Animal Park are in close proximity. The California Center for the Arts offers live performances ranging from classical symphonies to modern theater productions by internationally acclaimed artists. Downtown Escondido features quaint shops, antique car shows, and a weekly farmers’ market of fresh produce. North San Diego County also offers some of the top hospitals and medical facilities in the nation, including the Scripps Hospitals, Rady Children’s Hospital San Diego, and Palomar Medical Center.

As one of the nation’s fastest growing regions for biomedical and telecommunications industries, San Diego is on the cutting edge of science and technology. It is home to several first-class academic and research institutions, including the University of California at San Diego.
Diego, Salk Institute, Scripps Institution of Oceanography, and Scripps Clinic. Since San Diego is one of the largest cities in the nation, the developing economy is also advantageous in affording exceptional employment opportunities for students.

INSTITUTE OF REFORMED BAPTIST STUDIES

In 1997, the Association of Reformed Baptist Churches of America established the Institute of Reformed Baptist Studies (IRBS) to provide formal training for ministerial students. IRBS offers a challenging curriculum of theological, historical, and pastoral courses that complement the WSC Master of Divinity program to provide a comprehensive preparation for pastoral ministry in Reformed Baptist and other churches.

The faculty of IRBS subscribes to the system of doctrine contained in the Scriptures as summarized in the London Baptist Confession of Faith of 1689. Subordinate to the Word of God, this confessional standard is at the heart of the IRBS curriculum. Because the IRBS program is focused on pastoral preparation and is designed to complement the Seminary’s Master of Divinity curriculum, students must be accepted into the M.Div. program before they can be admitted to IRBS.

CENTER FOR PASTORAL REFRESHMENT

Through a generous grant from the Lilly Endowment, Inc., Westminster Seminary California launched the Center for Pastoral Refreshment (CPR) for Korean-American pastors in the summer of 2003. The program is designed to refresh pastors mentally, spiritually, and physically, so that they can return to their churches re-energized and better equipped to lead with vision, enthusiasm, and renewed passion.

The CPR Summer Sabbatical includes seminars taught by WSC faculty, consultations on health and fitness, recreation, and guided wilderness trips through the beauty of God's creation in nearby mountains, desert, and ocean. Pastors in this program also have access to the CPR study lounge on campus throughout the year for brief retreats and reflection.

In 2008, CPR received another grant to advance the work begun in 2003. The new phase of the initiative is entitled, “Leaving a Legacy: Fostering Excellence Among the Next Generation of Korean-American Pastoral Leaders.” CPR aims to help pastoral leaders by providing an avenue for intellectual challenge, social interaction with peers, physical rest, and mentoring. In turn, congregations themselves will benefit from a re-energized and refocused minister—whether he is in his first year of ministry or in his twentieth.

Master of Divinity Program
Educating and forming candidates for official, ordained ministries of instruction and leadership in the church as pastors, evangelists, and teachers are the main purposes of the Master of Divinity degree program. It is designed to prepare ordained leaders who believe and love the Word of God, and who, therefore, strive to explore, communicate, and defend the depth and breadth of the instruction of the Scriptures for faith and life. Graduates should be able to interpret individual portions of Scripture accurately, to systematize data into a coherent and comprehensive theology, understanding the church’s historic reflection on the Word, and to apply this theology to the church and to individuals through preaching, witness, leadership, and spiritual nurture. The curriculum is designed to prepare graduates to meet the requirements for ordination as ministers of the Word, particularly in Reformed and other evangelical denominations. Because the Seminary Board and faculty understand the criteria set down in Scripture as limiting candidacy for official teaching and leadership ministry in the church to qualified males, only men are admitted to the Master of Divinity program. Women are encouraged to enroll in any of the Master of Arts programs.

It is the aim of Westminster Seminary California that its Master of Divinity graduates demonstrate these key attributes:

- Belief in and love for God and his Word
- The ability to interpret individual portions of Scripture accurately, employing understanding of:
  - The original languages of the Scriptures
  - The historical situation and redemptive-historical context of the text
  - The structures and conventions of biblical literature
- A sound understanding of the main themes of Scripture in their systematic relations, and the ability to articulate the Reformed system of faith and practice
- The ability to articulate exegetical and theological conclusions in light of the history of the church’s reflection on the Word
- The abilities to communicate and apply Scripture’s instruction to the church and individuals through:
  - Preaching
  - Liturgy and sacraments
  - Witness
  - Leadership
  - Spiritual nurture
- The ability to defend the breadth and depth of Scripture’s instruction for faith and life
- Respect for the freedom to draw theological conclusions from the examination of evidence and the exchange of ideas
- Knowledge of the various Christian traditions and non-Christian systems of thought, and the ability to articulate the persuasiveness of other views
- Godly character and spiritual maturity as requisite for ordained leadership as a shepherd of God’s flock
- The ability to meet churches’ academic requirements for ordination as ministers of the Word, especially in Presbyterian and Reformed denominations

The degree is conferred upon the completion of the prescribed program, which requires three years of full-time study or a longer period of part-time study. The courses prescribed should be taken in the sequence indicated. The Academic Dean is available for counsel concerning each student’s needs.

Master of Arts Program (Biblical Studies)

Women and men develop understanding and skills in interpreting the Scriptures of the Old and New Testaments through the Master of Arts (Biblical Studies) program. Graduates should be able to apply their knowledge of the biblical languages, historical circumstances, and literary and theological interrelationships to exegete Scripture accurately. They should also analyze contemporary trends in biblical interpretation with discernment. Graduates of this program are prepared to pursue graduate research programs in Old or New Testament studies or, with further practical training, to use their biblical knowledge in such ministries as teaching, missions, counseling, or lay church leadership. This program is not meant to prepare candidates for ordination to the ministry of the Word.

It is the aim of Westminster Seminary California that its Master of Arts (Biblical Studies) graduates demonstrate these key attributes:

- Belief in and love for God and his Word
- The ability to interpret individual portions of Scripture accurately, employing understanding of:
  - The original languages of the Scriptures
  - The historical situation and redemptive-historical context of the text
  - The structures and conventions of biblical literature
- A sound understanding of the main themes of Scripture in their systematic relations, and the ability to articulate the Reformed system of faith and practice
- Respect for the freedom to draw theological conclusions from the examination of evidence and the exchange of ideas
- Knowledge of the various Christian traditions and systems of thought, and the ability to articulate the persuasiveness of other views
- The ability to communicate and apply Scripture’s instruction to individuals, the academy, and the church
- Growing spiritual maturity consistent with Christian discipleship

The degree is conferred upon the completion of the prescribed program, which requires two years of full-time study or a longer period of part-time study. The courses prescribed for this emphasis should be followed in the sequence indicated. The Academic Dean is available for counsel concerning each student’s individual needs.

Master of Arts Program (Theological Studies)

The main purpose of the Master of Arts (Theological Studies) program is to develop both the understanding and skills needed to apply biblical truth to the intellectual issues confronting the church and the surrounding culture. Graduates should be able to exegate individual passages of Scripture accurately and understand the system of truth revealed in the Scriptures, as well as the major issues in faith and life that the church has confronted throughout its history and in contemporary intellectual and cultural movements. They should be able to systematize exegetical, historical, and situational data into a consistent and coherent theology, to offer a thoughtful defense of Christian theology, and to explain how this theology applies to an individual's belief and behavior. Graduates of this program are prepared to pursue research programs in such disciplines as theology, apologetics, and church history or, with further practical training, to use their theological knowledge in such ministries as teaching, missions, counseling, or lay church leadership. It is not the purpose of this program to prepare candidates for ordination to the ministry of the Word.

It is the aim of Westminster Seminary California that its Master of Arts (Theological Studies) graduates demonstrate these key attributes:

- Belief in and love for God and his Word
- The ability to interpret individual portions of Scripture accurately, employing understanding of:
  - The original languages of the Scriptures
  - The historical situation and redemptive-historical context of the text
- A thorough understanding of the main themes of Scripture in their systematic relations, and the ability to articulate the Reformed system of faith and practice
- The ability to articulate exegetical and theological conclusions in light of the history of the church's reflection on the Word
- Respect for the freedom to draw theological conclusions from the examination of evidence and the exchange of ideas
- Knowledge of the various Christian traditions and non-Christian systems of thought, and the ability to articulate the persuasiveness of other views
- The ability to communicate and apply Scripture's instruction to individuals, the academy, and the church
- Growing spiritual maturity consistent with Christian discipleship

The degree is conferred upon the completion of the prescribed program, which requires two years of full-time study or a longer period of part-time study. The courses prescribed for this emphasis should be followed in the sequence indicated. The Academic Dean is available for counsel concerning each student's individual needs.

Master of Arts Program (Historical Theology)
The Master of Arts (Historical Theology) program is designed to enable students to gain an understanding of the historiography of theology, the historical development of the various Christian theological traditions, and the critical skills for evaluating them. Graduates will have read and analyzed representative theologians and texts from the history of Christianity and demonstrated a grasp of the history of biblical exegesis. As a result they should be able to give a coherent account of the history of exegetical and dogmatic theology. They should also demonstrate historical sensitivity in evaluating theology, as well as a grasp of the intention behind the various theological formulations in each historical epoch. Graduates will possess an ability to relate the great issues of historical theology to contemporary intellectual and cultural movements. Graduates of this program are prepared to enter research programs in history and theology or, with further practical training, to use their theological knowledge in such ministries as teaching, missions, or lay church leadership. It is not the purpose of this program to prepare candidates for ordination to the ministry of the Word.

It is the aim of Westminster Seminary California that its Master of Arts (Historical Theology) graduates demonstrate these key attributes:

- Belief in and love for God and his Word
- A basic understanding of biblical hermeneutics, drawing on
  - Knowledge of the original languages
  - The historical situation and redemptive-historical context of the text
- A sound understanding of the main themes of Scripture in their systematic relations, and the ability to articulate the Reformed system of doctrine
- Respect for the freedom to draw theological conclusions from the examination of evidence and the exchange of ideas
- Knowledge of the various Christian traditions and non-Christian systems of thought, and the ability to articulate the persuasiveness of other views
- Knowledge of the history of Christian theology
- The ability to evaluate and use various historiographic models, integrating the best emphases of intellectual and social history together with the history of Christian theology and biblical exegesis
- The ability to read primary historical texts carefully and contextually while displaying a command of secondary literature and debate on the area of specialization
- The ability to write historical theology at an advanced level, displaying, in their research and writing, a commitment to fairness in treating alternative positions and a commitment to intellectual honesty that leads to revision of conclusions as necessary in the light of research
- The ability to recognize the major events, texts, and persons in church history that have helped to shape understanding (and misunderstanding) of the biblical text
- Interest in and a propensity for a lifetime of learning and instruction

The degree is conferred upon completion of the prescribed program, which requires two years of full-time study or a longer period of part-time study and includes the production and oral presentation and defense of a written research thesis. The courses prescribed for this emphasis should be followed in the sequence indicated. The Academic Dean is available for counsel concerning each student's academic needs.

Two additional hours of electives will need to be taken during a winter term, summer term, or semester to complete the program in four years.

2. A total of 28 hours are to be taken as electives. At least two hours must be taken in each of the following areas: Biblical Studies, Systematics/Apologetics, Church History, and Practical Theology.
Master of Arts Program (Christian Studies)
The purpose of the Master of Arts (Christian Studies) program is to enable church leaders and other men and women to deepen their knowledge of God through his self-disclosure in Christ and in the Scriptures and to serve in the advance of his kingdom through his church. The aims of the program are that graduates will be able to interpret the Old and New Testaments using resources available in English, to articulate the system of truth revealed in the Scriptures, to defend it in response to alternative worldviews, to address issues presently confronting the church in the light of its history and heritage, and to apply their understanding of the church and its ministries to their own roles as members of the church of Christ. MACS courses are ordinarily offered evenings and Saturdays, specifically to meet the needs of students whose employment or other weekday responsibilities prevent them from participating in the Master of Divinity or other Master of Arts programs.

It is the aim of Westminster Seminary California that its Master of Arts (Christian Studies) graduates demonstrate these key attributes:

• Belief in and love for God and his Word
• A basic understanding of biblical hermeneutics, drawing on
  o The historical situation and redemptive-historical context of the text
  o The structures and conventions of biblical literature
  o Bible study resources accessible in English
• A sound understanding of the main themes of Scripture in their systematic relations, and the ability to articulate the Reformed system of doctrine
• Knowledge of the history of the Christian church, and the ability to address issues presently confronting the church in light of its history and heritage
• The ability to defend the system of truth revealed in Scripture
• Growth in discernment of their callings and exercise of their spiritual and natural gifts in church and in society, serving Christ and other people as faithful stewards
• Respect for the freedom to draw theological conclusions from the examination of evidence and the exchange of ideas
• Growing spiritual maturity consistent with Christian discipleship

The degree is conferred upon the completion of the prescribed program, which requires 50 semester hours of study normally completed over four years of part-time work. The curriculum consists of a core of 24 semester hours, distributed over four subject areas, plus 26 semester hours of electives. MACS core courses are not transferable to WSC’s other degree programs (with the exceptions of OT520, CH601, ST501, and PT600), but MACS students may take any other WSC courses as electives to their program as long as the prerequisites are met.

(The MACS program has been discontinued; the last new applicants were admitted to the MACS program in fall 2006. MACS required courses will not be offered after spring 2010, and all MACS graduation requirements, including elective hours, must be completed by spring 2013 in order to receive the degree.)

An overview of the sacred places, people, offerings, and festivals of the Old Testament. This course traces the redemptive historical development of forms of worship from the Garden of Eden to the exile period and beyond. This course covers the literary and historical integrity of the book of Job in the Wisdom literature of the Old Testament, and how the summary of its theme and purpose are reflected in the Epistle of James. The several phases of the story which this book unfolds, the distinctiveness of each and its relationship to what has preceded it, together with the roles of those referred to in the book—namely God, Satan, and Job, his friends, and Elihu—will then be examined. Mr. H. Jones.

OT530 INTRODUCTION TO BIBLICAL INTERPRETATION (2)
Sound principles and practices for interpreting the Scriptures in English translation. Fall semester. Mr. Estelle.

This course traces the use of the prevalent Exodus motif throughout Scripture and explores the interpretive and canonical significance of the unfolding drama of redemptive revelation. Combining readings in the Hebrew Old Testament and Greek New Testament with insights from Biblical Theology (i.e., older and more recent authors), the course aims to illustrate a methodology for dealing with prominent motifs in the Bible and will interact with recent theories of intertextuality and theories of allusion. Prereqs., OT402 and NT403 or equivalent. Mr. Estelle.

OT630 INTRODUCTION TO ARAMAIC AND THE BOOK OF DANIEL (2)

FIELD EDUCATION

FE691 PASTORAL INTERNSHIP
This internship requires seven hundred (700) hours of supervised and evaluated ministry in a local congregation and/or a summer intern program in a congregation or missions program at a distance. Experience is required in a broad spectrum of pastoral experiences in keeping with an agreement worked out among the student, the congregation, and the Seminary. Insofar as possible, requirements for ordination are considered in tailoring the program. Credit/no credit. All M.Div. students are required to enroll into this internship during the spring semester of their first year. Mr. Johnson.

INSTITUTE OF THEOLOGICAL STUDIES

Westminster Seminary California is a member of the Institute of Theological Studies, cooperating with other evangelical seminaries in offering lecture courses in recorded format. Each course must be taken under the supervision of a resident faculty member. I.T.S. courses are a special category of directed research. A form available from the Registrar must be completed, signed by professor and student, and submitted at the time of registration. A maximum of seven semester units of I.T.S. courses may be applied as elective credit to the M.Div. and M.A. programs. I.T.S. courses may not be used in lieu of required courses except by special action of the faculty. The tuition charges for I.T.S. courses are the same as for other courses offered by WSC. Students will also need to purchase the required books and media. Students who have been admitted to WSC (except those admitted as Special Students) may register for I.T.S. courses prior to beginning their on-campus work if their cumulative undergraduate G.P.A. was 3.0 or above. A student interested in taking an I.T.S. course should consult the Registrar. The following courses have been approved by the faculty.

The teaching faculty for these courses have been appointed as WSC adjunct faculty. For general information about CCEF and the content of these courses, consult the CCEF website: http://www.ccef.org/. For information regarding enrollment in these courses, contact the seminary's registrar.

Mr. Powlison.

PTC520 COUNSELING IN THE LOCAL CHURCH (2)
This course shows you how to make everyday relationships more consciously biblical and helps you to apply biblical counseling principles in many settings. It seeks to help you discern where you could serve as a biblical counselor. Its purpose is to build a thoroughly biblical understanding of the local church as a ministering community where everyone plays a part. Students are helped to find their place in ministry within the context of the local church and to help others do the same. This class emphasizes the importance of both public and private ministry of the Word of God and how they interrelate. Topics include a biblical foundation for private ministry of the Word; the role of community and relationships in the process of sanctification; developing a practical ecclesiology; and developing an eye for ministry opportunities such as conflict resolution, evangelism, and church discipline. Students are also taught to move towards people with any type of struggle in a way that is helpful and Christ-centered. Topics include abuse, guilt and legalism, fear, anger, bipolar, schizophrenia, anorexia and bulimia, and addictions. Prereq., PT505 or PTC510. Mr. Welch.

PTC710 THEOLOGY AND SECULAR PSYCHOLOGY (3)
This course teaches students how to understand psychologists' observations, theories, and practices, and how to engage them critically, humbly, and lovingly. Students are taught to reinterpret through a redemptive gaze the things psychologists see most clearly and care about most deeply. The class will seek to understand where biblical counseling fits in our cultural context, both within the evangelical church and within the surrounding mental health system. Topics covered include the skills of reinterpretation and redemptive interaction, historical overview of the biblical counseling and the evangelical psychotherapy movements, the lay of the land in contemporary counseling; assessment of motivation theories and self-esteem theory; and primary source readings from a half dozen representative psychologists, ranging from high culture to self-help. Prereq., PT505 or PTC510. Mr. Powlison.

If you have any questions that are not answered either in this catalogue or on our website, we invite you to contact the Seminary’s Office of Admissions by calling us toll free at (888) 480-8474 (8:00 a.m.-4:30 p.m. PST) or via email to admissions@wscal.edu.

CAMPUS VISITS
Visiting our campus is the best way for prospective students to get acquainted with Westminster Seminary California. A campus visit provides an excellent opportunity to experience the quality education as well as the dynamic community life that WSC offers. Typical visits include a campus tour, attending classes and morning devotions, meeting with admissions and financial aid representatives, and interacting with faculty and current students. Campus visits are scheduled Tuesday through Friday during the academic year by contacting the Office of Admissions. WSC also hosts special “Seminary for a Day” visit opportunities during each academic term.

PROSPECTIVE STUDENT TRAVEL ASSISTANCE FUND
Prospective students who schedule a visit to Westminster Seminary California (including but not limited to “Seminary for a Day”) and later enroll as fulltime students (12 units or more per semester) may request reimbursement for a portion of their travel expenses. Visitors who are California residents are eligible for up to $300 and visitors from outside the state of California are eligible for up to $500. Students who wish to request travel reimbursement must save their receipts, complete a Travel Reimbursement Form (available through the Office of Admissions), and submit both form and receipts to the Office of Admissions by the first day of the student’s second semester. If approved, a tuition credit will be applied to the student’s tuition account during his or her second semester of study.

Due to the financial burden that travel costs may place on prospective students, in some cases, WSC may provide a portion of the travel assistance grant to students during their visit. Students who are strongly considering attending WSC and desire to visit but lack the financial means to do so should contact the Director of Enrollment Management for more information.

APPLICATION PROCEDURE
The following steps are required to complete the Application for Admission for Westminster Seminary California’s degree programs (M.A. or M.Div.) under normal circumstances. In addition to the information in this section, please review the additional requirements outlined in the following sections, if they apply to you:

1. WSC Application for Admission and Essay
Complete the WSC Application for Admission and Essay. The application form may be obtained and submitted in the following ways:

- Transfer Credit Requirements
- Graduates of Unaccredited Institutions
- International Student Admissions
- Special Student Program (M.Div. applicants without a B.A./B.S. degree)
- Non-Degree Study Programs

- Apply via our online application at www.wscal.edu/admissions/apply.
- Download and print the application to complete and mail to the Office of Admissions.
- Call the Office of Admissions toll free at (888) 480-8474 or e-mail us at admissions@wscal.edu to request an application package to complete and submit by mail.
The application form and essay provide helpful information for the Admissions Committee to evaluate each applicant fairly. The Application for Admission should be filled out in a complete and accurate manner and must include the applicant's signature on the last page to avoid delays in processing.

Each application must include a non-refundable Application Fee of $30.00. Online applicants will be asked to pay via Visa or MasterCard after they have submitted the application. Applications will not be processed without the Application Fee.

2. Academic and Ecclesiastical References

The Academic and Ecclesiastical Reference Forms are available to download on our website at www.wscal.edu/admissions or via mail by contacting the Office of Admissions at (888) 480-8474 or email to admissions@wscal.edu.

The purpose of the Academic Reference is to evaluate an applicant's academic ability and the likelihood that the applicant can successfully meet Westminster Seminary California's academic requirements. This form should be completed by a professor at the undergraduate or graduate level under whom the applicant completed course work. In extraordinary cases, with prior approval from the Office of Admissions, an academic essay may be submitted in lieu of the Academic Reference if a suitable person cannot be found to complete the form. The essay must be typed, 1,500-2,000 words in length (excluding footnotes), on a topic of the applicant's choosing. The essay must be well-written with a clear thesis, and must interact with at least three published sources (not including Internet sources). Applicants are advised to follow the academic format style found in Kate L. Turabian, *A Manual for Writers of Term Papers, Theses, and Dissertations* (7th Edition) (Chicago University Press, 2007).

The purpose of the Ecclesiastical Reference is to evaluate an applicant's spiritual fitness for seminary studies and information regarding ministerial calling. This form should be completed by a pastor/elder from the church of which the applicant is a member in good standing. If a suitable person is not available at the applicant's church or an applicant feels that it is preferable to have the reference completed by a pastor/elder from a church of which the applicant is not a member, an explanation must be submitted to the Office of Admissions with the completed reference form.

3. Official Transcripts

Official transcripts (sealed) of all academic work beyond high school must be submitted as part of the completed application package. This includes a transcript from each college or undergraduate school at which academic credit was earned, whether the credit was transferred to another institution or not. An official college transcript is one that is received by WSC directly from the issuing college or university or is transferred to WSC by the applicant in a sealed envelope. Each transcript must bear the college seal, current date, and an appropriate signature. Transcripts received that do not meet these requirements will not be considered official.

The Application for Admission will not be processed until all academic transcripts are received. Admission may be granted on a conditional basis if an applicant is in the process of completing the final year of an undergraduate degree program. An official transcript showing the attainment of a B.A./B.S. degree or its academic equivalent must be submitted before the student is allowed to enroll in courses at WSC.

Applicants to the Master’s programs at WSC are ordinarily required to hold a Bachelor’s degree (B.A./B.S.) or the educational equivalent from an accredited college or university. (For exceptions to this policy, see the information below regarding “Graduates of Unaccredited Institutions” and the “Special Student Program.”)

On a case-by-case basis the Admissions Committee may determine that an applicant holds the educational equivalent of a Bachelor’s degree from an accredited institution if he or she fulfills all of the following criteria:

- Has completed at least 120 semester hours (180 quarter hours) of post-secondary course work in accredited educational institutions, including courses providing a degree of mastery in such disciplines as English composition and literature, history, philosophy, natural sciences, social sciences, ancient and modern foreign languages, and Bible;
- Has earned a Master’s or higher degree from an accredited institution; and
- Has completed at least 36 semester hours of upper division and/or graduate course work in a particular discipline or set of related disciplines, providing depth and breadth of exposure to a specific subject area comparable to a baccalaureate "major."

While it is not possible to prescribe one pattern as normative for pre-seminary education, a degree of mastery in the following areas is recommended: English composition and literature, history, philosophy, natural sciences, social sciences, ancient classical and modern foreign languages, and English Bible.
ADMISSIONS

ADMISSIONS POLICIES

Admission Deadlines
Applications for admission to Westminster Seminary California are accepted on a rolling basis for the following academic term. Newly admitted students who register after July 1 for the summer term/fall semester or December 15 for the winter term/spring semester may be charged a $50.00 late registration fee. While it is recommended that completed applications be submitted well in advance of the anticipated date of enrollment, applications are accepted and processed through the first day of each academic term designated in the Academic Catalogue. It is recommended that students who intend to apply for financial aid complete the application process by March 15 for the fall semester and October 1 for the spring semester in order to receive priority consideration for scholarships and grants.

Notification of Admission Decision
Completed applications for admission will be reviewed by the Admissions Committee within one week of their completion. The Office of Admissions will notify the applicant of the committee’s decision by phone or email as soon as it is made, followed by an official letter by mail within two weeks of the admission date.

Conditional Admission
Potential students who have not completed their B.A./B.S. degree are welcome to apply at any time during their final year of undergraduate study. Applicants who are admitted prior to the completion of their degree are admitted on a “conditional” basis pending completion of their undergraduate degree and submission of a final transcript verifying that they have received the degree. Under ordinary circumstances the final transcript must be received before a student is allowed to enroll in classes at WSC.

Admission on Academic Probation
Academic probation is a period of testing and proving one’s abilities. Students admitted to a WSC degree program on probation are granted a specified period of initial evaluation, followed by a review of the student’s progress by the Admissions Committee to evaluate the student’s ability to continue in the degree program. Admission on probation provides an opportunity for students who otherwise might not be admitted to the Seminary to demonstrate their ability to complete graduate theological study.

The following categories of students are admitted on probation:

• Special students – Those admitted under M.Div. “Special Student” status (see admission requirements for Special Students below)
• Inadequate preparation – A review of transcripts of undergraduate or graduate studies and/or academic reference evaluations that raise concerns about the adequacy of the student’s preparation, abilities, and/or discipline to pursue graduate theological studies
• Unaccredited institutions – Students holding a Bachelor’s degree from an unaccredited institution

While on probation, a student may take a maximum of 20 semester hours of course work before further review. When a student has completed 15-20 semester hours, the Admissions Committee will evaluate the student’s academic progress and make a decision as follows: 1) grant admission to a degree program; or 2) grant continuation of probation for an additional semester; or 3) dismiss the student from the Seminary. Normally a minimum cumulative grade point average of at least 2.0 in Seminary course work will be required for confirmation of admission. Since probation is viewed as a time to assist a student in developing and demonstrating academic competency, admission on probation will not be recorded on his or her permanent transcript.

Enrollment Deposit
Westminster Seminary California
requires a $100 Enrollment Deposit as part of the enrollment process for all students enrolling in a degree program. Students returning from a leave of absence or other interruption of course work are not required to submit a new deposit unless they officially withdrew and the previous Enrollment Deposit was refunded. Enrollment Deposits should be submitted with the new student’s registration, which is due by July 1 for new summer/fall students and by December 15 for winter/spring students. If the student is admitted after this date, the Enrollment Deposit is due within two weeks of notification of admission.

The Enrollment Deposit confirms a student’s intent to enroll and verifies continued enrollment at the Seminary. It is also used to secure all accepted financial aid awards. If an Enrollment Deposit is not submitted by the new student registration due date, any financial aid awarded may be redistributed to other applicants. Once received, the Enrollment Deposit is held by WSC until the student submits the Graduation Application near completion of his or her degree. At that time, the Enrollment Deposit will be applied to the student’s Graduation Fee. If a student withdraws from WSC, this deposit can be refunded provided that the student completes the WSC Withdrawal Form, pays outstanding balances, and requests the refund from the Business Office.

Deferred Enrollment
Upon approval by the Office of Admissions, an admitted student who has paid the Enrollment Deposit may be granted deferred enrollment for up to one additional academic year beyond the academic term for which the student was admitted without being required to reapply for admission. To request deferred enrollment, the student must complete the Deferred Enrollment Request Form which is available online and by request through the Office of Admissions. Students who defer their enrollment to WSC must reapply for financial aid the following year. Students who have been granted deferred enrollment and later choose not to enroll must notify the Office of Admissions of their decision and request a refund of their Enrollment Deposit by July 1 of the following academic year, or the Enrollment Deposit will be forfeited.

New Student Registration
Registration materials are mailed in June (summer/fall students) and November (winter/spring students) to all newly admitted and deferred students. Registration will only be processed for those students who have also submitted the $100.00 Enrollment Deposit. The registration deadlines are July 1 (summer/fall students) and December 15 (winter/spring students). (Late registrations will be accepted with a late fee of $50.00 until the first day of each semester as determined by the Academic Catalogue.) For more information regarding WSC registration policies, see the Academic Policies section.

New students may be eligible to test or place out of certain academic courses. See the Academic Policies section of the catalogue for information on waiving Greek and/or Hebrew, Graduate Theological Writing, and Oral Communication requirements.

Financial Aid
Westminster Seminary California has a wide range of financial aid opportunities available to students enrolled in a degree program (M.A./M.Div.). Admitted students planning to apply for financial aid are encouraged to complete the WSC Application for Financial Aid or WSC International Student Application for Financial Aid (available through the Office of Admissions and online) and the FAFSA (www.fafsa.ed.gov, school code: G22768, U.S. students only) by April 1 (summer/fall applicants) or November 1 (winter/spring applicants). These dates are recommended but not final for financial aid consideration. Applications for financial aid will only be reviewed for students who have been admitted. Please see the financial aid section of the catalogue for more details.

Student Orientation
Westminster Seminary California provides a New Student Orientation prior to each academic term. It is normally scheduled one day prior to the start of the fall and spring semesters (see Academic Calendar). All new students enrolled in a Master of Arts or Master of Divinity degree program are required to attend. The purpose of the orientation is to introduce students to seminary life, the campus, theological education, seminary policies, and the resources of the surrounding community.

Veterans’ Benefits
The following policies apply to students receiving educational benefits from the Department of Veterans Affairs (D.V.A.), in compliance with that department’s policies:

Westminster Seminary California is required to initiate a review of transcripts of any Master’s level (M.Div., M.A.) course work that a D.V.A. student has completed at another theological seminary in order to determine which and how many credits are transferable as partially fulfilling WSC’s degree requirements. All course work that is transferable as equivalent to Westminster Seminary California’s required or elective courses will be transferred into the student’s present Westminster Seminary California program. The Academic Dean determines course equivalence on the basis of course descriptions, syllabi, prerequisites, and requirements, and in consultation with the relevant instructors of courses.
WSC is approved for the Department of Veterans Affairs educational benefits. For information, contact the local Veterans Office or the WSC Registrar.

Request for ADA Accommodation
The Academic Dean and Dean of Students work with students with disabilities who request accommodation. The Dean of Students provides orientation to campus resources and directs students to other potential resources for accommodation to the student’s disability. Physically challenged students are encouraged to request accommodation as early as possible in their planning process.

ADMISSION AND TRANSFER CREDIT REQUIREMENTS
Students who intend to request transfer credit from another graduate level institution must submit all regular required application items, including the following: Application for Admission, Application Fee, Ecclesiastical Reference, Academic Reference, and official transcripts from each post-secondary institution from which the applicant has received credit. Once the prospective transfer student has been admitted to Westminster Seminary California, the Registrar will complete a transcript evaluation to determine which courses will receive credit from WSC. If a transfer student desires a preliminary transcript evaluation prior to acceptance, the student may submit his or her official transcripts and request for transcript evaluation to the Office of Admissions. Transfer credit will not be processed until the student has been admitted.

Transfer Credit Policies
Westminster Seminary California may grant graduate level credit for courses in which a grade of C (not C-) or above was received. Course work from an accredited institution may transfer as equivalent to a required course or as elective credit in the student’s program at WSC. The Academic Dean determines course equivalence on the basis of course descriptions, syllabi, prerequisites, and requirements, and in consultation with the relevant instructors of courses.

Transfer credit may not be granted for coursework at other institutions for courses in the WSC curriculum that require biblical languages (Greek and/or Hebrew) as prerequisites if the courses taken at those institutions did not have the biblical language prerequisites.

At least 36 semester hours must be completed in a WSC degree program. No transfer credit will be given for Greek or Hebrew language courses taken at either the undergraduate or graduate level with the exception of students who have taken Greek or Hebrew for credit at Westminster Theological Seminary in Philadelphia. Language credits from WTS-Philadelphia may be transferred by submitting an official transcript to the WSC Registrar’s Office documenting passing grades. Students who have taken Greek and/or Hebrew language courses at other institutions are encouraged to take the language placement exams.

No transfer credit will be given for work that has previously been used as a basis for the awarding of a Master's or Doctoral degree by another institution. Students admitted to the Master of Divinity program may be granted “advanced standing” for course work for which they have previously received a Master of Arts degree in Biblical Studies, Historical Theology, or Theological Studies, or a Master of Arts in Religion degree. See the Advanced Standing policy.

Advanced Standing (M.Div. only)
Students holding a Master of Arts or Master of Arts in Religion degree from an accredited theological seminary or divinity school may be granted advanced standing toward the Master of Divinity degree. Students who receive advanced standing at WSC must complete, over a period of at least two academic years, at least 60 semester hours beyond the M.A. or M.A.R. requirements. The 60 semester hours include all required M.Div. courses not previously taken and exclude any additional Greek or Hebrew courses that must be taken to fulfill the WSC language requirements. (See “Shared Credit between Degree Programs” in Academic Information and Policies.)

Transfer Credit from Unaccredited Institutions
Students admitted to an M.A. or M.Div. program who seek transfer credit for graduate level studies completed at an unaccredited institution must supply the following information for the evaluation of each course for which transfer credit is requested:

- A copy of the course syllabus, stating the instructor’s name and the course requirements
- At least one sample of course work submitted in fulfillment of course requirements.

All decisions regarding transfer credit from unaccredited institutions are made on a course-by-course basis. Acceptance of one course from an unaccredited institution for transfer credit carries no implication regarding the acceptance of other courses from that institution.

Only courses in which a grade of B (not B-) or above was received will be accepted for transfer credit. No more than 15 semester hours (23 quarter hours) from an unaccredited institution will be accepted for transfer credit toward a student’s degree program at Westminster Seminary California.
INTERNATIONAL STUDENT ADMISSIONS

Westminster Seminary California is authorized under Federal law to enroll non-immigrant alien students. Students of high academic standing from foreign countries are encouraged to apply to Westminster Seminary California. Applicants should note that, while some limited financial assistance may be awarded by the Seminary toward tuition costs, complete financial support (including living expenses) is not granted to any student. International students are encouraged to seek additional means of support elsewhere. All international applicants must seek and show certified proof of additional financial means of support. It should be noted that due to recent changes in the law regarding foreign students, prospective students are urged to start the application process at least one year in advance of their anticipated enrollment date.

In addition to the admission requirements outlined above, international student applicants must also meet the following requirements to be admitted to a Master’s degree program (M.A. or M.Div.) at Westminster Seminary California.

English Language Proficiency

International applicants for whom English is not their first language who have not previously attained a degree within the United States at an accredited institution are required to demonstrate sufficient evidence of mastery of the English language for graduate study through the test of English as a Foreign Language (TOEFL).

The Test of English as a Foreign Language is currently offered in three formats: paper, computer, and Internet-based. Applicants required to take the TOEFL must achieve either a score of at least 570 on the paper test and 4.5 on the Test of Written English (TWE), or a score of at least 230 on the computer-based TOEFL with a 4.5 minimum on the essay portion of the exam, or a score of at least 88 on the Internet-based test with a minimum writing score of 25.

The following chart summarizes the minimum TOEFL requirements at Westminster Seminary California for each test format:

<table>
<thead>
<tr>
<th>Test Format</th>
<th>Min. Score</th>
</tr>
</thead>
<tbody>
<tr>
<td>Internet</td>
<td>88</td>

<td>570</td>
</tr>
<tr>
<td>Writing (Internet)</td>
<td>25</td>
</tr>
<tr>
<td>TWE (Computer/Paper)</td>
<td>4.5</td>
</tr>
</tbody>
</table>

Because the TOEFL exam is given only a limited number of times each year, the applicant should allow sufficient time for the results to be included in the admissions process. Applicants must make their own testing arrangements with Educational Testing Service (ETS) at its website www.ets.org, via email to toefl@ets.org, by calling TOEFL Services at (609) 771-7100, or by writing to P.O. Box 6151, Princeton, NJ 08541-6151, USA. Applicants should request that the results be sent directly to Westminster Seminary California [school code: 4980]. Please note that the student's copy of the results cannot be used for admissions purposes.

Graduate Theological Writing (PT400)

All non-native English speaking applicants who are admitted to WSC with the minimum required score of 570 but less than 640 on the paper TOEFL test, with the minimum required score of 4.5 but less than 5.5 on the TWE, or with the minimum required score of 230 but less than 260 on the computer TOEFL test, or with the minimum required score of 88 but less than 112 on the Internet-based TOEFL, or with the minimum required score of 25 but less than 29 on the writing portion of the exam, must register for PT400 Graduate Theological Writing during the fall semester of their first year and during each subsequent fall semester until the course is passed. The course must be passed in order for the student to graduate from WSC.

F-1 Visa/I-20 (Certificate of Eligibility for Non-Immigrant Student Status)

In order for the applicant to receive from the Seminary the Certificate of Eligibility (Form I-20) necessary to obtain the F-1 Visa for non-immigrant students, the following conditions must be satisfied:

- The applicant must be admitted as a full-time student to a Master’s degree program.
- The applicant is required to supply certification that they have financial resources adequate to provide for their expenses while in seminary without resorting to unauthorized employment. United States law administered by the U.S. Citizenship and Immigration Services restricts the employment of international students. Funds may come from personal savings, family, church or denomination, sponsoring agencies or individuals, or some other dependable source. If expenses will be paid from personal or family savings, the applicant must supply official bank records demonstrating that the account or accounts contain funds sufficient to cover expenses for the entire degree program. If expenses will be supplied by assistance from family members or other sponsors on a year-by-year basis, the applicant must send certification that they have the resources to guarantee the expenses for at least the first year of study, and that the sponsor (or sponsors) have the resources to guarantee the expenses for at least the first year of study, and that the sponsor (or sponsors) are able and committed, barring unforeseen circumstances, to provide adequate
funding for the subsequent years of the student’s degree program at Westminster Seminary California.

- An applicant with dependents must show, by statement from some responsible organization or individual (including bank statements or tax returns), funds which are committed to and sufficient for the support and care of the dependents at home while he or she is in the U.S., or sufficient funds for round-trip tickets and the entire support of the dependents during their stay in the U.S. if they are to accompany the student.

Please note that the regulations regarding the issuing of student visas may change at any time. It is the student’s responsibility to investigate requirements through the local United States Consulate. International students should also visit the U.S. Immigration website at www.uscis.gov for forms and policies regarding coming to the United States as a foreign student. Once these conditions have been met, the Designated School Official (D.S.O.) will issue the Certificate of Eligibility (I-20). Students who come to study on an I-20 must register and maintain full-time status of 12 or more units per semester.

**GRADUATES OF UNACCREDITED INSTITUTIONS**

Westminster Seminary California has long recognized the value of the accreditation process both as a means of institutional self-evaluation and self-improvement and as a means of external attestation of educational quality to students, constituency, and other academic institutions. WSC also recognizes that for various reasons (recent founding of an institution, location in a nation lacking accreditation processes, reservations about the accreditation process) certain institutions may lack accreditation by a recognized association and yet maintain academic standards comparable to those found in accredited institutions. Since such institutions cannot offer reliable third-party evaluation and attestation to their academic standards, Westminster Seminary California exercises caution in evaluating applications and/or requests for transfer credit from graduates of such institutions. Graduates of unaccredited institutions are admitted under probationary status. In order to evaluate whether a degree from an unaccredited institution meets the standards required for admission, applicants must submit the following, in addition to general admission requirements:

- A catalogue of the unaccredited institution granting the student’s degree
- If the institution is in the United States, a copy of the document attesting authorization to grant degrees by the State Board of Education. Such authorization is not equivalent to accreditation in the evaluation of adherence to accepted academic standards, but it does show that the institution has offered evidence of its educational purpose and financial responsibility
- A document which provides details regarding the institutions from which the current faculty of the institution received their graduate/advanced degrees, and identifying which faculty members are full-time (if not clearly stated in the catalogue)
- A list of accredited institutions that have admitted graduates of the unaccredited institution and/or accepted its courses for transfer credit
- Two examples of assigned course work submitted to the institution

**SPECIAL STUDENT PROGRAM (M.Div. Only)**

In extraordinary cases, a student whose gifts for pastoral ministry have been strongly confirmed by the church but who has not completed an approved Bachelor’s degree program may apply for admission to the M.Div. program as a Special Student. Because the Seminary strongly believes that an undergraduate Bachelor’s degree program in the liberal arts and sciences is the preferred preparation for graduate theological study, only a limited number of Special Students may be admitted in any one year. To more clearly evaluate the Special Student application file, Westminster Seminary California has designated specific criteria regarding the applicant’s academic history, ministry and employment experience, and standardized examination results.

**Education**

The applicant must have completed at least 30 semester units (or equivalent) of undergraduate study at an accredited or otherwise approved college or university. Of these units, at least 15 semester units must be in humanities or liberal arts other than Bible and theology (namely, English or world literature, history, philosophy, ancient or modern foreign languages, etc.). To strengthen the application, the remaining course work should be in the above areas or in natural sciences, social sciences, and Bible/theology. The cumulative grade point average in undergraduate course work must be 3.0 or above.

**Employment and Christian Service**

The applicant must also have life experience in employment and Christian service in a church or parachurch organization. Four years of employment experience and of experience in Christian service will be weighted as equivalent to one year (30 semester units) of undergraduate
study. The applicant must have a total preparation package (combining ministry/employment experience and academic course work) equivalent to four years (120 semester units) of undergraduate study. Thus, Special Student applicants must demonstrate one of the following combinations of academic and life experience:

- 30-59 semester units of academic courses, plus 12 years employment and 12 years Christian service/experience
- 60-89 semester units of academic courses, plus 8 years employment and 8 years Christian service/experience
- 90-119 semester units of academic courses, plus 4 years employment and 4 years Christian service/experience
- Years of employment and Christian service experience may be fulfilled concurrently, but both categories must be fulfilled

**Ecclesiastical Reference**
Because a Special Student's admission constitutes an exception to normal admissions criteria for the sake of the church's leadership needs and its confirmation of an individual's gifts and maturity for ministry, special attention will be given to the evaluation offered by a pastor or other church leader in the Ecclesiastical Reference concerning the applicant's Christian maturity, experience in ministry, and potential for future service in the church.

**Additional Information**
Upon request by the Office of Admissions, the applicant may be required to demonstrate knowledge of the liberal arts and an ability to pursue graduate level study by submitting an essay or research paper for evaluation by the Admissions Committee. Special Students are admitted initially on probationary status. After completing, with a cumulative grade point average of at least 2.3, the courses specified in the standard M.Div. curriculum for the summer, fall, and winter terms of the first year, he shall receive confirmation of acceptance into the M.Div. degree program.

**NON-DEGREE STUDY PROGRAMS**
Westminster Seminary California offers a variety of study programs for students who do not intend to pursue a Master's degree. Students enrolled in the Visiting, Non-Matriculating, Certificate, and Audit Programs are required to observe all policies and procedures stated in the Academic Catalogue with the exception of those specifically pertaining to M.Div. or M.A. program requirements. Please note, students who are not enrolled in a Master's degree program are not eligible for financial aid or veterans' benefits.

**Visiting Student Program**
Students holding a Bachelor's degree from an approved institution who desire to take courses for credit at WSC may follow a simplified application procedure to apply for the status of Visiting Student. Each applicant must submit a completed Visiting Student Application Form, a non-refundable Application Fee, TOEFL and TWE scores (if the applicant is not a native English speaker), and an official transcript showing the completion of a Bachelor's degree program.

Visiting Students may enroll in any class offered by WSC as long as they have met the prerequisites for the class. If a Visiting Student applies and is accepted into a degree program at a later date, credits earned as a Visiting Student will be applied to the degree program.

**Non-Matriculating Students**
Students enrolled in undergraduate or graduate programs at other educational institutions may, without application to and matriculation in Westminster Seminary California, take courses at the Seminary for transfer of credit to their current degree programs. Prospective Non-Matriculating Students must submit a Non-Matriculating Student Application, an official transcript from the institution in which the student is currently enrolled, and written notification from the Registrar at the institution in which the student is currently enrolled that each course to be taken at WSC is approved for credit toward their current degree requirements to the Office of Admissions prior to the first day of class for the semester in which they wish to enroll. The Academic Dean makes a final determination as to whether a Non-Matriculating Student has sufficient academic background to enroll in a particular course.

**Certificate Student Program**
( M.A. only)
Westminster Seminary California's certificate programs are designed
for those men or women for whom the completion of a Bachelor's degree is not feasible, who desire to develop personal understanding of Scripture and theology, and who anticipate pursuing no further academic study. The curricula for these certificate programs are identical to the M.A. Biblical Studies, M.A. Theological Studies, and M.A. Historical Theology, respectively. A limited number of certificate students are admitted in any one year.

Though WSC is not able to award Masters of Arts degrees to individuals who lack a Bachelor's degree, a certificate with accompanying transcript will attest to the student's completion of a unified course of studies in biblical, theological, or historical theology disciplines. Certificate students take courses for credit, pay regular fees, receive faculty evaluation of course assignments and examinations, and have a record of their completion of certificate requirements maintained by the Registrar. “Credit/No Credit” evaluation is used for certificate students and reported on their transcripts.

The application requirements for the certificate program are similar to those for the Special Student application, and the criteria are followed rigorously by the Admissions Committee (see the “Special Students” section above). Because an undergraduate Bachelor's degree program in the liberal arts and sciences is the preferred preparation for graduate theological study, and because the lack of a Bachelor's degree often proves a hindrance to later educational goals, WSC urges individuals to complete a Bachelor's degree at an accredited college or university and then apply to an M.A. program rather than to a certificate program.

Audit Student Program (Non-Credit)
Auditors are permitted in most courses. Persons desiring to audit are required to secure the permission of the Registrar, complete the Audit Registration Form, and pay a non-refundable fee of one-half the regular tuition charge for each course audited. Minors (persons under 17 years old) are permitted to audit a course only when they have either graduated from high school or passed the GED exam, or the instructor in charge has given permission. WSC alumni, current full-time students and their spouses are eligible to audit courses free of charge on space available basis.

Audit privileges include regular class attendance, copies of all photocopied or printed material distributed free to the class, and the opportunity to ask occasional questions in class. Normally auditors will not be permitted to participate in classroom exercises or recitations or to make seminar presentations, nor will assignments or examinations be reviewed or graded by the instructor. Occasional visitors must seek permission of the instructor for each class they wish to attend and will not have the privilege of participation in class discussion. Auditors and other members of the community have access to the library collection and on-site resources, and for a nominal fee they may apply for circulation privileges.

Evening Course Listener's Pass Program (Non-Credit)
As a service to the Christian community, WSC occasionally offers a Listener's Pass to select courses that enables an individual to attend for a reduced (non-refundable) audit fee. The Listener's Pass is limited to designated evening courses selected before each academic term. Students granted a Listener's Pass must meet all requirements and observe all policies stipulated for the Audit Program.
Westminster Seminary California's financial aid program is available to provide degree-seeking students (M.A./M.Div.) with the financial resources necessary to complete their seminary education. The financial aid program is designed to supplement each student's own financial resources (i.e. savings, family and church support, and part-time employment) through a combination of scholarships, grants, and student loans.

Types of Financial Aid
- **Need-Based Grants and Scholarships** – WSC offers grants and scholarships that are awarded on the basis of a student's need and do not need to be repaid.
- **Merit Scholarships** – WSC offers donor-supported scholarships that are based on academic achievement, previous leadership experience, and potential for future ministry. Financial need may or may not be considered.
- **International, Denominational, Cross-Cultural/Ministerial Scholarships and Grants** – These are awarded to international students, or students with a vocational call to cross-cultural ministry or in a particular denomination.
- **Stafford and PLUS Federal Loans** – As a Title IV (Federal Student Aid) participating school, WSC students are eligible for subsidized (loans based on need) and unsubsidized loans through the U.S. Department of Education. Many students also qualify for Graduate PLUS Loans and Private Student Loan options.

For more information about any of these loans, contact the WSC Financial Aid Coordinator.

Eligibility Requirements
In order to qualify for financial aid at Westminster Seminary California, each student must:
- Be admitted to one of WSC’s Master’s programs (M.A./M.Div.) and remain enrolled as a full-time student taking 12 or more academic units throughout the duration of each semester (student loans are available to half-time students taking six or more units and students in their final year taking all they need to graduate). A student in his/her final year of study who is taking all the courses necessary for graduation may receive financial aid in the form of scholarships and grants if they drop below full-time status. In this case, the amount of the award will be based upon the percentage of units being taken in that given semester. A student is not eligible to receive more than two semesters of this pro-rated aid.
- Maintain a minimum grade point average of 2.0 each semester (some scholarships require higher grade point averages)
- Make satisfactory academic progress toward a degree as outlined in the Academic Catalogue
- Complete all required financial aid applications by the specified deadline

Loss of Eligibility by Reduced Course Load
Recipients of grants/scholarships who drop below 12 credit hours during a semester by reducing their course load, taking a leave of absence, or withdrawing from the seminary become ineligible for grants/scholarships and forfeit any aid that has been awarded to them for that semester. Students who lose their eligibility for grants/scholarships during the semester will be responsible for the payment of any tuition not refundable under the seminary’s tuition refund policy (see WSC Catalogue, Refund policy/schedule) that was previously covered by that aid. Students who intend to drop courses, request a leave of absence, or withdraw from the seminary should first contact the Registrar and the Financial Aid Coordinator to discuss the academic and financial ramifications of their decision.

Financial Aid Application Process
In order to apply for or renew financial aid at Westminster Seminary California, each student must:
- File an online Free Application for Federal Student Aid (FAFSA) for the intended academic year of enrollment at www.fafsa.ed.gov (Westminster Seminary California’s school code is G22768). This online form should be completed and submitted prior to or at the same time as the WSC Application for Financial Aid. The WSC Application for Financial Aid will not be processed until the FAFSA is received by the Financial Aid Coordinator.
- Submit the WSC Application for Financial Aid for the intended academic year of enrollment. This form is available on the WSC website (http://wscal.edu/media/docs/financialaidform.pdf) or by emailing the Financial Aid Office at financialaid@wscal.edu.
- Submit all required documents for particular grants and scholarships, including letters of interest, additional applications, and/or renewal applications. For more information about the requirements for each grant/scholarship, see the descriptions below.
- (Optional) To apply for a Federal Stafford or PLUS Loan, submit the Federal Student Loan Application. Loan policies are outlined below. The Federal Student Loan Application can be obtained online at http://wscal.edu/media/docs/federalloanapplication.pdf. For more information, contact the WSC Financial Aid Coordinator by sending an email to financialaid@wscal.edu.
New students (summer/fall applicants) who intend to apply for financial aid are encouraged to complete the WSC Application for Admission and the financial aid application process by April 1 in order to receive priority consideration for financial aid. Winter/spring applicants who intend to apply for financial aid are encouraged to complete the WSC Application for Admission and all financial aid applications by November 1. These dates are recommended, however financial aid applications are processed until the first day of each semester, and awards are given as they are available.

Most scholarships are renewable for additional academic years provided the recipient continues to meet the eligibility requirements. Continuing students should apply for financial aid renewal no later than March 15. Late applications will be considered as they are received; however, returning students who submit applications after the deadline may receive reduced scholarship and/or grant awards.

**Scholarships, Grants, and Academic Awards**

WSC offers a variety of scholarships and grants that are awarded on the basis of financial need, previous academic performance, denominational affiliation, and ministry interests. All available resources will be used to determine eligibility, including the student’s initial admissions file and references, the student’s current records, faculty and staff consultation (when appropriate), and the information provided on the WSC Application for Financial Aid. All scholarship or grant awards are credited to the recipient’s tuition account. In no case shall the amount awarded exceed the amount of actual billed tuition for a particular term. If a student is simultaneously working toward two Master’s degree programs (dual enrollment) any financial assistance in the form of a scholarship or grant will be applied to the billed tuition for the student’s primary degree program only. Though most scholarships are renewable for students who meet minimum qualifications, no scholarship will be awarded for more than eight semesters for the M.Div. or six semesters for the M.A.

**Need-Based Grants**

**WSC Grant**

This grant is awarded annually on the basis of the applicant’s financial need as determined by the FAFSA and WSC Application for Financial Aid. Provisional awards are made on a rolling basis beginning April 1 to applicants who submit the FAFSA and WSC Application for Financial Aid. Changes to the student’s financial situation, including loss of employment or income by the student or spouse, should be reported to the Financial Aid Coordinator as such changes occur. Likewise, if a student receives outside financial assistance, such as a third-party scholarship or church support, a student should notify the Financial Aid Office immediately. In such cases, initial need-based award calculations may change in order to distribute funds equitably to all students.

Though the WSC Grant is typically awarded to full-time students taking 12 or more units per semester, a student in his/her final year of study who is taking all the courses necessary for graduation may receive the grant if they drop below full-time status. In this case, the amount of the award will be calculated based upon the percentage of units being taken in that given semester (e.g. if the student is enrolled for six units, the student would receive half of what he or she would qualify for if enrolled for 12 units). A student is not eligible to receive more than two semesters of this pro-rated grant. A student who registers for more than the number of units required to complete the degree in a particular semester (e.g., taking extra electives) will not have those additional unit hours included in the calculation of the grant.

All new student applications submitted by April 1 will receive full consideration. Students who are beginning their studies in the winter or spring should submit all applications by November 1. Continuing students must apply each year by March 15 to be considered for this grant. Forms required: FAFSA and WSC Application for Financial Aid

**The Titus Fund**

This fund is named after Paul’s epistle, a rich letter filled with wise counsel and encouragement to Titus, instructing him to preach the gospel, teach sound and profitable doctrine, establish churches with proven elders, and encourage all believers to faith and love through Christ. The Titus Fund was established by a supporter of Westminster Seminary California to provide financial assistance to one full-time student enrolled in the Master of Divinity or Master of Arts program who demonstrates financial need through the completion of the Westminster Application for Student Aid and FAFSA. The scholarship is to be awarded by the WSC Financial Aid Committee on an annual basis and applied to the student’s tuition account in two equal amounts for the fall and spring semesters.

The Titus Fund is renewable on an annual basis provided the student demonstrates ongoing need of financial support, is enrolled continuously as a full-time student (12+ units per semester) and maintains a minimum 2.5 grade point average. Forms required: FAFSA and WSC Application for Financial Aid

The financial need of the student may be considered. Such grants are normally given for one year, but may be given for two or more years based on the student’s performance. Forms required: FAFSA and WSC Application for Financial Aid

The Minnie Gresham Machen Scholarship
The Minnie Gresham Machen Scholarship was established to encourage and enable talented women to take advantage of advanced theological education at Westminster Seminary California in order to equip them to answer God’s calling in the home, the academy, and the church. The scholarship is named in honor of the memory and legacy of Minnie Gresham Machen. Throughout her life, she was valiant for the truth of the Reformed faith and had profound influence on her son, J. Gresham Machen, through formative training in the Scriptures and the confessional tradition of the Reformed faith. The Minnie Gresham Machen Scholarship Committee will award the scholarship to one or more female recipients each year who meet the following criteria: the recipient must be a female student admitted to an M.A. program at WSC, be a member in good standing of a Bible-believing church, show evidence of high academic achievement, and demonstrate financial need through the WSC Application for Financial Aid. The scholarship will provide tuition aid for up to three years of study, depending upon the need of the recipient. Admitted students desiring to apply for the scholarship must submit a 250-500 word essay explaining why they wish to study at Westminster Seminary California and how they plan to use their theological and biblical education after graduation. Applications are to be addressed to the Minnie Gresham Machen Scholarship Committee and must be submitted by April 1. Forms required: FAFSA, WSC Application for Financial Aid, and an essay as described above

Marjorie McGill Student Aid Fund
This fund was established through the generous gift of Marjorie McGill, who desired to aid the furtherance of the gospel through the work of Westminster Seminary California. Her desire was that the name of our exalted Lord be glorified in the lives of those who are trained to travel to the ends of the earth, bringing the Word of life to a lost and dying world. The recipient of this grant will be a full-time M.Div. student preparing for the gospel ministry who has completed his first year of studies, continues to make satisfactory academic progress, has a clear vocational calling to the gospel ministry, and demonstrates financial need. Forms required: FAFSA and WSC Application for Financial Aid

The You Kye-Soon Memorial Scholarship

DENOMINATIONAL

Church Matching Grant
The Church Matching Grant seeks to bring churches and the Seminary together in support of a student’s first year. This grant was established to help churches actively support seminarians and to share in the great task of pursuing theological education. The number of grants from this fund is limited and awards are processed in the order in which the requests are received. The Seminary, within the given limitation, will match the contribution of a congregation up to a maximum of $1,000 per student. The church’s contribution will be applied to the first semester and the matching portion will be applied to the student’s account during the second semester provided they are enrolled full time throughout the semester. This grant is not based on financial need. The church’s contribution to the matching grant comes from the student’s home church and is available only for the first full year of study at WSC. For more information, please contact the Financial Aid Coordinator.

In the event that a request is received from a church after the fund for that academic year has been exhausted, WSC will contact the Financial Aid Coordinator.

The Elijah and Elizabeth Owens Scholarship Fund

INTERNATIONAL SCHOLARSHIPS AND GRANTS

Canadian Student Grant
WSC offers financial assistance based on the disparity between Canadian and U.S. currencies. The Canadian grant will vary every year based on the exchange rate. In order to qualify for this grant, students must demonstrate financial need and certify that at least 90% of their resources are in Canadian dollars. Contact the Financial Aid Office for more information.

Form required: WSC International Application for Financial Aid

WSC International Student Aid Fund
Financial aid in the form of a loan from the International Student Financial Aid Fund is offered to international students who are committed to ministry in their own countries after their study in the United States and who indicate this in writing. Students receiving this award must pursue full-time studies in a degree program as listed in the Academic Catalog. Because these grants are not to exceed the amount of tuition, the student’s fees, rent, food, transportation, and other living expenses must be supplied from other sources.

When students return to their country of origin, one year of support from the International Student Aid Fund will be forgiven for each year of ministry in that country. If students desire to minister in a country other than their country of origin they may petition the Financial Aid Committee to approve such a ministry as fulfilling the loan obligations. Under no circumstances may ministry in the United States be approved as meeting that obligation. If students do not return to their country of origin and do not receive approval from the Financial Aid Committee to minister elsewhere in fulfillment of their loan obligations, students are expected to repay the loan, in full, twelve months after completion of studies at Westminster Seminary California. The International Student Financial Aid Application should be received by the Financial Aid Office by April 1. Students will be notified in early May if they have received funds from the International Student Aid Fund. Additional regulations governing this fund and the loan contract form may be obtained from the Financial Aid Coordinator.

International students who have been granted financial aid in their first year and have maintained a 2.3 grade point average may reapply to the Financial Aid Committee for aid in each successive year until they graduate.

Forms required: WSC International Application for Financial Aid; and, once awarded, a signed agreement outlining the terms of the award

Trinity URC Visalia International Scholarship
The Trinity URC Scholarship is awarded annually to one or more international students at Westminster Seminary California who intend to return to their country of origin to strengthen the ministry of their home churches.

Recipients of this award will be non-American/Canadian students who have demonstrated financial need and who are selected by the WSC Financial Aid Committee. Students who have received this award in their first year and have maintained a 2.5 grade point average may reapply to the Financial Aid Committee in each successive year until they graduate. Renewals are made at the discretion of the Committee based upon its knowledge of a student’s financial situation, fitness for ministry, or change in ministry goals.

Applications for the scholarship must be made to the Financial Aid Committee by April 1. The application is in the form of a one-page essay describing the applicant’s previous educational and church experience and future ministry goals in their home country.

Forms required: WSC International Application for Financial Aid and a one-page essay as described above

The awards will be in the form of an interest-free loan that will be forgiven at the rate of $1,500 per year of active ministry in New Zealand after graduation. Should an award recipient elect not to return to New Zealand, or if he is later called elsewhere, the balance of his loan obligation to the fund shall be repaid in three years. For further information, applicants should contact the Financial Aid Coordinator.

ACADEMIC AWARDS

The Samuel and Ann Van Til Student Scholarship Prizes
The children of Samuel and Ann Van Til insti-
tuted these scholarship prizes in coopera-
tion with Westminster Seminary California in order to honor their parents' love for the Reformed faith and its witness to the world through the Seminary. The fund was established in 1994 through an estate be-
quest of Mr. and Mrs. Van Til and receives continuing memorial donations from family and friends. The fund's annual investment proceeds are used to encourage exemplary Reformed scholarship by awarding grants for continued full-time study at Westminster Seminary California. One prize is awarded each year for the best major paper (15-20 pages) submitted in each of the Seminary's departments: Biblical Studies, Theological Studies, and Practical Theology. The faculty, in coordination with the Academic Dean, selects the recipients.

The Arthur Forest Wells Memorial Award
This fund was established in 1980 in mem-
ory of the Rev. Arthur Forest Wells, a Pres-
byterian minister in St. Louis, Missouri, and Baltimore, Maryland. The interest earned from this fund is used to support the WSC Library and to help build the personal library of a selected student upon graduation from WSC. The recipient will be a graduating M.Div. student recognized as upholding the highest standards of scholarship, subscribing to the Westminster Confession of Faith, and having the career goal of serving as a minister of a congregation in a Presbyterian or other Reformed denomination.

FEDERAL STUDENT LOANS

Westminster Seminary California participa-
tes in the Federal Student Aid (Title IV) Program enabling students to apply for federally supported Stafford and Graduate PLUS Loans. Loans are contingent upon enrollment; if the student's enrollment ceases during a semester, he/she may need to re-
turn all or a portion of the funds.

There are two types of Stafford Loan: Subsi-
dized, in which the Federal government pays the interest while the student is enrolled at least half-time in an accredited institution, and Unsubsidized, in which the student is re-
sponsible for all interest that accrues on the loan from the day of disbursement. The max-
imum combined annual amount (Subsidized and Unsubsidized) a student can borrow under the Federal Stafford Loan program is $20,500. The Stafford Subsidized Loan is need-based and may not exceed $8,500.

The Graduate PLUS Loan carries a higher in-
terest rate than the Stafford Loan. Students must have already applied for their maxi-
mum Stafford Loan eligibility before qualify-
ing for a PLUS Loan. Contact the Financial Aid Coordinator with any questions about student loans.

Satisfactory Academic Progress (SAP)
To maintain eligibility for student loans, each student must make Satisfactory Academic Progress (SAP). SAP includes both a cumulative grade point average of at least 2.0 and reasonable progress towards a degree. Progress is measured by the number of credits earned per year and is outlined in the chart below for full-time students.

Credits to be earned per academic year for each degree program.
For part-time students, those who take between six and 11 credits a semester, the length of their program for SAP purposes will be extended by one semester for each semester a student is enrolled part-time. In extreme situations, the school may waive this requirement in the event that a student drops below these levels. A letter stating the student’s circumstances and the request to continue eligibility for financial aid must be submitted to the Financial Aid Committee for review. The Financial Aid Committee reserves the right to consult with the Academic Dean, Dean of Students, and faculty advisors if necessary and appropriate.

**FINANCIAL AID**

**Loan Application Process**

Students who need to apply for a student loan must follow these steps:

- Fill out a Free Application for Federal Student Aid (FAFSA). This may be accessed online at www.fafsa.ed.gov. Westminster Seminary California’s school code is G22768.
- Submit the WSC Application for Stafford Loans to the Financial Aid Coordinator.

**First time borrowers at WSC must also:**

- Fill out an Entrance Interview before a loan may be processed. This may be done either online or in the Financial Aid Office.
- Fill out a Master Promissory Note (MPN) with the Department of Education. Like the Entrance Interview, this may be filled out online.

Upon withdrawal, dismissal, or in the semester prior to graduation, all students who have received Title IV funds must also complete an Exit Interview either online or in the Financial Aid Office.

**Disbursement Scheduling**

Federal regulations mandate at least two loan disbursements, usually one per semester. If a student begins enrollment in the winter or spring, two disbursements are still required. The first will occur 30 days after the start of classes for new borrowers. The second disbursement will occur at the calendar midpoint of the loan period.

**Ineligibility Status**

A student will be considered ineligible for federal financial aid if he or she:

- Exceeds the maximum time frame for program completion, based on units attempted
- Drops below a cumulative grade point average of 2.0 at the end of each semester or school year
- Has completed fewer units than the established minimum at the end of a semester

**Petition Process**

A student who desires to appeal the financial aid disqualification or ineligibility status for federal aid must complete and submit the Federal Student Aid Petition Form to the Financial Aid Committee indicating the reason for consideration. This petition form is due no later than the established deadline for the semester for which he or she wishes to receive aid (typically two weeks after the start of the semester). If the petition is approved, reinstatement of financial aid eligibility will not exceed a period of one school year, regardless of remaining academic requirements. If the petition is denied, reinstatement of financial aid eligibility begins as soon as the student meets the satisfactory academic progress requirements.

**Withdrawal/Leave of Absence (LOA)**

In the event that a student desires or needs to withdraw or to take a Leave of Absence (LOA) from WSC, written notification must first be submitted to the Registrar. Withdrawing from classes or WSC entirely may adversely affect the status of a student loan, including the following: reduction in the qualification for subsidized monies, the return of some or all of a loan, the beginning date of the grace period, or the terms for repayment of loans. Upon withdrawal the student may still owe a balance to WSC. Federal regulations mandate that students who withdraw or do not return from a leave of absence must complete a loan Exit Interview. See Academic Information and Policies for more information about withdrawing or taking a Leave of Absence.

**Title IV Refund Policy**

Federal regulations stipulate that if a student withdraws prior to completing 61% of the semester, Title IV funds must be returned. The amount that must be returned is calculated based on the amount of aid the student earned. If a student withdraws and Title IV funds must be returned, the student may owe a balance to WSC. After 60% of the semester has been completed, all aid is considered to have been earned and need not be returned. In the event that the student fails to notify the Registrar and Financial Aid Coordinator of his/her withdrawal, the last date of class attendance will be used as the withdrawal date.

**Repeated Courses**

Repeated courses are excluded from federal financial aid eligibility calculations. In order to maintain full-time status, students repeating a course must register for that course in addition to the six credit hours required for loan eligibility for the semester in question. Repeated courses do not count towards the student’s academic progress.

**Veterans’ Benefits**

WSC is certified by the Department of Veterans Affairs as an institution at which veterans may receive educational benefits. Veterans can contact the Department of Veterans Affairs to determine their eligibility. For additional information regarding veterans’ benefits at WSC, please contact the Registrar.
A COMMUNITY OF FAITH

Westminster Seminary California is more than an academic institution built on a beautiful ten-acre campus in the hills of Escondido. It is a community of faith existing to glorify God and to make the gospel of Christ known through the church. The WSC community is a diverse one, composed of faculty, staff, and students from a variety of denominations. This variety, especially among the student body, ensures an atmosphere of challenging and stimulating discussions about theology and ministry. This community is also unified under the banner of Christ and God's revelation. The faculty and students study his Word together, believing that the church is best served by those who know and love that Word. The Seminary is united in sharing a profound commitment to Christ and to his gospel as recorded in the Scriptures and expressed in our common confessions of faith. Each student experiences a Christian community of faith not only in the classroom, but also in a variety of forums outside of class which promote spiritual life, faith and fellowship.

DEVOTIONAL LIFE

The spiritual life of Westminster Seminary California is nurtured by morning devotions on Tuesdays and Thursdays and student-advisor prayer groups on Wednesdays. Morning devotions speakers include faculty, local pastors, missionaries, and Christian lay people. All devotional exercises are governed by the Word of God, which remains the true guide in Christian worship and prayer, as well as in all other activities of the Christian life and life on campus. It is only when the believer, with the help and guidance of the Holy Spirit, returns continually to the great scriptural doctrines of God, of sin, and of grace, that true blessing is to be obtained. WSC recognizes the indispensable role of the church in the growth of every believer and does not assume to itself the church's responsibility for the nurture of the spiritual life of the student. Therefore, students are urged to commit to the life and work of a local congregation of their choice.

THE WESTMINSTER STUDENT ASSOCIATION

The Westminster Student Association (WSA) was established to promote Christian fellowship and growth among students, faculty, staff, and their families. It also provides a voice for student concerns. The WSA coordinates a variety of activities throughout the school year, such as dinners, guest speakers, the student-faculty softball game, BBQ lunches, sporting events, tournaments, and events in the student lounge. These events are supported through an annual Student Association Fee that is collected from full-time students. The officers of the Association (president, vice president, secretary, and treasurer) are elected annually by all full-time students.

WESTMINSTER WOMEN'S FELLOWSHIP

Westminster Women's Fellowship (WWF) is an on-campus organization that is made up of the diverse group of women connected to WSC, including students and administrators as well as the wives of faculty and students. The Westminster Women's Fellowship is intended to provide opportunities for new women at the Seminary to cultivate friendships with—and benefit from—those who have long associations with WSC. Monthly activities are planned to address theological and practical issues or simply to provide time for WSC women to get together. The monthly events hosted by WWF are supported with a portion of the Student Association Fee.
WESTMINSTER KOREAN FELLOWSHIP
The Westminster Korean Fellowship (WKF) exists as a resource for students serving in Korean-American churches to (1) facilitate networking and (2) create forums for biblical reflection about applying Reformed theology in the Korean-American church. WKF holds informal discussion groups about pressing issues in Korean-American ministries. WKF activities are supported with a portion of the annual Student Association Fee.

THE WARFIELD SEMINAR
The Warfield Seminar is an opportunity for students to engage in informal conversation with professors on their current research. Named after theologian B.B. Warfield, it is held about three times a semester. A professor makes available a paper that he has been working on, often in preparation for a conference presentation, journal article, or chapter in a book. At the Warfield Seminar the professor presents his argument and engages in discussion with students and professors about his research and conclusions. Students have the opportunity to expand the horizons of their theological education through these unique engagements.

DEN DULK LECTURES
The Robert G. and Nellie B. den Dulk Lectures on Pastoral Ministry were endowed by friends of Westminster Seminary California when Bob den Dulk resigned as the second president of the Seminary. In appreciation for the den Dulks’ 30-year service to the Westminster Seminaries in both Pennsylvania and California and in recognition of their passion for preparing pastors to preach the Word of God faithfully and powerfully, Westminster Seminary California designated the proceeds of this endowment to bring an experienced pastor to the campus each year to address students preparing for the ministry of the Word, as well as pastors engaged in ministry. This lecture series is designed to encourage both students and pastors and to give counsel regarding the rigor and joy of shepherding Christ’s flock.

LIBRARY
The library houses over 120,000 titles and subscribes to over 260 periodicals. A substantial collection of works on Reformed theology is augmented by an excellent collection of materials in biblical studies and church history. Of special note are the microfilm editions of titles in Evans’s American Bibliography and Migne’s Patrologiae (Greek and Latin Fathers), Corpus Reformatorum (all the works of Calvin), and numerous sixteenth- and seventeenth-century Puritan texts.

Through membership in the Statewide California Electronic Library Consortium, the library affords unlimited online searching of Online Computer Library Center’s (OCLC) large book database along with nearly seventy other discipline-specific periodical databases through OCLC’s FirstSearch service (39 of these databases contain full-text documents that can be read online or printed).

The library also has online access to the premier religion and theological periodical database, ATLA, the full-text religion database in Proquest, indexing and abstracting of religion periodicals in Religious and Theological Abstracts, and the full text of seminal works from the Reformation and Post-Reformation eras through the Digital Library of Classical Protestant Texts.

Access to these online resources is a significant advance in information retrieval that faculty and students now take advantage of on and off campus. To support the new online services, the library has expanded its computing resources by installing a wireless network that allows laptop users in the library access to online resources from anyplace in the library.

THE BOOKSTORE AT WSC
The Bookstore at WSC is located on the central quad of the campus. The bookstore stocks course textbooks, faculty authored books, and other important theological and pastoral resources. In addition to books, the bookstore also sells audio lectures, magazines, and seminary apparel. These resources are also available for purchase online at www.wscal.edu/bookstore.

NUZI TABLET
The Nuzi Tablet is WSC’s weekly e-newsletter that is distributed via email throughout the fall and spring semesters. The Nuzi Tablet provides information about current on-campus or community events, academic dates, refund schedules, convocation schedules, updates, reminders, and other helpful information for WSC students.

FIELD EDUCATION/INTERNSHIP PROGRAM
Westminster Seminary California’s Field Education Program is designed to integrate on-campus studies with part-time ministry in local churches. Field Education involves supervised hands-on ministry experience and opportunities for evaluation and reflection with mentors, peers, and professors, in which students are given opportunities to develop the skills and gifts necessary for effective ministry. The Field Education Program at WSC provides an opportunity for Master of Divinity students to gain practical ministry experience to which they can apply the information learned in the classroom. In this way the WSC curriculum seeks to balance intense Christian scholarship with practical ministry. The Director of Field Education advises students of service opportunities and coordinates the fulfillment of field education requirements with the M.Div. students and pastoral internship super-
visors. Each M.Div. student is required to register for the pastoral internship (FE691) during the spring semester of his first full year of study at WSC. The Field Education Program requires seven hundred (700) hours of supervised ministry experience.

Students preparing for the pastoral ministry are urged to work under the supervision of a local church throughout the course of their seminary education. Churches throughout San Diego, Riverside, and Orange counties regularly provide information regarding internship opportunities that current students may be able to pursue in fulfillment of their Field Education requirement. Students are also encouraged to return to their home churches to serve during the summer months if feasible.

HOUSING
The Office of Admissions is available to assist admitted students in finding suitable accommodations by providing informative resources on housing opportunities in the community. These opportunities may include rooms, houses, or apartments for rent in Escondido and elsewhere in San Diego County. New students should plan to arrive in the area and seek accommodations during the summer before the fall semester, no later than two weeks prior to the beginning of classes. Students enrolling in Greek I during the summer term should plan on arriving in early July.

STUDENT HEALTH INSURANCE
The Seminary has established a relationship with United Healthcare Student Resources through which a student insurance plan is offered to all students who are enrolled in nine or more academic units per semester. Plan details and eligibility requirements are provided to all admitted students who plan to enroll for credit prior to each academic year. The health insurance policy, booklet, and application forms are available on the WSC website or through the Financial Aid Coordinator. Considering the inherent financial risks in the event of a student or family member’s accident or illness, WSC strongly encourages all students to take part in this health insurance plan or another comparable health plan. International students are required to carry medical insurance and, therefore, are strongly encouraged to use this plan. For more information, visit http://wscal.edu/wsc-gateway/current-students.

SPOUSE EDUCATIONAL PRIVILEGES
Full-time students enrolled in 12 or more units per semester and their spouses may audit courses without charge. Children of full- or part-time students wishing to audit a course are subject to regular audit fees. Spouses of full-time students, who have also been admitted to Westminster Seminary California as students, may take courses for credit at 50% of standard tuition fee. If both students are full-time, the spouse taking the lesser number of units will receive the discount.

EMPLOYMENT AND MINISTERIAL PLACEMENT
Churches from around the country regularly contact Westminster Seminary California regarding open ministerial positions. These opportunities are made available to graduating students and alumni through our campus-wide email list-serv. Community members often advertise part-time positions for students through the Nuzi Tablet and the bulletin board in the Student Lounge.
Beginning Your Seminary Program

Once a student is admitted to Westminster Seminary California, the Registrar will assist the student with organizing class schedules, planning course work, and registering for classes. To ensure academic order, WSC has created the following procedures and policies related to beginning course work and sustaining the student in the program. Students should review the registration, placement, and academic policies to become familiar with how WSC organizes degree programs and how to begin and continue studies successfully at the Seminary.

REGISTRATION PROCESS AND POLICIES

Registration Process

The registration process requires completing and submitting information within the registration packet to the Registrar. This registration packet will be sent to all newly admitted students one month prior to the registration due date (listed in the Academic Calendar). Students who are admitted less than one month prior to the start of classes will register during WSC orientation or by making other arrangements (a late registration fee of $50 will apply). Continuing students will receive this packet in their student mail boxes. These forms are also available online and outside of the Registrar’s Office. The registration packet will include a registration form, a degree program sheet, class schedules and, for new students, information regarding registration policies and the enrollment deposit. Following registration, the Dean of Students will assign a Faculty Advisor who is also available to advise each student on a course of study.

Students must register for classes for each semester at the time listed in the Academic Calendar or a late fee of $50 will apply. Prior to registering, continuing students must secure their Faculty Advisor’s approval on their registration forms and complete any additional paperwork (extramural petitions with approval of faculty, directed research course approvals, class conflict approvals, prerequisite waivers). These forms (and additional paperwork) are available from the Registrar or online at http://wscal.edu/wsc-gateway/current-students/. A student has not completed registration for a course until all necessary paperwork has been submitted to the Registrar.

WSC Enrollment Deposit

The Seminary requires a $100 Enrollment Deposit as part of the enrollment process for all students enrolling in a degree program. Students returning from a leave of absence or other interruption of course work are not required to submit a new deposit unless they officially withdrew and the previous Enrollment Deposit was refunded. Enrollment Deposits should be submitted with the new student’s registration, which is due by July 1 for new summer/fall students and by December 15 for winter/spring students.

The Enrollment Deposit verifies a student’s enrollment status and retains all accepted financial aid awards. If an Enrollment Deposit is not processed by the registration due date, financial aid awards will be considered inapplicable and the funds redistributed.

Once received, the Enrollment Deposit is retained in the student’s account until the student submits the Graduation Application near completion of his or her degree. At that time, the Enrollment Deposit will be credited to the student’s Graduation Fee.

If a student withdraws from WSC, this deposit can be refunded provided that the student completes the WSC Withdrawal Form, pays outstanding balances, and requests the refund from the Business Office. Refunds must be requested within 180 days of submitting the Withdrawal Form or the refund is forfeited.

Registration Changes

A student may add or drop courses by submitting a completed Add/Drop Form to the Registrar within the dates listed in the Academic Calendar. Under normal circumstances, the Add/Drop Form will not be processed through electronic mail or fax. For information concerning refund and withdrawal dates, please see the refund schedule on the Academic Calendar. During the grace period (the period between registration and official billing), a student must obtain the Registrar’s approval for registration changes, but the Add/Drop Fee will not apply. Once a student is officially billed, typically one month prior to the beginning of the semester, an Add/Drop Fee will be charged to the student’s account per form submitted, including the Class Conflict and Directed Research Petitions submitted after the date of official billing. After the beginning of the semester, a student is not normally permitted to add a course. In extraordinary circumstances a student may request permission in writing to add a course after its class sessions have begun and, upon the written approval of the instructor, the student’s Faculty Advisor, and the Registrar, may enroll in the course. In such cases students will be permitted to enroll in a semester-long course only before the fifth class day of the semester, in a month-long course
only before the third class day, and in a week-long course only before the second class day. Students may drop courses with the written approval of the instructor, the student’s Faculty Advisor, and the Registrar, until the deadlines stated in the Academic Calendar. After the dates identified in the Academic Calendar as “Final drop date without academic penalty,” students withdrawing from a course will receive a failing grade unless granted an exception for extraordinary circumstances through written petition to the faculty’s Committee on Petitions.

The effective date for dropping a course is the date on which the Registrar approves the Add/Drop request. Courses dropped between the first and the seventh week of a semester will not be recorded on the student’s permanent record. Withdrawal under any other circumstance will result in a failing course grade which will appear on the transcript. When a student notifies the Registrar of his or her withdrawal from a course (or from the institution) after the stated deadline for dropping a course without academic penalty, a grade of W/F (withdraw/failing) is entered in the student’s academic record and transcript. The W/F, like F, is weighted at zero grade points in the calculation of the student’s cumulative grade point average; but it attests that the student notified the Registrar appropriately of the intention to withdraw.

**Registration for the Field Education Program (M.Div.)**

Field education is an integral requirement of the Seminary’s Master of Divinity program, since the program is designed to prepare men for the pastorate. Consequently, the program includes not only academic studies but also the opportunity to exercise and develop ministry skills through this supervised internship program. The Field Education Program (FE691) requires 700 hours of supervised and evaluated ministry in a broad spectrum of pastoral experience.

The Director of Field Education will advise students, monitor progress, review evaluations, give reports to the field education committee and the faculty and, when the field education requirement is completed, give a grade of “Credit” or “No Credit.” This requirement must be met prior to graduating from the Master of Divinity program.

WSC requires that students begin their field education early in their Seminary program in order to maximize its value. M.Div. students are required to enroll in the program during the second semester of their first year, unless enrollment deferral is granted by the Director of Field Education. If a first-year M.Div. student is enrolled in second semester classes, the Field Education Program will be added to his registration. For more information, please contact the Director of Field Education. (See the fee schedule for the Pastoral Internship tuition.)

**LEAVE OF ABSENCE**

Students who intend to take one or two semesters off from WSC (not including winter or summer terms), with the intention of returning, should go through the leave of absence process.

**Leave of Absence Process**

Enrolled students who have completed at least one semester may request a Leave of Absence (LOA) for a maximum of two consecutive semesters (not including winter or spring terms).

The Request for Leave of Absence Form can be obtained online or from the Registrar. The submission of the LOA form should be completed as soon as the student is aware that he/she will not be able to register for any given semester. This form must be submitted to be granted official leave of absence. This form asks for the reason for the LOA, expected semester of return, student signature, and date of request. WSC will grant an official LOA if there is sufficient expectation that the student will return. The LOA, together with any additional leaves of absence, must not exceed a total of 180 days in any 12-month period. Failure to return from an official and approved LOA results in a withdrawn status and will affect the student’s loans, as stated in his or her Master Promissory Note. This action may include expiration of the grace period and/or immediate entry into repayment. (For official details, the student should contact his or her lender.)

A student granted an LOA is not considered to have withdrawn and, thus, no return of federal loan calculation is required. Upon the student’s return from the LOA, he or she then continues to earn the Federal Student Aid previously awarded for the entire period. If a student does not return to the Seminary at the end of an approved LOA (or takes an unapproved LOA), the student’s withdrawal date is the date the student began the LOA and the withdrawal from the Seminary will apply. For readmission under these circumstances, the student must contact the Office of Admissions.

**WITHDRAWAL**

A student who plans to leave and not to take further courses for credit must officially notify WSC by going through the withdrawal process.

**Withdrawal Process**

Any enrolled student withdrawing from WSC must complete the Request for Withdrawal Form in order to withdraw and receive a refund of their Enrollment Deposit (see WSC Enrollment Deposit above). The withdrawal form may be obtained online or from the Registrar. The date of withdrawal is determined when the student began the withdrawal process or when the student ceases attendance if they do not submit official notification in a timely manner. A student is also required to obtain withdrawal approval from the Dean of Students, the Library, the Business Manager, and the
ACADEMIC INFORMATION AND POLICIES

and winter terms. The Hebrew placement before the beginning of Greek I during the summer program (including as electives). A Greek placement exam does not transfer into a WSC Undergraduate and graduate language courses. Students who have taken the placement exam given by the Biblical Studies department. Students who have prior studies in Greek or Hebrew may “test out” of some of the language requirements by taking a placement exam given by the Biblical Studies department. Students who have begun study in WSC’s Hebrew and/or Greek curriculum may not subsequently take the placement exam in the biblical language(s) studied in WSC courses. Undergraduate and graduate language courses do not transfer into a WSC program (including as electives). A Greek placement test is held on the day prior to the beginning of Greek I during the summer and winter terms. The Hebrew placement exam is held prior to the start of fall and spring semesters by arrangement with the Old Testament faculty. Each test covers the fundamentals of grammar, vocabulary, and translation of selected Scripture passages. Sample tests are available through the Office of Admissions.

Greek and Hebrew courses at the Seminary are considered propaedeutic and will not be counted toward the total number of units required for graduation. However, grades resulting from these courses are calculated into a student’s grade point average.

Greek and Hebrew Audit Policy

Normally auditors are not admitted into language courses, but they may be admitted under one of the following conditions:

- The student has previously taken the course for credit at WSC
- The student has “tested out” of the course by examination. Students whose performance on a placement exam indicates that they do not need to take Greek I and/or Hebrew I and who are enrolled or will enroll full-time (12 units minimum) in the current or next semester may audit the waived course(s) without an Audit Fee
- The student does not plan to enroll in a degree program at Westminster Seminary California. Those who later decide to enroll in a degree program at the Seminary will be required to take the class for credit and will not be able to test out of the language requirement.

Knowledge of the English Bible

A thorough knowledge of the English Bible is expected of all students at Westminster Seminary California. In order to ensure that all students have an in-depth understanding of the Bible, the Seminary has established an English Bible Exam. The examination is administered three times per academic year. All incoming students are required to take the English Bible Exam during their first semester of studies. Failure to take the exam will result in a failing grade on the exam, and will require the student to take OT520 English Bible Survey. Students who take the English Bible Exam and fail it on their first attempt have opportunity to retake the exam the next time it is offered. Students who take and fail the exam twice, or who fail to take the exam when required to do so, are required to take OT520 English Bible Survey the next spring semester. See the Academic Calendar for examination dates.

A score of 110 or higher out of 150 questions is required in order to be exempt from OT520 English Bible Survey. Each student must pass the exam or OT520 prior to registering for OT601, OT701, OT702, NT601, NT602, NT701, and ST604 and ST605.

Graduate Theological Writing

PT400 Graduate Theological Writing is designed to assist students in developing competencies in such areas as organization and composition of essays and papers, correct use of source materials in writing, clarity and style in sentence syntax and paragraph construction, diction, grammar, punctuation, and spelling. An admitted student has the opportunity to obtain a waiver of PT400 Graduate Theological Writing. To do so, he or she must submit an academic paper by August 15 for those entering in summer term or fall semester, or by January 15 for those entering in the winter term or spring semester. The paper must be at least five pages (1,500 words) long and must include at least ten footnotes, a bibliography, and a signed statement reading: “I certify that this writing sample reflects my own efforts and activity in research, reasoning, composition, and editing, unassisted by any other person.” If the paper is judged to reflect adequate skill in research, composition, grammar, and the use of

  sonnel ancillary to the officials)

  safety matters. Seminary officials
  may include, without limitation,
  the president, deans, department
  chairs, faculty members, the
  Seminary's legal counsel, judicial
  officers, counselors, and the
  Admissions Committee. Seminary

**Policies on the Disclosure of
Student Records**

Students' Rights of Privacy and Access
to Records, FERPA, and FTC Gramm-
Leach-Bliley Financial Privacy Act

Westminster Seminary California, in
accordance with the Family Educational
Rights and Privacy Act (FERPA) of 1974,
as amended, has adopted this policy on
Disclosure of Student Records to address
the following issues: (1) disclosure of
directory information; (2) confidentiality
of personally identifiable information; and (3)
student rights to inspect, review, and seek
amendment of their records.

**Disclosure of Directory Information**

Information concerning the following items
about individual students is designated
by the Seminary as directory information
and may be released or published
without the student's consent: full name,
address (local, home, or electronic mail),
television number, photograph, date and
place of birth, program of study, dates of
attendance, degrees and awards received,
most recent previous educational institution
attended, and participation in officially
recognized Seminary activities. Students
who do not wish directory information to be
released or made public must inform the
Registrar's Office, in writing, at the time the
information is submitted by the student.
• In compliance with a judicial order or lawfully issued subpoena (on condition that a reasonable effort is made to notify the student of the order or subpoena, if legally permitted to do so)
• In case of an emergency, to protect the health or safety of students or other individuals.

The Seminary will inform a party to whom a disclosure of personally identifiable information is made that it is made only on the condition that such party will not disclose the information to any other party without the prior written consent of the student. An exception to this is in the case of mandatory disclosure to comply with a judicial order or lawfully issued subpoena.

**Inspection and Review Rights; Right to a Hearing**

A currently or previously enrolled student has the right to inspect and review his or her educational records. This right does not extend to applicants, those denied admission, or those admitted who do not enroll. Seminary officials may require that requests for access be submitted in writing, and may ask for, but not require, the reason for the request. The Seminary will comply with requests to inspect and review a student's records that it has determined to honor within a reasonable period of time, but in no case more than forty-five days after the request was made.

**Records that students are not entitled to access include:**

- Confidential letters and statements of recommendation placed in a student's record before January 1, 1975, or confidential letters and statements of recommendation to which students have waived their rights of access
- Employment records of students as Seminary employees
- Records that are made or maintained by a physician, psychiatrist, psychologist, pastor, or other recognized professional or paraprofessional acting in his or her professional capacity or assisting in his or her paraprofessional capacity, and that are made, maintained, or used only in connection with treatment of the student and are not disclosed to anyone other than the individuals providing the treatment. These records may be reviewed, however, by a physician or other appropriate professional of the student's choice
- Financial records of the parents of the student or any information contained in those records
- Records of instructional, supervisory, and administrative personnel and educational personnel ancillary to those persons, that are in the sole possession of the maker of the record and are not accessible or revealed to any other individual except a temporary substitute for the maker
- Institutional records of students that may be maintained by the Seminary in a computer printout or similar format (so long as this computerized information is not intended to be distributed outside the Seminary), as long as the original source of computer information is available in the office or department having original jurisdiction for the records
- Records that only contain information about a person after that person was no longer a student at the Seminary (e.g., information collected by the Seminary pertaining to accomplishments of its alumni)
- Those portions of a student's records that contain information on other students.

Students may be invited but not required to waive their right of access to confidential letters of recommendation for admission, academic references, honors or awards, or employment. Failure to execute a waiver will not affect a student's admission, receipt of financial aid, or other Seminary services. If a student signs a waiver, he or she may request a list of all persons making confidential recommendations.

A student who believes that any information contained in his or her education records is inaccurate or misleading, or otherwise in violation of his or her privacy rights, may request that the Seminary amend the records. The student should first discuss his or her concerns with the individual responsible for the office where the records are maintained. If the student is not satisfied with the resolution, the student should contact the appropriate vice president or designee. The final level of appeal is a formal hearing. To obtain a hearing, the student should file a written request with the Registrar. The hearing will be conducted in accordance with the requirements of FERPA.

The substantive judgment of a faculty member about a student's work (grades or other evaluations of work assigned) is not within the scope of a FERPA hearing. A student may challenge the factual and objective elements of the content of student records, but not the qualitative and subjective elements of grading.

If as a result of a hearing the Seminary determines that a student's challenge is without merit, the student will have the right, and will be so informed, to place in his or her records a statement setting forth any reasons for disagreeing with the Seminary's decision.

A student has the right to file complaints concerning alleged failures by the Seminary to comply with the requirements of FERPA and the implementing regulations. Complaints should be addressed to the Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, S.W., Washington DC 20202-4605. Students are encouraged to bring any complaints regarding the implementation of this policy to the attention of the Registrar.
ACADEMIC PETITIONS

Directed Research Petition (Elective Courses Only)
Professors are pleased to arrange research courses on subjects of interest for qualified students. These courses will be conducted by means of assigned reading, a thesis, and conferences with the professor and/or an examination. These regulations and procedures also apply to Institute of Theological Studies courses offered by Westminster Seminary California.

Directed research courses may be one, two, or three semester units in credit value. The instructor shall indicate on the Directed Research Agreement the number of credit units assigned to the particular course in light of the amount of research, writing, and faculty consultation required.

- Directed Research Qualifications: Directed research courses may be pursued only by students who are registered for regular class work, unless they have previously attained a general academic standing of 2.8 or better at the Seminary. Generally, directed research courses are taken with full-time faculty. If a student wishes to pursue a directed research course in an area in which only an adjunct professor specializes, the petition must be approved by the Academic Dean.

- Directed Research Petition Procedures: Arrangements for directed research courses should be made prior to the scheduled registration date as printed in the Academic Calendar. A petition form available from the Registrar or from the Seminary website must be completed, signed by the professor and student, and submitted prior to the term or semester in which the course is to be taken. If the materials are submitted after official billing has occurred, the Add/Drop Fee will apply. A student taking a directed research elective will have a course number assigned to the course by the Registrar after completing the petition.

- Completion Deadline: All written research papers and other work must be completed by the last day of classes of the same term, and any final exam must be completed by the end of the examination period of the same term. Failure to meet these deadlines will automatically result in an “F” for the course, unless a further extension is granted by faculty action prior to the end of that term.

Extramural Petition (Required Courses Only)
A student who desires to take a required course through independent study must fill out an Extramural Petition Form available on the Seminary website or from the Registrar. Extramural Petitions are approved only by a vote of the Faculty Committee on Petitions.

- Petition Procedures: The petition deadline is one week prior to the end of registration week. The Committee normally will not approve late petitions. The student is responsible for obtaining the Extramural Petition Form from the Registrar’s Office or online. The student should meet with the professor to arrange fulfillment of course requirements and obtain the instructor’s signature. The petition must explain why the student cannot take the course when and as it is ordinarily offered. The student should submit the completed petition to the Academic Dean. The student must register for the course at the time of registration (if the petition is granted).

- Extramural Petition Completion Deadline: All written research papers and other work must be completed by the last day of classes of the same term, and any final exam must be completed by the end of the examination period of the same term. Failure to meet these deadlines will automatically result in an “F” for the course, unless a further extension is granted by faculty action prior to the end of that term.

Class Conflict Petition
A student may petition to fulfill requirements for two overlapping classes. Both professors must sign the petition. Under these circumstances, the student is expected to divide his or her attendance between classes and complete all assignments.

- Class Conflict Petition Procedures: The petition must be completed, signed by instructors of the conflicting courses, and submitted with the student’s registration form for the semester or term. A student will not be allowed to register for either course until the petition, signed by both professors, is submitted to the Registrar. The student is responsible to: obtain the Class Conflict Petition Form from the Registrar or online, make arrangements for attendance and obtaining materials for both courses, obtain all material covered in both courses, obtain the professors’ signatures, and submit the completed petition to the Registrar during registration. Registration for these classes is not completed until the form is submitted to the Registrar. If this occurs after official billing, the Add/Drop Fee will apply.

Waiver of Prerequisites
If applicable, course descriptions specify prerequisites—namely, courses that must be taken previously in order to fulfill assignments and expectations acceptable. For example, successful completion of Hebrew and Greek courses (or performance on the language placement exams) is prerequisite to enrollment in various biblical studies and systematic
Academic Honesty - Honor System

Examinations at WSC are conducted on the honor system. Each student is responsible to maintain this system without blemish. A more detailed explanation of the honor system is found in the Student Handbook that is given to all new students at the New Student Orientation.

Final Examinations

The Academic Calendar indicates the dates of final examinations of each semester or term. Morning exams start at 8:30 a.m. promptly and end at 11:30 a.m.; afternoon exams start at 1:00 p.m. and end at 4:00 p.m. (unless otherwise specified by the professor). Students are expected to take examinations at the scheduled time. Examinations for evening and Saturday courses will be administered at the normal class time during finals week.

Plagiarism

Plagiarism is a serious offense. It is sometimes committed through carelessness, sometimes as a conscious intention to deceive. Since the definition of acceptable and unacceptable use of others’ words and ideas varies from society to society and from context to context within any given society, and because of their concern for the seriousness of this offense, the faculty adopted a detailed “Statement on Plagiarism” for inclusion in the Student Handbook. It says (in part): “Since ideas and their communication are one of the most important ingredients in any academic institution, it is most important that we, as a community, make abundantly clear our expectations with regard to the sharing and transmission of ideas. We think it essential that no one ever present as his or her own the academic achievements of another. Certainly the intellectual contributions of others may be utilized, but whenever they are, full credit must be given to the one whose ideas they are. In a word, plagiarism must be avoided at all costs.” Every student is expected to read, understand, and follow this statement.

Incomplete Course Work

A student is expected to complete all work within the current term. In extraordinary circumstances, a final examination will not be re-administered to any student at a later date, and a failing grade will be received on the examination.

Incomplete has been granted by the Dean of Students. Unless the instructor grants the student’s request for a course, obtain the instructor’s signature expressing acceptance of the waiver, and submit the Request of Waiver of Prerequisite Form to the Registrar. After official billing the Add/Drop Fee will apply.
circumstances, however, a student may petition for an Incomplete. If the petition is granted, the "I" grade will remain on the transcript until the course work has been completed. Then the "I" will be replaced with the final letter grade.

An Incomplete grade may be granted only when the student's work in the course has not been completed because of extenuating circumstances. These circumstances may include long-term personal illness, personal or family traumatic crisis, or other reasonable and unforeseeable events.

An Incomplete grade may not be given when a student has simply failed to complete the work or fails to take an examination due to lack of discipline or organization, church ministry, job responsibilities, or other ordinary circumstances. The Dean of Students will determine whether adequate cause exists for granting the Incomplete.

No Incomplete will be granted automatically. Student initiative is required to petition for an Incomplete.

- Incomplete Petition Procedures: The student is required to obtain the Incomplete Petition Form from the Registrar or online, obtain the signatures of the professor and the Dean of Students, and return the completed petition to the Registrar by the last day of classes.

- Deadlines for Completing Incomplete Course Work: In the case of a granted Incomplete, all outstanding course requirements must be finished and graded by the last day of classes of the next semester, or by some earlier date agreed upon by the professor and the student. Any arrangement for work to be turned in must allow time for the professor to grade it by the last day of classes of the following semester. Failure to meet these deadlines will automatically result in an “I/F” for the course, unless a further extension is granted by faculty action prior to term end, at the request of the student.

Double Submission of Papers
It is contrary to academic ethics to submit an identical paper for credit in two or more classes at Westminster Seminary California or one which has been submitted for credit at another institution. The only exception is that students enrolled in PT400 Graduate Theological Writing may, with the knowledge and consent of both instructors, submit the same paper in PT400 and another course taken concurrently.

Academic Probation
Probation status is a means by which the Seminary seeks to alert and assist a student whose academic standing is in jeopardy. Its purpose is both to emphasize the need for change in the student's approach to theological study and to provide the guidelines and support for such a change. When a student is placed on academic probation, his or her Faculty Advisor and/or the Dean of Students will meet with him or her to discuss the factors contributing to previous academic difficulty.

A student will be placed on academic probation if his or her cumulative grade point average falls below 2.0 after completing 25 semester units of course work at WSC. The student remains in probation status until his or her cumulative grade point average is raised to 2.0 (the minimum grade point average required for graduation).

A student must raise his or her cumulative grade point average to 2.0 within 30 semester units after being placed on probation. Failure to do so will be grounds for dismissal.

A student dismissed for academic reasons may appeal to the faculty for reinstatement. Such an appeal should be made in writing and submitted to the Academic Dean, explaining the student's circumstances and proposing a plan for successful completion of seminary course work if reinstatement is granted. If the appeal is granted, the faculty may also grant whatever credit for work already completed it deems appropriate.

Since probation is designed to help the student demonstrate and develop his or her academic competency, neither probation at admittance nor academic probation shall be recorded on a student's permanent transcript. If a student is dismissed for academic cause, however, the statement "Academically ineligible to reenroll" will appear on his or her transcript.

Grading System
Every credit is calculated by the use of a grade point system. Grade points are assigned to grades as follows:

- A  4.0 grade points
- A-  3.7 grade points
- B+  3.3 grade points
- B  3.0 grade points
- B-  2.7 grade points
- C+  2.3 grade points
- C  2.0 grade points
- C-  1.7 grade points
- D+  1.3 grade points
- D  1.0 grade point
- D-  0.7 grade point
- F  0.0 grade point
- W/F 0.0 grade point

A through D- are passing. F is a failing grade, no credit given. W/F indicates formal withdrawal for a course after the deadline for dropping without academic penalty, no credit given. CR is passing, no points calculated in grade point average. NC is not passing, no points calculated in grade point average. I is incomplete work, anticipating further work to be completed.

A student’s general standing is the result of the total number of grade points
earned divided by the total number of semester units taken. Courses in which credit/no credit grading is employed are not calculated in the grade point average. Grades received in Hebrew and Greek courses taken at the Seminary are calculated in the grade point average.

In a course in which a failing grade has been received, a student may be granted permission by the professor to take a reexamination or complete a re-assignment of sufficient quality to raise the grade to an F/D. Such work must be completed within 21 days after the Registrar notifies the student of the failing grade. If the grade is raised to a D, the student receives credit for the course, but no grade points are counted in calculating general standing.

Grade Reports and Appeals
Following summer and winter terms and the fall semester students receive grade reports for courses completed that term. After spring semester students receive a copy of their unofficial transcript. Any discrepancy between these documents and the student's personal record must be brought to the attention of the Registrar in writing. Students have a period of four months from the day that grades are issued to question or challenge the grades recorded on their transcripts. After the four-month period, grades will be final and permanent.

Course Load
The minimum full-time course load for M.Div. and M.A. students during fall and spring semesters is 12 credit units. Six to eight credit units are considered a half-time load; and nine to eleven units are considered a three-quarters-time load. These definitions apply to all students except for seniors in their final two semesters who are taking all courses that they need to graduate. These seniors, if taking less than 12 hours, will be considered full-time for purposes of course auditing and financial aid. No student may take more than 20 units during a semester or five during the winter term without the permission of the Faculty Committee on Petitions prior to registration. The minimum full-time course load during winter term is three credit units.

Change in Degree Program
A student is admitted into the degree program for which he or she applies. Students wishing to change their degree program must submit to the Registrar a formal application form with their Faculty Advisor's signature along with the Change of Program Fee of $15.00. The Change of Program Application Form is available from the Registrar or online.

Shared Credit Between Degree Programs
Students desiring to pursue two Master's degrees from Westminster Seminary California, either simultaneously or sequentially, may apply up to 25 semester hours of overlapping coursework toward the fulfillment of degree unit requirements in both programs. The successful completion of all required courses and of the specified number (and disciplinary distribution, where appropriate) of elective units is required in each program in order to receive the degree.

Repeated Courses
A student is permitted to repeat a course in which a grade has already been earned. When a course is repeated, both the first and the second grades are figured into the total cumulative grade point average and both grades are shown on the student's transcript.

Transcript Requests
To request a transcript, complete the Transcript Request Form that is available online or from the Registrar's Office. Official transcripts are $5.00 per copy. Unofficial copies are free to students. Transcripts must be requested in person or by mail. Telephone or fax requests will not be accepted. No transcripts are issued for students with unpaid accounts.

Information Pertaining to Veterans
For students receiving Department of Veterans Affairs benefits, credit-unit values have been designated as follows: The only degree requirement not bearing “credit units” is FE691 Pastoral Internship but the course is certified as a three-credit course. All other courses bear “credit units” as stated in this catalogue. In accordance with the rules of the Department of Veterans Affairs, a student receiving veterans’ benefits will be placed on probation if his or her cumulative grade point average falls below a 2.0. He or she may continue to receive veterans’ benefits while on probation for a maximum of two semesters. If he or she is allowed to remain on academic probation beyond this period, all veterans’ benefits will be terminated.

GRADUATION

Requirements for the Degrees
To qualify for a Master of Divinity or Master of Arts degree at Westminster Seminary California, a student must fulfill and successfully complete all requirements and receive a cumulative grade point average of 2.00 or higher at the completion of required course work.

Application for Graduation
Any student planning to graduate must complete an Application for Graduation and return it to the Registrar's Office by the date listed on the application. The Graduation Application is available online under the Current Students section of the WSC website.

Commencement
Commencement exercises are held once each academic year at the end of the spring semester. All students who are eligible to receive degrees are expected to participate in the commencement ceremony. If requirements for the degree were completed by the end of the fall semester or winter term, a student who is unable to be present at the ceremony
may petition for permission to receive the degree in absentia by giving the reason for his or her inability to attend the commencement ceremony.

Prospective graduates must pay all debts to the Seminary, including the library, no later than the last day of classes of the spring semester in order to participate in the commencement exercises. Neither a diploma nor a final transcript will be released until a student's financial obligations to the Seminary are met in full.

The Graduation Fee will be billed to the student prior to graduation and is typically processed with the Graduation Application. If the Enrollment Deposit remains on the account, these funds will be used to pay the Graduation Fee in full.

Graduates are expected to attend a graduation reception held in connection with the commencement exercises, normally on the evening preceding the ceremony. This reception provides an opportunity for fellowship with faculty and fellow-graduates and for corporate reflection on the seminary experience.

### STUDENT CONDUCT AND NON-DISCRIMINATION

**Code of Conduct**

Westminster Seminary California is a distinctively Christian community of scholars and expects its students and employees to conform to the standards of behavior set forth in Scripture and in the historical Reformed confessions. These standards teach that authentic goodness is a state of the heart, the product of regeneration by God's Holy Spirit. We cannot judge another's heart, and therefore we cannot judge the internal thoughts and attitudes that produce good or wicked actions. But we can and must take account of the external actions that Scripture praises or condemns. Those whose actions violate these biblical and confessional standards may be subject to discipline (through due process as described in the Faculty Handbook, Student Handbook, and Staff Handbook) and, in cases of serious unrepentant or continued violation, may be required to leave the Seminary. There are lengthy statements in the Student Handbook concerning plagiarism and the use of drugs and alcohol (see summaries below). Offenses defined by these policies are subject to discipline. Other offenses which violate our confessional standards and are therefore subject to discipline, with the possibility of expulsion, include (but are not limited to) the following: participation in the occult, profane or blasphemous language, expressions of disrespect for others, contentiousness, divisiveness, slander, physical assault, un biblical termination of pregnancy, sexual misconduct (including rape, incest, fornication, adultery, prurient use of pornography, lewd conduct, homosexual behavior), unrepentant divorce which was obtained on unbiblical grounds, lying, dishonesty (particularly violations of the honor system), disruptive behavior, theft, and damage to the property of others. Such discipline may also be brought against those who violate civil law, except in those rare cases where the civil law contradicts the Scriptures. Student conduct is under the supervision of the faculty, acting through the Dean of Students. The faculty reserves the right to dismiss from the Seminary a student whose conduct is found to be unsatisfactory. The Student Handbook states students' rights to due process and appeals in cases of student discipline.

**Substance Abuse**

Westminster Seminary California is committed to being an institution free of the use of illegal drugs and of the abuse of alcohol. All faculty, staff, and students are required as a condition of employment and/or enrollment not to use illegal drugs or abuse alcohol. Illegal drugs may not be used at or brought to the campus or any Seminary activity. Alcohol may not be consumed on campus or at a Seminary function. As a Christian institution, the Seminary is eager to help anyone struggling to overcome the misuse of drugs or alcohol. The Seminary will help find counseling support for a student or employee through the Institute for Biblical Counseling and Discipleship or other appropriate agency. This policy is outlined in detail in the Student and Faculty Handbooks.

**Sexual Harassment**

God's Word commands respect for others and the maintenance of sexual purity in thought, word, and deed. Scripture condemns the use of influence by persons of either sex to exploit others sexually, and it instructs Christ's followers to avoid all sorts of impure speech. As a community under the lordship of Christ, WSC intends to preserve an environment that is free from sexual harassment. The Seminary's policy defining sexual harassment and the procedure for investigating allegations is published in the Student and Faculty Handbooks.

**Non-Discrimination Policy**

Westminster Seminary California does not discriminate on the basis of race, age, color, national and ethnic origin, disability, or gender in the administration of its educational policies, admissions policies, services, or scholarship and loan programs. The Seminary Board and faculty understand the criteria for the gospel ministry set down in Scripture as limiting candidacy for the gospel ministry to qualified males. Because the Master of Divinity program is designed to prepare candidates for official pastoral ministry, only men are admitted to the M.Div. degree program. Women as well as men receive gifts and calling from God to serve in various non-ordained ministries. Therefore, women and men are encouraged to enroll in the Master of Arts programs.

### TERMS OF PAYMENT
Tuition and fees are due one week prior to the start of each semester. Payments for winter and summer term classes must be paid in full by the first day of class. Payments may be made by cash, check, money order, or credit card (Visa or MasterCard). Students unable to pay the full semester’s charges should make prior arrangements with the Business Office to fulfill their financial responsibilities through a deferred-payment plan. The deferred-payment plan allows students to defer up to 66% of their tuition charges. A minimum 34% of tuition, plus fees, must be paid one week prior to the start of the term. The remaining balance of tuition must be in two 33% monthly payments. A 1.5% service charge will be added to the unpaid balance each month. No individual who has unpaid financial obligations to the Seminary or library shall be permitted to register, take final examinations, receive a degree, or be issued an official transcript. Final exams will not be re-administered to any student at a later date.

### REFUNDS
A student who gives the Registrar written notification of his or her withdrawal from courses during any academic term, or of a desire to change his or her enrollment in a course from credit to audit status, will receive a tuition refund according to the following schedules. If the student withdraws from a course before the class has met, all tuition will be refunded (this does not include a refund of Drop Fees, Audit Fees, Listener’s Passes, or Enrollment Deposit unless the withdrawal form has been completed and submitted). The Student Association Fee will not be refunded after the first two weeks of the academic period. Refunds owed for Federal Subsidized and Unsubsidized Stafford Loans and PLUS Loans are not calculated according to WSC’s tuition refund schedule. Federal Student Aid recipients should see the Financial Aid Coordinator for information on refunds or payments due.
