[†] Deviation from the appropriate degree calendar may result in course conflicts that delay your program. Consult the Registrar prior to making changes or if you have questions about which MDiv curriculum to follow and thus which calendar to use. Note that Propaedeutic requirements (*) may be satisfied by course, exam, or waiver (see “Academic Placement” in the Academic Catalogue).

¹ Students are required to take OT520 English Bible Survey for general elective credit during their first Spring semester unless they test out by exam. If OT520 is taken for credit, then the number of electives elsewhere on this calendar should be reduced by 2.

² The MDiv requires 6 general elective credits. The schedule of general elective credits on this calendar is suggested, not required.

³ Courses that satisfy the PT511 elective requirement are listed in the Academic Catalogue and identified on the Winter Course Schedule.

⁴ Students in their final 2 semesters who are taking all courses that they need to graduate are considered full time, regardless of credit load.
