Traditionally, one of the highlights of New Student Orientation is the opening night reception. This is really a wonderful opportunity for us to learn a little more about one another before our classes begin. Please plan to briefly introduce yourself and family (if applicable). If you can share (in approximately 2-3 minutes) your name, hometown, college, why WSC, and church, plus anything you wish to share, we would be grateful. We hope you enjoy this evening as much as we do. All of the students, faculty, staff, Board, and many friends of the seminary are invited to this reception. Thank you in advance for your participation.
