DIRECTIONS

- Complete the Free Application for Federal Student Aid (FAFSA) at www.fafsa.ed.gov.
- First time borrowers at Westminster must complete loan counseling and may need to sign a Stafford Loan MPN if they do not have an active MPN. Both can be done at www.studentloans.gov
- Complete this form (Westminster Seminary California Application for Federal Stafford Loans)
- You must reapply **each academic year** that you want to take out a loan. The Financial Aid Coordinator will not begin to certify your loan until you are enrolled and all forms are submitted.
- Typically, students request one loan for the entire academic year, which is then divided into two portions (one half for the fall semester and one half for the spring semester).
- Federal loans are offered only to students who are enrolled at Westminster Seminary half-time (defined as 6 units per semester) or more.
- For additional information please visit our website, www.wscal.edu, or see the Financial Aid section of the academic catalogue.

LENDER INFORMATION

All Stafford loans are through the Federal Government’s Department of Education. Stafford loan interest rates are fixed for Graduate students and there is an origination fee deducted at disbursement. The government determines interest rates based on the 10-year Treasury Bill rate + 3.6%. For 2020-21 it appears that the interest rate is 4.3% and the origination fee is 1.059% for loans disbursed before 10/1/20.

If you have not taken out a student loan while at Westminster, you must do Entrance Counseling and possibly sign a new Master Promissory Note (MPN). These can both be done and submitted online at www.studentloans.gov . If you took out a loan through Westminster last year, you do not have to do entrance counseling or sign the MPN again.

LOAN POLICIES

All students who receive loans while enrolled at WSC are **required** to complete Exit Counseling prior to graduation (or any time that they exit the program). This can be done online at www.studentloans.gov or you can schedule an appointment with the Financial Aid Coordinator.
