

HARBOR CITY CHURCH

Harbor City Church is a multi-ethnic, multi-generational family of faith experiencing the renewal of Jesus. We believe God is able to transform us and San Diego in every way—spiritually, socially, and culturally.

Our desire as a church is to help form disciples who follow Jesus, look like Jesus, and live like Jesus. We believe that worship is one of the main ways we need to do that as a church. Our weekly worship services are designed to help people see and believe the gospel.

Over the calendar year, we use the seasons of Advent-Christmas-Epiphany and Lent-Easter-Pentecost as moments to help us remember the story of Jesus' life. We also put a high value on incorporating our congregation in leading various parts of the service week to week.

The ideal candidate for this position is an individual who:

- has a heart to see disciples made
- wants to work with a team that is committed to collaboration
- has prior experience
