TUESDAYS

This Fall we look forward to hearing devotionals from a variety of pastors during our Tuesday morning chapels. We hope you will be able to join us.

THURSDAYS

The Psalms are “An Anatomy of all the Parts of the Soul,” according to John Calvin. Dr. W. Robert Godfrey notes how the Psalms are beautiful expressions of the great truths of the Christian faith, there are psalms for all occasions in the Christian life, and the Psalms are full of Christ. The faculty of Westminster Seminary California invites you to join us as we journey through the Psalms during our Thursday chapel devotional series. May our faith be strengthened and enriched as we explore the Psalms together.
